Mum & Dad Joanna Trollope,2020-03-05 A Richard Judy

Book Club Pick Mum Dad is a heartwarming family drama set in the vineyards of Spain From the number one bestselling author of An Unsuitable Match Joanna Trollope and told with all her trademark wit and wisdom Trollope s bestselling novel brings elegance and warmth to a painfully familiar dilemma Daily Mail What happens when family roles are reversed and the children must look after mum and dad It s been twenty five years since Gus and Monica left England to start a new life in Spain building a wine business from the ground up However when Gus suffers a stroke and their idyllic Mediterranean life is thrown into upheaval it s left to their three grown up children in London to step in As the children descend on the vineyard it becomes clear that each has their own idea of how best to handle their mum and dad as well as the family business But as long simmering resentments rise to the surface and tensions reach breaking point will the family finally fall apart No one dissects the intricacies of family relationships quite like Joanna Trollope Good Housekeeping Brother & Sister Joanna Trollope,2010-04-06 Nathalie and David have been good and dutiful children to their parents and now grown up with their own families they are still close to one another Brother and sister Except that they aren t brother and sister that is They were both adopted when their loving parents found that they couldn t have children themselves and up until now it s never mattered But suddenly Nathalie discovers a deep need to trace her birth parents and is insisting that David makes the same journey And through this both learn one of the hardest lessons of all that sometimes the answers to who we are and where we come from can be more difficult than the questions By turns frustrating humorous and heartbreaking Brother and Sister explores how the unforeseen circumstances of life altering decisions can upset the delicate balance of family life *Brother and Sister* Joanna Trollope,2004-02-02 We all need to know where we come from where we belong But for David and Nathalie this need to know is more urgent than for most people because they are adopted Brought up by the same parents but born to different mothers they have grown up fiercely loyal to one another as brother and sister Their decision in their late thirties to embark upon the journey to find their birth mothers is no straightforward matter It affects acutely and often painfully their partners the people they work with and most poignantly the two women who gave them up for adoption all those years ago and who have since then made other lives even borne other children Exploring her subject with inimitable imagination and humanity Joanna Trollope once again works her magic In this rich narrative at once gritty and graceful she exposes the extraordinary challenges that arise at the heart of ordinary lives I Capture the Castle Dodie Smith,2003-04-01 One of the 20th century s most beloved novels is still winning hearts Dodie Smith s I Capture the Castle This book has one of the most charismatic narrators I ve ever met J K Rowling author of the Harry Potter series Adapted to a feature film in 2003 I Capture the Castle tells the story of seventeen year old Cassandra and her family who live in not so genteel poverty in a ramshackle old English castle Here she strives over six turbulent months to hone her writing skills She fills three notebooks with sharply funny yet poignant entries Her journals candidly chronicle the great changes that take place within the castle s walls and her own first descent into love By the time she pens her final entry she has captured the
