Burma Chronicles Guy Delisle

Burma Chronicles Guy Delisle, 2021-06-10 From the author of *Pyongyang* A Journey in North Korea and *Shenzhen* A Travelogue from China is *Burma Chronicles* an informative look at a country that uses concealment and isolation as social control It is drawn with Guy Delisle's minimal line while interspersed with wordless vignettes and moments of his distinctive slapstick humor *Burma Chronicles* has been translated from the French by Helge Dascher Dascher has been translating graphic novels from French and German to English for over twenty years A contributor to *Drawn Quarterly* since the early days her translations include acclaimed titles such as the *Aya* series by Marguerite Abouet and *Clément Oubrerie* *Hostage* by Guy Delisle and *Beautiful Darkness* by Fabien Vehlmann and Kerascot With a background in art history and history she also translates books and exhibitions for museums in North America and Europe She lives in Montreal *Burma Chronicles* Guy

Delisle, 2017-05-04 Guy Delisle's newest travelogue revolves around a year spent in Burma also known as Myanmar with his wife and son Burma is notorious for its use of concealment and isolation as social control where scissor-wielding censors monitor the papers the de facto leader of the opposition has been under decade-long house arrest insurgent-controlled regions are effectively cut off from the world and rumour is the most reliable source of current information An impressive and moving work of comics journalism from the author of *Pyongyang* and *Shenzhen* **Factory Summers** Guy

Delisle, 2022-08-03 For three summers beginning when he was 16 cartoonist Guy Delisle worked at a pulp and paper factory in Quebec City *Factory Summers* chronicles the daily rhythms of life in the mill and the twelve-hour shifts he spent in a hot noisy building filled with arcane machinery Delisle takes his noted outsider perspective and applies it domestically this time as a boy amongst men through the universal rite of passage of the summer job Even as a teenager Delisle's keen eye for hypocrisy highlights the tensions of class and the rampant sexism an all-male workplace permits Guy works the floor doing physically strenuous tasks He is one of the few young people on site and furthermore gets the job through his father's connections a fact which rightfully earns him disdain from the lifers Guy's dad spends his whole career in the white-collar offices working 9 to 5 instead of the rigorous 12-hour shifts of the unionized labor Guy and his dad aren't close and *Factory Summers* leaves Delisle reconciling whether the job led to his dad's aloofness and unhappiness On his days off Guy finds refuge in art a world far beyond the factory floor Delisle shows himself rediscovering comics at the public library and preparing for animation school only to be told on the first day There are no jobs in animation Eager to pursue a job he enjoys Guy throws caution to the wind Translated by Helge Dascher and Rob Aspinall *Shenzhen* Guy Delisle, 2017-05-04 Guy

Delisle's work for a French animation studio requires him to oversee production at various Asian studios on the grim frontiers of free trade His employer puts him up for months at a time in cold and soulless hotel rooms where he suffers the usual deprivations of a man very far from home After *Pyongyang* his book about the strange society that is North Korea

Delisle turned his attention to Shenzhen the cold urban city in Southern China that is sealed off with electric fences and armed guards from the rest of the country The result is another brilliant graphic novel funny scary utterly original and illuminating **Hostage** Guy Delisle,2017 HOW DOES ONE SURVIVE WHEN ALL HOPE IS LOST In the middle of the night in 1997 Doctors Without Borders administrator Christophe Andre was kidnapped by armed men and taken away to an unknown destination in the Caucasus region For three months Andre was kept handcuffed in solitary confinement with little to survive on and almost no contact with the outside world Close to twenty years later award winning cartoonist Guy Delisle Pyongyang Jerusalem Shenzhen Burma Chronicles recounts Andre s harrowing experience in Hostage a book that attests to the power of one man s determination in the face of a hopeless situation Marking a departure from the author s celebrated first person travelogues Delisle tells the story through the perspective of the titular captive who strives to keep his mind alert as desperation starts to set in Working in a pared down style with muted colour washes Delisle conveys the psychological effects of solitary confinement compelling us to ask ourselves some difficult questions regarding the repercussions of negotiating with kidnappers and what it really means to be free Thoughtful intense and moving Hostage takes a profound look at what drives our will to survive in the darkest of moments **Burma Chronicles (fxd All)** G. U. Y. DELISLE,2017-05-04 **A User's Guide to Neglectful Parenting** Guy Delisle,2021-04-29 Meditations on fatherhood from the author of Jerusalem Chronicles from the Holy City With A User s Guide to Neglectful Parenting the trademark dry humor that pervades Guy Delisle s landmark and praised graphic travelogues takes center stage Quick light vignettes play on the worries and cares any young parent might have and offer wry solutions to the petty frustrations of being a dad who works from home Readers familiar with Delisle s stranger in a strange land technique for storytelling employed in Jerusalem Pyongyang Burma Chronicles and Shenzhen will recognize the titular parent in this book Delisle s travelogues were simultaneously portraits of complex places and times and portraits of a stay at home dad s ever changing relationship with his children while his wife is out working for Doctors Without Borders The relationship between young child and all too irony aware parent is beautifully done here and Delisle s loose flowing style has been set free creating a wonderful sense of motion throughout A User s Guide to Neglectful Parenting is an intimate offbeat look at the joys of parenting A User s Guide to Neglectful Parenting has been translated from the French by Helge Dascher Dascher has been translating graphic novels from French and German to English for over twenty years A contributor to Drawn Quarterly since the early days her translations include acclaimed titles such as the Aya series by Marguerite Abouet and Cl ment Oubrerie Hostage by Guy Delisle and Beautiful Darkness by Fabien Vehlmann and Kerasco t With a background in art history and history she also translates books and exhibitions for museums in North America and Europe She lives in Montreal **Albert and the Others** Guy Delisle,2007 This wordless graphic novel follows the lives of the title character and other men in twenty six short vignettes **Jerusalem** Guy Delisle,2015-08-18 Jerusalem is a small miracle concise even handed highly particular The Guardian Jerusalem Chronicles

from the Holy City is the acclaimed graphic memoirist Guy Delisle's strongest work yet a thoughtful and moving travelogue about life in contemporary Jerusalem Delisle expertly lays the groundwork for a cultural road map of the Holy City utilizing the classic stranger in a strange land point of view that made his other books required reading for understanding what daily life is like in cities few are able to travel to Jerusalem explores the complexities of a city that represents so much to so many It eloquently examines the impact of conflict on the lives of people on both sides of the wall while drolly recounting the quotidian checkpoints traffic jams and holidays When observing the Christian Jewish and Muslim populations that call Jerusalem home Delisle's drawn line is both sensitive and fair assuming nothing and drawing everything A sixteen page appendix to the paperback edition lets the reader behind the curtain revealing intimate process sketches from Delisle's time in Jerusalem Jerusalem is a masterfully hewn travelogue topping Best of 2012 lists from The Guardian Paste and the Montreal Gazette it was the graphic novel of the year *The DPhotographer* Emmanuel Guibert,Didier Lefèvre,Frédéric Lemercier,2009-05-12 In 1986 Afghanistan was torn apart by a war with the Soviet Union This graphic novel photo journal is a record of one reporter's arduous and dangerous journey through Afghanistan accompanying the Doctors Without Borders Didier Lefevre's photography paired with the art of Emmanuel Guibert tells the powerful story of a mission undertaken by men and women dedicated to mending the wounds of war Emmanuel Guibert's most recent book for First Second was the critically acclaimed Alan's War the memoir of a WWII G I His close friendship with Didier Lefevre inspired him to combine art and photography to create this momentous book The Handbook to Lazy Parenting Guy Delisle,2019-10-08 And the award for worst dad ever still goes to The Handbook to Lazy Parenting is the bestselling cartoonist Guy Delisle's final tribute to the frequently hilarious and absurd situations that any parent will find themselves in when raising young children all told with his trademark sarcastic wit But even as his children grow older wiser and less interested in their father's antics Delisle has no shortage of bad parenting stories only now sometimes the joke is on him From trying to convince Louis to play video games instead of letting him do his homework to forgetting Alice in a stationery store after buying a pen to tricking the kids out of dessert to make up for his own blunder Delisle tells relatable stories of parenthood the mistakes we have trouble admitting to and the impulse that we all sometimes have to give a comically serious answer to a child's comically serious question With impressive timing and pacing in these lighthearted vignettes Delisle delivers his gut wrenchingly funny punch lines in self deprecating fashion letting everyone know who is ultimately the butt of the joke The Handbook to Lazy Parenting will delight parents of course but also anyone who has raised or known an inquisitive child and needs some pro tips on being well a bad dad World Record Holders Guy Delisle,2022-08-09 A funny and insightful retrospective collection from a celebrated cartoonist Universally beloved cartoonist Guy Delisle showcases a career spanning collection of his work with a sly sense of humor and warm characterization Before Delisle became an international superstar with his globe hopping travelogues he was an animator experimenting with the comics form Always aware of the elasticity of the human form and honing his keen

observer's eye young Delisle created hilarious set pieces World Record Holders ranges from wistful childhood nostalgia to chagrined post fame encounters touching on formally ambitious visual puns and gut busting what ifs Delisle again and again shows how life is both exhilarating and embarrassing Delisle visits an exhibition of his work in another country and is confronted by an angry spouse who blames him for destroying her marriage A juvenile game of Bows and Arrows turns menacing as arrows shot straight up in the air turn into barely visible missiles of death A coded message from space creates different reactions from different people debates dance festivals gallery shows Translated by Helge Dascher

Are You My Mother? Alison Bechdel, 2012-05-01 The New York Times bestselling graphic memoir about Alison Bechdel author of Fun Home becoming the artist her mother wanted to be Alison Bechdel's Fun Home was a pop culture and literary phenomenon Now a second thrilling tale of filial sleuthery this time about her mother voracious reader music lover passionate amateur actor Also a woman unhappily married to a closeted gay man whose artistic aspirations simmered under the surface of Bechdel's childhood and who stopped touching or kissing her daughter good night forever when she was seven Poignantly hilariously Bechdel embarks on a quest for answers concerning the mother daughter gulf It's a richly layered search that leads readers from the fascinating life and work of the iconic twentieth century psychoanalyst Donald Winnicott to one explosively illuminating Dr Seuss illustration to Bechdel's own serially monogamous adult love life And finally back to Mother to a truce fragile and real time that will move and astonish all adult children of gifted mothers A New York Times USA Today Time Slate and Barnes sort of like a comic book by Virginia Woolf You won't believe it until you read it and you must Gloria Steinem

The Owner's Manual to Terrible Parenting Guy Delisle, 2015-10-27 Guy Delisle knows all the worst parenting techniques Guy Delisle the author of Jerusalem Chronicles from the Holy City and A User's Guide to Neglectful Parenting shares hilarious new comic strips that pay tribute to all the ways parents can drive their kids crazy and vice versa in The Owner's Manual to Terrible Parenting Slipping grammar lessons into bedtime stories being challenged by difficult toys and pretending to forget you even have a son it's all in a day's work for Delisle In The Owner's Manual Delisle doesn't hesitate to make a slightly bumbling fictionalized version of himself the butt of the joke though his children often contribute zingy repartee and laugh out loud insight in the stories on display here The Owner's Manual is the perfect antidote to frustrating car rides filled with Are we there yet and epic battles over homework Delisle's effortless pacing and witty punch lines reign supreme here making each vignette zip along to its conclusion

Disaster Drawn Hillary L. Chute, 2016-01-12 In hard hitting accounts of Auschwitz Bosnia Palestine and Hiroshima's Ground Zero comics display a stunning capacity to bear witness to trauma Investigating how hand drawn comics has come of age as a serious medium for engaging history Disaster Drawn explores the ways graphic narratives by diverse artists including Jacques Callot Francisco Goya Keiji Nakazawa Art Spiegelman and Joe Sacco document the disasters of war Hillary L Chute traces how comics inherited graphic print traditions and innovations from the seventeenth century and later pointing out that at every turn new forms of visual verbal

representation have arisen in response to the turmoil of war. Modern nonfiction comics emerged from the shattering experience of World War II, developing in the 1970s with Art Spiegelman's first Maus story about his immigrant family's survival of Nazi death camps and with Hiroshima survivor Keiji Nakazawa's inaugural work of atomic bomb manga, the comic book *Ore Wa Mita I Saw It*, a title that alludes to Goya's famous *Disasters of War* etchings. Chute explains how the form of comics, its collection of frames, lends itself to historical narrative. By interlacing multiple temporalities over the space of the page or panel, comics can place pressure on conventional notions of causality. Aggregating and accumulating frames of information, comics calls attention to itself as evidence. *Disaster Drawn* demonstrates why even in the era of photography and film, people understand hand-drawn images to be among the most powerful forms of historical witness.

The Chaperone
Laura Moriarty, 2013-06-04

Soon to be a feature film from the creators of *Downton Abbey* starring Elizabeth McGovern, *The Chaperone* is a New York Times bestselling novel about the woman who chaperoned an irreverent Louise Brooks to New York City in the 1920s and the summer that would change them both. Only a few years before becoming a famous silent film star and an icon of her generation, a fifteen-year-old Louise Brooks leaves Wichita, Kansas, to study with the prestigious Denishawn School of Dancing in New York. Much to her annoyance, she is accompanied by a thirty-six-year-old chaperone who is neither mother nor friend. Cora Carlisle, a complicated but traditional woman with her own reasons for making the trip, has no idea what she's in for. Young Louise, already stunningly beautiful and sporting her famous black bob with blunt bangs, is known for her arrogance and her lack of respect for convention. Ultimately, the five weeks they spend together will transform their lives forever. For Cora, the city holds the promise of discovery that might answer the question at the core of her being, and even as she does her best to watch over Louise in this strange and bustling place, she embarks on a mission of her own. And while what she finds isn't what she anticipated, she is liberated in a way she could not have imagined. Over the course of Cora's relationship with Louise, her eyes are opened to the promise of the twentieth century and a new understanding of the possibilities for being fully alive. Drawing on the rich history of the 1920s, 30s, and beyond, from the orphan trains to Prohibition flappers and the onset of the Great Depression to the burgeoning movement for equal rights and new opportunities for women, Laura Moriarty's *The Chaperone* illustrates how rapidly everything from fashion and hemlines to values and attitudes was changing at this time and what a vast difference it all made for Louise Brooks, Cora Carlisle, and others like them.

[The Hidden History of Burma: Race, Capitalism, and the Crisis of Democracy in the 21st Century](#)
Thant Myint-U, 2019-11-12

How did one of the world's buzzy hotspots, Fodor's 2013, become one of the top ten places to avoid, Fodor's 2018? Precariously positioned between China and India, Burma's population has suffered dictatorship, natural disaster, and the dark legacies of colonial rule. But when decades of military dictatorship finally ended and internationally beloved Nobel laureate Aung San Suu Kyi emerged from long years of house arrest, hopes soared. World leaders such as Barack Obama ushered in waves of international support. Progress seemed inevitable. As historian, former diplomat, and presidential advisor,

Thant Myint U saw the cracks forming In this insider s diagnosis of a country at a breaking point he dissects how a singularly predatory economic system fast rising inequality disintegrating state institutions the impact of new social media the rise of China next door climate change and deep seated feelings around race religion and national identity all came together to challenge the incipient democracy Interracial violence soared and a horrific exodus of hundreds of thousands of Rohingya refugees fixed international attention Myint U explains how and why this happened and details an unsettling prognosis for the future Burma is today a fragile stage for nearly all the world s problems Are democracy and an economy that genuinely serves all its people possible in Burma In clear and urgent prose Myint U explores this question a concern not just for the Burmese but for the rest of the world warning of the possible collapse of this nation of 55 million while suggesting a fresh agenda for change

Ali Baba and The Forty Thieves: Reloaded Poulomi Mukherjee,2011-10-04 Ali Baba s life was far from fantastic A small house in the poorest part of Mumbai a loving son and his own autorickshaw that was his world Till one day he accidentally stumbles upon the secret stash of a gang of forty thieves What follows is a storm that changes his life completely One little dip into the pile and Ali Baba brings on more trouble than he had bargained for as he finds that the robbers aren t ones to take things lightly They are dangerous armed and cunning And while Ali Baba himself isn t a greedy man the secret doesn t stay with him This thrilling graphic novel recreates the classic tale of Ali Baba and the Forty Thieves from the Arabian Nights in contemporary times

Ruts & Gullies Philippe Girard,2010 With both adventure and introspection Philippe Girard has turned a trip to a comic festival in Russia with his friend and publisher Jimmy Beaulieu into an inner journey Throughout the book Girard is haunted by the spectre of his deceased friend Guillaume who tries to remind him that he should really get those varicose veins fixed and that it s about time to let go and move on The genial Girard plays the tourist and the professional equally well as the reader is taken on a nine day journey through the sites sounds and culture of St Petersburg with glimpses into the architecture bars and real people of the city not to mention a first hand account of what it s like to lose your passport in Russia As Girard and Beaulieu are led around by their generous Russian hosts they are innocently asked Why do you speak French Aren t you guys supposed to be Canadians Comparable to Guy Delisle s travel journey graphic novels such as *Pyongyang* and *Burma Chronicles*

A History of Modern Burma Michael W. Charney,2009-01-22 Burma has lived under military rule for nearly half a century The results of its 1990 elections were never recognized by the ruling junta and Aung San Suu Kyi leader of Burma s pro democracy movement was denied her victory She has been under house arrest ever since Now an economic satellite and political dependent of the People s Republic of China Burma is at a crossroads Will it become another North Korea will it succumb to China s political embrace or will the people prevail Michael Charney s book the first general history of modern Burma in over five decades traces the highs and lows of Burma s history from its colonial past to the devastation of Cyclone Nargis in 2008 By exploring key themes such as the political division between lowland and highland Burma and monastic opposition to state control the author explains the

Burma Chronicles Guy Delisle Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Burma Chronicles Guy Delisle PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Burma Chronicles Guy Delisle PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Burma Chronicles Guy Delisle free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Burma Chronicles Guy Delisle Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
