into adulthood to affect Gornick's struggle to find herself in love and in work. As Gornick walks with her aged mother through the streets of New York, arguing and remembering the past, each wins the reader's admiration: the caustic and clear-thinking daughter for her courage and tenacity in really talking to her mother about the most basic issues of their lives, and the still powerful and intuitively wise old woman who again and again proves herself her daughter's mother. Unsparring, deeply courageous, *Fierce Attachments* is one of the most remarkable documents of family feeling that has been written, a classic that helped start the memoir boom and remains one of the most moving examples of the genre. Gornick stares unflinchingly at all that is hidden, difficult, strange, unresolvable in herself and others: at loneliness, sexual malice, and the devouring, claustrophobic closeness of mothers and daughters. *Fierce Attachments* is a portrait of the artist as she finds a language original, allergic to euphemism and therapeutic banalities, worthy of the women that raised her. *The New York Times* [Draping for Apparel Design 2nd Edition](#) Helen Joseph-Armstrong, 2007-09-07 This text combines step-by-step instructions illustrated to present the principles and methods of draping. Author Helen Joseph Armstrong incorporates three draping techniques: manipulating dart excess, adding fullness, and contour draping. In design projects featured throughout the text, projects begin with a draping plan and fashion drawing to identify its creative elements and determine the draping technique required. The author describes the drape of the basic dress and its relationship to every garment in a clothing collection, emphasizing the drape of foundation garments as a base to building more complex design. **Sewing with Oilcloth** Kelly McCants, 2013-02-04 20 fresh patterns to sew a variety of fun and functional projects with oilcloth. *Sewing with Oilcloth* covers sewing with the family of specialty fabrics collectively known as oilcloth.
