Natural Law Joey W. Hill, 2016-02-05 Mackenzie Mac Nighthorse is a highly respected homicide detective and a career cop There isn't a dangerous situation that can back him down However the personal becomes uncomfortably entangled in the professional when he goes undercover in a high class BDSM club as a male submissive to find a Dominatrix who is winning the trust and then murdering her chosen partners When his path crosses Violet Siemanski's he realizes he's found a Mistress willing to be his ally in finding the murderess But Violet is also going to shatter Mac's shields and make him question who he is and what he wants a challenge more disturbing than any case he's ever worked

Hill, 2016-02-14 Lauren just wants to find Mr Right That's not an easy goal for a woman who wants a man willing to be chained to her in more ways than just matrimony A successful doctor with a healthy attitude toward sex unashamed of her proclivities as a sexual dominant she wants love and a family But she's beginning to believe that there is no Mr Right willing to stand by her in sickness and health and be cuffed stripped and smacked with a riding crop Then Lauren's friend Lisette invites her to spend a long weekend on a private island It turns out Lisette can't come with her but Lauren opts to go anyway with no one for company but Joshua the island caretaker and his visiting friend Marcus Though both men are beautiful it is Joshua that catches Lauren's attention and not just because Marcus prefers men Something in Josh's stormy eyes calls to her When Marcus facilitates a game of submission and control between the three of them that will last throughout the weekend Lauren embraces the opportunity Josh overwhelms her with his willingness to submit to her body's desires but her heart wants to get to the secrets behind those eyes She is going to have to tear down his defenses and make him give her everything And this is one Mistress who doesn't take no for an answer

Rodgers,2012-09-03 In the last quarter of the twentieth century the ideas that most Americans lived by started to fragment Mid century concepts of national consensus managed markets gender and racial identities citizen obligation and historical memory became more fluid Flexible markets pushed aside Keynesian macroeconomic structures Racial and gender solidarity divided into multiple identities community responsibility shrank to smaller circles In this wide ranging narrative Daniel Rodgers shows how the collective purposes and meanings that had framed social debate became unhinged and uncertain Age of Fracture offers a powerful reinterpretation of the ways in which the decades surrounding the 1980s changed America Through a contagion of visions and metaphors on both the intellectual right and the intellectual left earlier notions of history and society that stressed solidity collective institutions and social circumstances gave way to a more individualized human nature that emphasized choice agency performance and desire On a broad canvas that includes Michel Foucault Ronald Reagan Judith Butler Charles Murray Jeffrey Sachs and many more Rodgers explains how structures of power came to seem less important than market choice and fluid selves Cutting across the social and political arenas of late twentieth century life and thought from economic theory and the culture wars to disputes over poverty color blindness and sisterhood Rodgers reveals how our categories of social reality have been fractured and destabilized As we survey the intellectual wreckage of this war of ideas we better understand the emergence of our present age of uncertainty **Truly Helpless** Joey W. Hill,2016-03-21 The white collar life Jonathan Powell created for himself is gone Standing outside Wentworth prison after serving his five year sentence he knows he has to start over No more hooking up with Dominant women so he can enjoy the challenge of screwing up their minds But who knew his last target would be a psychopathic killer who tried to off two cops No it wasn t the game that was the problem He just made some key mistakes Mistakes he won t make again Then *Mistress* Dona shows up to give him a ride from the prison into his new life and his resolve goes out the window She s everything he

can't resist. Dona knows she has to help Jonathan make the right choice this time because Hell doesn't offer options. He has to understand and accept what surrender truly means. His only hope is a Mistress of Redemption. The problem is she may lose her own soul in the attempt to save his. *Ice Queen* Joey W. Hill, 2016-03-21. They call her the Ice Queen. At the exclusive BDSM club known as The Zone, Mistress Marguerite is a legend. Tyler Winterman has been fascinated with her since he's known her, though the rules of their world say they shouldn't share more than mutual admiration. He is her male counterpart, one of the most powerful male Doms practicing at The Zone. Due to a computer error, Marguerite lacks the mentoring program stipulation required of all Zone Doms, which includes spending a number of hours learning about BDSM from the submissive's perspective. Tyler considers it an act of fate that Marguerite chooses him to be the Dom who helps her fulfill that requirement. He is convinced she is a switch, a closet submissive, but the truth will be even more remarkable than the theory. Changing their lives in ways neither of them anticipates. Having no equal except one another in their skills at stripping a sub's defenses bare, these two Dominants will turn their considerable talents on each other and discover that who is Master and who is slave doesn't matter not when two souls have found their mate.
