shapes our lives our society and our culture      **A Patriot's History of the United States** Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of dead white men. As a result, more emphasis is placed on Harriet Tubman than on George Washington, more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima, more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. **A Patriot's History of the United States** corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long overdue acknowledgment of America's true and proud history.

**Habits of Grace** David Mathis, 2016-02-12 The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such habits of grace are the God-designed channels through which his glorious grace flows, making them life-giving practices for all Christians. Whether it's hearing God's voice, the Word, having his ear, prayer, or participating in his body, fellowship, such spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine: this side of eternity and the incredible joy that such blessings bring to God's children today.      **Dalva** Jim Harrison, 2013-12-20 From the New York Times bestselling author of *Legends of the Fall*, a beautifully crafted story of one woman's journey to find her son. From her home on the California coast, Dalva hears the broad silence of the Nebraska prairie where she was born and longs for the son she gave up for adoption years before. Beautiful, fearless, tormented at forty-five, she has lived a life of lovers and adventures. Now Dalva begins a journey that will take her back to the bosom of her family, to the half-Sioux lover of her youth, and to a pioneering great grandfather whose journals recount the bloody annihilation of the Plains Indians. On the way, she discovers a story that stretches from East to West, from the Civil War to Wounded Knee and Vietnam, and finds the balm to heal her wild and wounded soul. One of Harrison's most ambitious novels, *Dalva* explores an extraordinary family through the strong, engaging voice of an unforgettable woman, confirming Harrison as one of America's most memorable writers. There is no putting aside *Dalva* until the time bombs go off; the identities are revealed, and the skeletons almost literally tumble from the closets. *Dalva* is suspended in its own beauty.
