But what is so special about this volume is that it mirrors our age, our concerns, and our lives. Native Moments Nic Schuck, 2016-09-15 In the tradition of other great ex-patriot stories like *The Sun Also Rises* or *All the Pretty Horses*, *Native Moments* is a coming-of-age adventure set among the lush landscape of Costa Rica. After the death of his brother Sanch Murray, leaves for a surf trip as a way to cope and sets out on a quixotic search for an alternative to the American Dream. Set in 1999 Costa Rica, Sanch and his friend Jake Higdon wander the dirt roads of Tamarindo and surrounding areas, chasing waves as a way to live out the romantic fantasy lifestyle of traveling surfers. Jake Higdon, six years Sanch's senior, takes on the role of the wise leader, and Sanch as his young apprentice. Sanch's adventure leads to encounters with people who share world views he had never considered and could potentially shape his own changing perceptions about life. Through sometimes humorous episodes such as trying his hand as a matador at a roadside rodeo or in his not-so-humorous battle with dysentery, Sanch explores life's beauty and wonder alongside the darker undercurrents of humanity. Along his journey, Sanch befriends a shamanic traveler named Rob, young revolutionaries from Venezuela, numerous expatriates from around the world trying to escape whatever it is that keeps chasing them, and a beautiful local girl named Andrea, whom Sanch suspects is a prostitute but can't help falling for.

Raymond Carver Ewing Campbell,1992 Perhaps the most significant and influential figure in this century's wave of American realism Raymond Carver 1938-1988 is credited not only with reviving the short story as an artistically legitimate form but also with perfecting minimalist fiction His 1981 collection *What We Talk About When We Talk About Love* remains the standard against which minimalist literature is measured and his numerous prize-winning and frequently anthologized stories have established him as the extender of a modernist tradition stretching from Chekhov through Joyce and Hemingway In his later collections such as *Cathedral* 1983 and *Where I'm Calling From* 1988 Carver surpasses even his own great achievement setting a bold new path for his short fiction and intensifying the scholarly attention he'd first inspired with *Will You Please Be Quiet Please* anthologized in *Best American Short Stories* of 1967 Moving chronologically through Carver's complete short fiction canon and examining key stories in depth Ewing Campbell traces the author's development through and beyond literary minimalism into the tradition of tragic allegory He explores Carver's persistent use of myth and archetype motifs of the grotesque religious iconography and oppressed spiritually paralyzed characters From the earliest stories through the latest Campbell illuminates Carver's constant fascination with the way individuals connect or fail to connect with one another BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
