An original, complete book and card set designed to introduce the beginner into the intricacies of the Tarot. The tarot is an ancient art, dating back at least to the mid-fifteenth century, and reading the tarot is a skill that can be learned and ultimately mastered. While there are many books and decks for the advanced tarot enthusiast, there is very little for the less advanced. Now there is *The Beginner's Guide to the Tarot*, a book and card set designed specifically for the novice. In the fully illustrated, 192 page book, noted tarot expert Juliet Sharman-Burke leads the reader through the cards and suits, the Minor and Major Arcana, and the major layouts for the complete 78 card deck. The book is packed with a newly designed and illustrated deck which draws upon both traditional and modern tarot iconography and is rendered in a clear, distinctive style. Combines the traditional elements of tarot with the ancient Chinese wisdom, spiritual beliefs, and principles of Form School Feng

Shui. The illustrated book provides an indispensable guide to fully understanding Feng Shui Tarot. The deck's rich imagery is clearly delineated for the reader. Set includes 78 cards, custom spread sheet, and 232-page book. A feng shui book specifically for teens. • Shows how to create balanced teen environments that promote personal development and positive self expression. • Tailors solutions to teen spaces: bedrooms, dormitories, desks, drawers, and lockers. • Shows how, when, and where to use music, incense, and posters. • Addresses real teen issues such as body image, tattoos and piercings, and cigarettes and other drugs. Teen Feng Shui demonstrates how the universal principles behind the design practice of feng shui can be applied to the contemporary environments of teenagers--from school lockers to dorm rooms--in order to maximize personal power, develop harmonious relationships, and define personal space. Noting that all books on feng shui are created for adults, Susan Levitt has provided a resource geared specifically toward the needs and realities of the teenage experience, addressing how young adults can design their living spaces to transform their lives. She describes how music, posters, and incense can influence space and includes before-and-after illustrations of feng shui "fixes." Teen Feng Shui also incorporates Chinese astrology, financial management and shopping tips for teens, insights on love and sex, personal stories, and case studies to provide a fun and comprehensive guide to this ancient art of placement. Just who are those kings, queens, knights, and pages in the Tarot deck? Generally considered the most difficult part of the Tarot to interpret, they actually represent different characters or personalities that are aspects of ourselves. They also serve as teachers or projections of our own unacknowledged qualities. Two esteemed Tarot scholars unmask the court cards with details not found in any other book. Discover your significator

and your nemesis. Compare the differences among the cards in well-known decks. Match the court cards with the zodiac signs, the Myers-Briggs personality types, and the Jungian archetypes. Learn a variety of spreads that reveal childhood issues, career destiny, and a storytelling spread to spark the creative writing process. Tracey Hoover examines the legends and traditions that inspired Julie Cuccia-Watts' Ancestral Path Tarot deck. The book highlights the paths that readers may travel along to discover the teachings of our ancestors. The Fountain Tarot includes: 79 cards with images of original Jonathan Saiz oil paintings; an in-depth booklet, written by Jason Gruhl (2014), containing over 100 pages of meanings and reversals, history, and a guide to reading Tarot; and original card-back design, modern card-front formats, and packaging designed by Andi Todaro. Occultist and surrealist poet, Raphael reads Tarot Cards at the N.Y. Theosophical Society. Other books by Raphael include Feng Shui Step by Step, Feng Shui Strategies for Business Success, The Feng Shui of love, and Images: Surrealist Poems. help you integrate each card's unique spiritual energy. Discover how artist Pamela Colman Smith and occultist Arthur Waite combined their knowledge of astrology, Kabbalah, metaphysics, mythology, and theater to realize their profound vision. Llewellyn's Complete Book of the Rider-Waite-Smith Tarot delves deeply into the roots of these influential cards, exploring how Waite and Smith brought together an enchanting set of esoteric symbols and formed a magical deck that has guided, inspired, validated, and challenged the countless readers and seekers who have sought its wisdom. The Lal Kitab, a rare book in urdu, was popular in north-west India, Pakistan, Iran and many other countries. This English version has added new dimensions to make it more lucid and easier to understand. For the first time in English, Benbell Wen reveals the rich history and theoretical principles underlying the ancient practice of crafting Fu talismans, or magical sigils, in the Chinese Taoist tradition and gives detailed instructions for modern practitioners who would like to craft their own Fu. Fu talismans are ideograms and writings typically rendered on paper and empowered by means of invocations, ritual, and transferences of energy, or Qi. Talismans can be used for many purposes, such as strengthening or weakening personality characteristics, finding love, earning more money, or easing emotional tensions in the home. The Tao of Craft shows how metaphysical energy can be harnessed to amplify, strengthen, weaken, dispel, or block other metaphysical energy and to rectify perceived imbalances in the material plane. Supported by an abundance of detailed charts and images, this book serves as a step-by-step handbook that gives readers the knowledge and confidence to craft their own Fu talismans for personal empowerment. Wen, author of Holistic Tarot, delves into historic and cultural contexts of the Fu, from the neolithic period of Chinese history to contemporary practices of esoteric Taoism. Providing a solid foundation in the principles of Eastern spellcrafting, she highlights the blending of Taoist metaphysical practices with Western approaches to magic by pointing out eclectic, integrating, and harmonizing facets from other cultures and religions. Historically, Fu talismans were used by medieval Chinese for alleviating illness; averting misfortune, magical attacks, and curses; defending

against assaults; and avoiding poverty. This book shows Western practitioners that the skill and knowledge to develop an interactive relationship with spirit realms are still available to them today, and serves as a practical handbook for accumulating Qi energy from sources in the environment and channeling it in concentrated form into their own Fu talismans. This illustrated book provides an indispensable guide to fully understanding Feng Shui Tarot. An excellent introduction for newcomers to the Tarot Experience. Offers an alternative approach by combining ancient Chinese wisdom and spiritual beliefs with the traditional elements of Tarot The Field Tarot was created to guide readers through the sacred space ("the field") where the tarot narrative takes place. Inspired by colorful, botanical, and otherworldly dreamscapes, the accessible artwork situates the reader within the scene, allowing them to easily connect with the card meanings. The Field Tarot acts as an intuitive tool to help readers navigate through life, relationships, and their inner and outward journeys. Includes 78-card deck and 96-page guidebook. A fascinating book that reveals the ancient craft of tarot and offers detailed guidance on how to conduct readings of your own This book teaches the reader how to connect with the time-honoured wisdom and spiritual power of the tarot and make major decisions - just by turning a card. Author and tarot expert Kim Arnold teaches using the Rider Waite tarot, which is acknowledged as the classic deck to begin understanding this ancient system. Ideal for first-time users of tarot cards, this book includes guidance on: - Choosing the right deck for you - Interpreting each of the 22 Major Arcana and 56 Minor Arcana cards - A variety of different spreads and techniques for weaving together the cards when you do a reading for yourself and others - Ways to meditate on the cards and go deeper into their messages This title was previously published within the Hay House Basics series. For centuries, the tarot has been revered as a tool for divination and self-discovery. Today, it's more popular than ever, with hundreds of decks available representing cultures, ideas, and spiritual traditions from around the world. This guide brings Chinese astrology back to its ancient roots, providing all the information you need for understanding one of the world's oldest systems of divination. The ancient Chinese people developed a sophisticated science of astrology that continues to have profound influence in China today. Rooted in the fundamentals of Taoism, it evolved into a system vastly different from Western astrology. Rather than determining personality by the time of the year in which you are born, in Taoist astrology it is the year itself

that determines your character. The years form a twelve-year cycle of signs, each named after an animal. Additionally, your personality depends on which of the five traditional Taoist elements you are born under--water, wood, fire, earth, or metal. This makes for a cycle of sixty unique signs. Taoist Astrology includes information for each sign's personality, compatibility, child-parent relations, and rising and falling fortunes during the twelve-year cycle. Discussions of yin and yang, Confucianism and Buddhism, Taoist alchemy, and the connection between Taoist astrology and Western astrology give you all the background you need for understanding one of the oldest systems of divination known to humanity. Taoist Astrology differs from other books on the subject by grounding its concepts in the ancient traditions from which it originated. Everyone needs to relate to something else that they own or possess. This book is a mix of experience and study where matter is presented to you in a simplified form. The reader will be able to connect the cards with their experiences, which will help them to understand not only the cards but also their own life situation. The major arcana comes with images that can be focused on for meditation purpose to gain a better perspective about the card or for your own personal healing. These images also come with practical, easy-to-follow solutions presented as something else to make significant efforts for healing your lives and improvise the reading. This book is a great guide for anyone who wants clarity about cards and their meanings. The practice of divination can be traced back more than 30,000 years—and it is still practiced today. The Everything® Divining the Future Book blends all the best methods together in one volume, enabling you to pick and choose the techniques that best suit your personality and experience. Covering arts such as astrology, palmistry, numerology, tasseography, tarot, and many others, professional psychic Jenni Kosarin provides you with clear, step-by-step instruction on how to start making predictions. Whether you are at a beginner level with the use of tarot cards—or more advanced with I-Ching—The Everything Divining the Future Book is a must-have for all aspiring fortunetellers. Helps readers improve home, business, garden, property, neighborhoods, and much more. The Feng

Shui Tarot deck combines the traditional elements of tarot with the ancient Chinese wisdom, spiritual belief and principles of balancing environment, surroundings, materials and colors. Delve deeper into the wisdom of the Tarot with this one-of-a-kind, hands-on guide The perfect companion to any Tarot deck, The Mythic Tarot Workbook offers a variety of card spreads and creative exercises to help readers learn more about the imagery and symbolism of each card in the deck. Here You Will Find: Guided imagery exercises and meditations to help you concentrate Suggestions for coloring and drawing so you can become more familiar with the card images Seven different card spreads offering you new ways to conduct and interpret readings Blank lines and pages interspersed throughout, so you can note your reactions to the cards and record the insights revealed in readings More than thirty years ago, U.S. Games Systems published the The Golden Dawn Tarot, revealing for the first time many truths and secrets of the Hermetic Order of the Golden Dawn, and its interpretation of the tarot. Dr. Robert Wang has faithfully rendered in authentic detail each card of The Golden Dawn Tarot deck based upon the esoteric notebooks of MacGregor Mathers. The card designs follow the symbolic framework of the Inner Tradition formulated by Mathers. Dr. Israel Regardie, the leading author/scholar in the occult field, skillfully guided the creation of The Golden Dawn Tarot, the last great secret teachings of the Order. The deck is now a classic, its symbols and references familiar to tarot experts everywhere. The best-selling guide to reading tarot from celebrated occultist and scholar Benebel Wen—history, practice, and 500+ illustrations and spreads Designed for beginning as well as experienced tarot readers, Holistic Tarot offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as "fortune telling," the true power of the tarot lies in its

ability to channel a clear path for our deep intuition to shine through. Consulting the tarot can help clear creativity blockages, clarify ambitions, work through complex decisions, and make sense of emotions and relationships. Whether used for simple decision-making or an understanding of your life's purpose, learning tarot can be an indispensable tool for being more mindful of the factors that can assist or weaken your efforts toward success. In *Holistic Tarot*, author Benebell Wen provides a complete guide to using the tarot to foster personal development. Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to Jungian archetypal psychology and traditional Chinese divination practices) before digging deeply into one of the best-known tarot systems, the Rider-Waite-Smith. Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the role of meditation in a tarot practice, and how to use the tarot for improving relationships, professional development, and personal resilience. More advanced practitioners will appreciate nuanced theoretical discussions of the tarot as well as practical advice about reading others' tarot cards and setting up a practice. Containing over 500 illustrations and detailed information on each card as well as numerous spreads, *Holistic Tarot* is a complete compendium of tarot study that every practitioner should have in their library.
