The stakes in these dialogues are high Christianity is God's marriage proposal to the soul says Kreeft and the answer must be yes or no We can evade the claims of Jesus Christ for a while but death brings evasion to an end It is wiser to look at Christianity honestly now Yes or No shows the truth of Jesus promise that those who sincerely seek the truth shall find it It is a road map for those who are honestly seeking the truth and a source of greater faith for those how have already found God It presents the full challenge of the gospel in a way modern men and women can understand *Tarot Skills for the 21st Century* Josephine McCarthy,2020-07-18 Tarot skills for the 21st Century Mundane and Magical Divination is a toolkit and guide for exploring and expanding your tarot divination skills by Josephine McCarthy Tarot and Psychology Arthur Rosengarten,2000-04-07 What A Clinical Psychologist Espousing Tarot Cards Dr Arthur Rosengarten in *Tarot and Psychology* Spectrums of Possibility does just that He explains Tarot to those who may want to learn to use it properly for the greatest good individuals who desire greater spirituality in their lives including the benefits of psychological insight and depth without the baggage of affiliation that invariably accompanies any single set of beliefs Tarot they will soon find operates on many levels of profound meaning from a purely non affiliated platform in the truest sense Tarot makes accessible to awareness a full spectrum of psychological and spiritual possibility with little preference for its user's qualifications or beliefs Rather magically one might say Tarot captures the heartbeat of experience This fact alone should make the deck of human possibility immediately relevant to helping professionals who deal with the heartbeats of experience daily The use of Tarot as an oracle for creating awareness and gaining insight into particular symptoms problems or questions i e Tarot divination is often mentioned as an afterthought alongside other meditational exercises and alternative spread configurations Yet today the vast majority of individuals who have discovered the wonders and mysteries of Tarot have done so through experiences of divination Card reading without a doubt is Tarot's most beguiling and potentially beneficial enterprise Why dance around the magic For Tarot to continue to evolve into the 21st century and beyond it must have a stronger application emphasis that is it must be relevant accessible and meaningful to the changing contours of people's lives It must resonate with all who seek greater meaning creativity and awareness not simply with small segments of the waning New Age Tarot and Psychology provides an innovative new approach for understanding the psychological and spiritual possibilities of human experience

the popular Waite Smith deck a description keywords action phrases and suggestions for cards with similar and opposite meanings The author first presented this course online at [learntarot.com](http://learntarot.com) which continues to attract over one hundred thousand visitors per month When I first created my website in 1995 writes Joan Bunning I never dreamed how much interest in the tarot I would find People from all over the world began writing to tell me about their experiences with the course and their adventures with the cards This response was music to my ears I knew from my own experience that the tarot is a wonderful tool for personal guidance and inner exploration My goal with this book was to give you the basics you need to begin working with the tarot on your own I try to make this inner process understandable by breaking it up into a series of steps that are simple while still doing justice to the depth and beauty of the cards I concentrate on the everyday showing how the tarot makes real practical sense in the modern world The tarot is a living system that adapts creatively to each user Rather than rules I offer guidelines While reading my book I want you to feel that you have a teacher sitting next to you who is introducing you to this special tool but also encouraging you to go on to discover your own unique approach to the cards
