Kurkov, 2016-11-17 A bittersweet work tough and touching at the same time Kurkov s style is spare and effective drawing us with deceptive ease into a dense complex world full of wonderful characters Michael Palin A sharp engaging satire that delves into Ukraine s history Moscow 2013 Bunin the Ukrainian President has joined other heads of state in an open air swimming pool to drink vodka and celebrate with Putin During his rise to power Bunin has juggled with formidable and eccentric political and personal challenges His troubles with his family and his women combine with his difficulties with corrupt businessmen and demanding international allies but it is his recent heart transplant that worries him most Since the operation he has started to develop freckles and his heart donor s mysterious widow seems to have moved in with him Spanning forty years *The President's Last Love* is a hilarious satire on love lies and life before and after the Iron Curtain

*The Gardener from Ochakov* Andrey Kurkov, 2013-08-01 An understated fantasy with an unlikely but likeable hero The

Times When Igor accidentally travels back to 1957 Kyiv he finds out that the past isn't as rosy as it seems. In fact it's positively dangerous. Igor is confident his old Soviet policeman's uniform will be the best costume at the party. But he hasn't gone far before he realises something is wrong. The streets are unusually dark and empty and the only person to emerge from the shadows runs away from him in terror. After a perplexing conversation with the terrified man who turns out to be a wine smuggler and on recovering from the resulting hangover Igor comes to an unbelievable conclusion he has found his way back to 1957 Kyiv. And it isn't the innocent era his mother and her friends have so sentimentally described. As he travels between centuries his life becomes more and more complicated. The unusual gardener who lives in his mother's shed keeps disappearing, his best friend has blackmailed the wrong people and Igor has fallen in love with a married woman in a time before he was born. With his mother's disapproval at his absences growing and his adventures in each time frame starting to catch up with him Igor has to survive the past if he wants any kind of future.

The Bickford Fuse Andrey Kurkov, 2016-05-05. Catch 22 meets The Brothers Karamazov in the last great satire of the Soviet Era. The Great Patriotic War is stumbling to a close but a new darkness has fallen over Soviet Russia. And for a disparate disconnected clutch of wanderers many thousands of miles apart but linked by a common goal four parallel journeys are just beginning. Gorych and his driver rolling through water, sand and snow on an empty petrol tank, the occupant of a black airship looking down benevolently as he floats above his Fatherland, young Andrey who leaves his religious community in search of a new life and Kharitonov who trudges from the Sea of Japan to Leningrad carrying a fuse that when lit could blow all and sundry to smithereens. Written in the final years of Communism, *The Bickford Fuse* is a satirical epic of the Soviet soul exploring the origins and dead ends of the Russian mentality from the end of World War Two to the Union's collapse. Blending allegory and fable with real events and as deliriously absurd as anything Kurkov has written, it is both an elegy for lost years and a song of hope for a future not yet set in stone. Translated from the Russian by Boris Dralyuk.

**The Good Angel of Death** Andrey Kurkov, 2010. When Kolya moves into a new flat in Kiev he finds a book hidden within a volume of War and Peace. Intrigued by the annotations that appear on every page, Kolya sets out to discover more about the scribbler. His investigations take him to a graveyard and more specifically to the coffin of a Ukrainian nationalist who died in mysterious circumstances and was buried with a sealed letter and a manuscript. An exhumation under cover of darkness reveals that an item of great national importance is buried near a fort in Kazakhstan. As nightwatchman at a baby milk factory, Kolya exposes himself to the attentions of a criminal gang and so he decides to leave Kiev for a while. Armed with only three cases of baby milk which have unexpected hallucinogenic properties, he sets off on what turns out to be a very bizarre journey crossing the Caspian Sea and traversing the deserts of Kazakhstan. He meets a host of unlikely characters on the way, including Bedouins, ex-KGB officers and a spirit-like companion in the form of a chameleon. Provided by publisher.
