*Noble Drew Ali Plenipotentiaries Feb 28 2023 Grand Sheik of M.S.T. of A. Toronto, Brother Kudjo Adwo El examines the history of the Moorish movement in the Americas and the many offshoot organizations resulting from those taking advantage of the "schism" that occurred shortly after the transition of our Prophet, Noble Drew Ali. G.S. Kudjo also expounds on the contributions of those seeking to maintain the movement as the Prophet left it. CalifaMedia.com*

*Black Crescent Aug 13 2021 Beginning with Latin America in the fifteenth century, this book, first published in 2005, is a social history of the experiences of African Muslims and their descendants throughout the Americas, including the Caribbean. The record under slavery is examined, as is the post-slavery period into the twentieth century. The experiences vary, arguably due to some extent to the Old World context. Muslim revolts in Brazil are also discussed, especially in 1835, by way of a nuanced analysis. The second part of the book looks at the emergence of Islam among the African-descended in the United States in the twentieth century, with successive chapters on Noble Drew Ali, Elijah Muhammad, and Malcolm X, with a view to explaining how orthodoxy arose from varied unorthodox roots.*

*NOBLE DREW ALI & THE MOORISH SCIENCE TEMPLE OF AMERICA. THE MOVEMENT THAT STARTED IT ALL May 14 2024 This book will take the reader on a journey to the early 1900's when the first man, Prophet Noble Drew Ali, did bring to the so called Negro, black, and colored, the first light of our lost knowledge of the east and founded the first Islamic organization in the United States. He would reveal to us our true identity of the Moabites whom are the Heralded Moors and he would teach us that we are not Negroes, Black Folks or Colored people because these names allude to slavery as they still do today. This is the first time in history that a book was dedicated to giving a public accounting of the history of Noble Drew Ali and the Moorish Science Temple of America insofar as the origins, the efflorescence, and the schism of the movement and the state of the Moorish nation today.*

*The Princess and the Prophet Aug 05 2023 The just-discovered story of how two enigmatic circus performers and the cultural ferment of the Gilded Age sparked the Black Muslim movement in America Delving into new archives and uncovering fascinating biographical narratives, secret rituals, and hidden identities, historian Jacob Dorman explains why thousands of Americans were enthralled by the Islamic Orient, and why some came to see Islam as a global antiracist movement uniquely suited to people of African descent in an era of European imperialism, Jim Crow segregation, and officially sanctioned racism. The Princess and the Prophet tells the story of the Black Broadway performer who, among the world of Arabian acrobats and equestrians, Muslim fakirs, and Wild West shows, discovered in Islam a greater measure of freedom and dignity, and a rebuttal to the racism and parochialism of white America.*

*Overturing the received wisdom that the prophet was born on the East Coast, Dorman has discovered that Noble Drew Ali was born Walter Brister in Kentucky. With the help of his wife, a former lion tamer and "Hindoo" magician herself, Brister renamed himself Prophet Noble Drew Ali and founded the predecessor of the Nation of Islam, the Moorish Science Temple of America, in the 1920s. With an array of profitable businesses, the "Moors" built a nationwide following of thousands of dues-paying members, swung Chicago elections, and embedded themselves in Chicago's dominant Republican political machine at the height of Prohibition racketeering, only to see their sect descend into infighting in 1929 that likely claimed the prophet's life. This fascinating untold story reveals that cultures grow as much from imagination as inheritance, and that breaking down the artificial silos around various racial and religious cultures helps to understand not only America's hidden past but also its polycultural present.*

*Official Proclamation of Real Moorish American Nationality Apr 01 2023*  
*In 1928, Noble Drew Ali attended the Pan-American Conference in Havana, Cuba. At said conference, our Prophet received from the nations of America the mandate recognizing the Moors' claim to the Americas, and simultaneously, the expiration of the European mandate to occupy Moorish lands in the Western Hemisphere. The issuance and invocation of this Official Proclamation of Real Moorish American Nationality serves as constructive notice to the nations of the world: The Moors are back. Precursor to the series Applied Solutions for Moorish Nationals. *Moorish Circle 7 Sep 13 2021 This book is based on the theory that the black Muslim movement was created from the knowledge of the Masonic order. In the early decades of the 20th century, noble drew ali established a political and religious organization known today as the Moorish Science Temple of America. It was this organization that exposed black to something other than the normal Christian influences of that day. Ali a high degree freemason, incorporated various Masonic teachings from an auxiliary group. Known as the AEAONMS ancient Egyptian Arabic order of noble of the mystic shrine A pseudo Islamic/Arabic oriental organization that served as a wake up call to a*

lost knowledge. A knowledge that was taken away from Africans during the slave trades. The theory behind this book is that the majority of the slaves that were taken from the west coast of Africa were practicing Muslims, and these Muslims were forced to convert to Christianity under the strong oppression of slavery. At one time Afro-Americans were the biggest minority in the American society. About 90% of the today's population of blacks are descendants of slaves that were brought to America for working on plantations since the 16th century. At the beginning of the 19th century most of the so-called Negroes lived in the plantation areas of the Southern States. After the Civil War and the abolition of slavery it wasn't until the early 1920s and 30s that blacks were beginning to experiment with other faiths. Of all the faiths Islam became the fastest growing religion and the most popular. This book by far is in no way a research into black history, instead it covers a more deeper aspect of history in which I call the history behind the history. It explores the true Asiatic origins of the ancient religions of Hinduism, Buddhism well as the Islamic faith. Finally It explores the Masonic symbolisms of alis Moorish science dogma digging deeper into the esoteric side of his Aquarian/Masonic teaching explaining their origins and discovering an age old wisdom that had been kept hidden from the human eye. One would think that Africans in the Americas would have rejected the religious tradition of their European oppressors taking into consideration that African religions are far older & they possess more sources of knowledge & spiritual salvation. Yet there are those who have turned away from traditional Christian dominated environments in order to find a greater understanding of themselves and the world in which they live. One alternative has been to seek knowledge in the various religious groups that arose in the 20th century.

Official Proclamation of Real Moorish American Nationality Oct 15 2021  
The issuance and invocation of this Official Proclamation of Real Moorish American Nationality serves as constructive notice to the nations of the world: The Moors are back, and the Judgment of the Nations of the Earth is upon us. Official Proclamation of Real Moorish American Nationality Apr 20 2022  
In 1928, El Hajj Sharif Abdul Ali, known to the world as Noble Drew Ali,

*attended the Pan-American Conference in Havana, Cuba. At said conference, also attended by the not-invited Secretary of State for the UNITED STATES OF AMERICA, our Prophet received from the nations of America the mandate recognizing the Moor's claim to the Americas, and simultaneously, the expiration of the European mandate to occupy Moorish lands in the Western Hemisphere. The issuance and invocation of this Official Proclamation of Real Moorish American Nationality serves as constructive notice to the nations of the world: The Moors are back, and the Judgment of the Nations of the Earth is upon us. 100% of proceeds from sale of this title go toward promotion of Moorish American political issues in the US and abroad.*

*Heroes of Al-Islaam (Islam) in America Book 1: Understanding the works and mission of Noble Drew Ali (Sharif Abdul Ali) Sep 25 2022 This pamphlet or booklet is a humble attempt by the author to shine the light of Al-Islaam, the Holy Qur'an and the language of Imaam W. Deen Mohammed on the teachings and lessons of one Noble Drew Ali. It is my sincere belief that the Holy Scriptures are interconnected and that the Holy Qur'an is the last chapter and the key to understanding all scriptures. I use the spelling Imaam for Imam, Islaam for Islam because I believe it gives the novice a better sense of how the words should be pronounced. In this booklet I use the name Sharif Abdul Ali for Noble Drew Ali in many instances*

*Hold Me Up Jan 30 2023 Drawing upon his teachings over the past 13 years and following up on his previous six titles, Grand Sheik Kudjo Adwo El goes in on the importance of keeping the instructions of the Noble Prophet Drew Ali in the forefront of this Divine and National Movement. The Grand Sheik expands on the metaphysics behind the tools left to us by our Prophet for our Earthly salvation. Topics covered include the science behind the turban, the national flag, the By-Laws and constitution, and more.*

*Noble Drew Ali Plenipotentiaries Jun 22 2022 Grand Sheik of M.S.T. of A. Toronto, Brother Kudjo Adwo El examines the history of the Moorish movement in the Americas and the many offshoot organizations resulting from those taking advantage of the "schism" that occurred shortly after the transition of our Prophet, Noble Drew Ali. *The Biography of Noble Drew Ali Mar 12 2024*

*Prophet Noble Drew Ali Jul 04 2023 Prophet Noble Drew Ali: Saviour of Humanity is the first book about the life of Noble Drew Ali written from an insider of the Moorish movement, providing documentation not yet seen by the public eye. This is arguably the greatest and most comprehensive work on the founder of the Moorish movement in America. The author meticulously and responsibly immerses the reader into the life and labor of the Moorish American Prophet, giving an accurate, detailed, and intimate view of the scope and breadth of his work. The book is a treasure for Moorish Americans and researchers alike.*

*Is Elijah Muhammad the Offspring of Noble Drew Ali and Marcus Garvey Oct 27 2022 This book examines the claim of Elijah Muhammad's roots. It has been said that success is an orphan with many fathers. The history, work and success of Elijah Muhammad is a classic example. Although during the great migration of blacks from the south to the north, many attempts were made to address their plight in the inner cities, the true solution went unaddressed until Master Fard Muhammad (God in person) came and raised up, then taught Elijah Muhammad how to raise the mentally dead so-called Negroes of America. The book lays out interesting arguments which enables the reader to see the clear evidence. The Fruit never falls far from the tree from whence it came.*

*The Holy Koran of The Moorish Science Temple of America May 02 2023*

*The Aliites Feb 11 2024 "Citizenship is salvation," preached Noble Drew Ali, leader of the Moorish Science Temple of America in the early twentieth century. Ali's message was an aspirational call for black Americans to undertake a struggle for recognition from the state, one that would both ensure protection for all Americans through rights*

*guaranteed by the law and correct the unjust implementation of law that prevailed in the racially segregated United States. Ali and his followers took on this mission of citizenship as a religious calling, working to carve out a place for themselves in American democracy and to bring about a society that lived up to what they considered the sacred purpose of the law. In *The Aliites*, Spencer Dew traces the history and impact of Ali's radical fusion of law and faith. Dew uncovers the influence of Ali's teachings, including the many movements they inspired. As Dew shows, Ali's teachings demonstrate an implicit yet critical component of the American approach to law: that it should express our highest ideals for society, even if it is rarely perfect in practice. Examining this robustly creative yet largely overlooked lineage of African American religious thought, Dew provides a window onto religion, race, citizenship, and law in America.*

*The Awakened Warrior Aug 25 2022*

*Islam in Black America Jul 12 2021 Many of the most prominent figures in African-American Islam have been dismissed as Muslim heretics and cultists. Focusing on the works of five of these notable figures—Edward W. Blyden, Noble Drew Ali, Elijah Muhammad, Malcolm X, and Wallace D. Muhammad—author Edward E. Curtis IV examines the origin and development of modern African-American Islamic thought. Curtis notes that intellectual tensions in African-American Islam parallel those of Islam throughout its history—most notably, whether Islam is a religion for a particular group of people or whether it is a religion for all people.*

*In the African-American context, such tensions reflect the struggle for black liberation and the continuing reconstruction of black identity. Ultimately, Curtis argues, the interplay of particular and universal interpretations of the faith can allow African-American Islam a vision that embraces both a specific group of people and all people.*

*The BLUEPRINT: Moorish Musings on Noble Drew Ali's Divine Plan of the Age Nov 15 2021 This work is a collection of writings on the actual secular and spiritual teachings of the founder of the Moorish Movement in North America, Noble Drew Ali, throwing a responsible light on the true intent and direction of the movement and its founder. This book reveals, for the first time in public in over 80 years, Noble Drew Ali's civic/political agenda; the singular mechanism he used to achieve his meteoric rise to international prominence in only three years. It is an essential, no-nonsense collection of Moorish American gems that portray the movement, as originally intended; in an insightful, intelligent way.*
