Broadside ballads-folio-sized publications containing verse, a tune indication, and woodcut imagery-related cautionary tales,

current events, and simplified myth and history to a wide range of social classes across seventeenth century England. Ballads straddled, and destabilized, the categories of public and private performance spaces, the material and the ephemeral, music and text, and oral and written traditions. Sung by balladmongers in the streets and referenced in theatrical works, they were also pasted to the walls of local taverns and domestic spaces. They titillated and entertained, but also educated audiences on morality and gender hierarchies. Although contemporaneous writers published volumes on the early modern controversy over women and the English witch craze, broadside ballads were perhaps more instrumental in disseminating information about dangerous women and their acoustic qualities. Recent scholarship has explored the representations of witchcraft and malfeasance in English street literature; until now, however, the role of music and embodied performance in communicating female transgression has yet to be investigated. Sarah Williams carefully considers the broadside ballad as a dynamic performative work situated in a unique cultural context. Employing techniques drawn from musical analysis, gender studies, performance studies, and the histories of print and theater, she contends that broadside ballads and their music made connections between various degrees of female crime, the supernatural, and cautionary tales for and about women.

Dynasties battle for the crown in Tessa Gratton's debut adult epic fantasy, *The Queens of Innis Lear*. Three Queens. One crown. All out war. Gaela. Ruthless Commander. I am the rightful heir of Innis Lear. No more will I wait in the shadows and watch my mother's murderer bleed my island dry. The King's hold on the crown must end—willingly or at the edge of my sword.

Regan. Master Manipulator. To secure my place on the throne, I must produce an heir. Countless times I have fed the island's forests my blood. Yet, my ambition is cursed. No matter what or whom I must destroy, I will wield the magic of Innis Lear. Elia. Star-blessed Priest. My sisters hide in the shadows like serpents, waiting to strike our ailing king. I must protect my father, even if it means marrying a stranger. We all have to make sacrifices. Love and freedom will be mine. "Amazing. Just Amazing."--Robin McKinley

In a world where people believe the crimson sun is a dead witch's head and the witch hunter who killed her stalks the night sky, a witch who ventures outside of Haven risks losing her life. Tessa is one such witch. Like many of her kind, she hopes to help the people of Leera, not harm them, and she's on her first mission to heal an ailing man named Jeremiah. But when she crosses paths with a witch hunter, instead of avoiding him like she knows she should, she succumbs to her desires and ends up in his bed. The local Enforcers believe a witch is behind Jeremiah's sickness, so they call Bastian to town. He's a young witch hunter who normally has a knack for sniffing out witches. But when he runs into the striking Tessa, she scrambles his senses. He's inexplicably drawn to her and abandons his usually cautious nature. As Tessa and Bastian uncover clues about Jeremiah's illness, Tessa has to face the possibility that another witch may have had a hand in the incident. And if Bastian learns she's a witch, he may point his finger at her. Then her head will surely roll. an ultra-private witch camp--now in paperback! Hasani's post-seventh-grade summer to-do list is pretty simple: get a bigger following for her makeup YouTube channel and figure out how to get her parents back together. What she does NOT expect is that an emotional outburst will spark a latent magical ability in her. Or that the magic will be strong enough to attract the attention of witches. Or that before she can say #BlackGirlMagic, she'll be shipped off on a scholarship to a fancy finishing school for talented young ladies. Les Belles Demoiselles is a literal charm school. Here, generations of young ladies from old-money witch families have learned to harness their magic, and alumnae grow to become some of the most powerful women across industries, including politicians, philanthropists, CEOs, entrepreneurs--and yes, even social media influencers. Needless to say, admission to the school is highly coveted, very exclusive . . . and Hasani sticks out like a weed in a rose bouquet. While the other girls have always known they were destined to be witches, Hasani is a Wildseed--a stray witch from a family of non-witches, with no background knowledge, no way to control her magic, and a lot to catch up on. "Wildseed" may be an insult that the other girls throw at her, but Wildseeds are more powerful than they know. And Hasani will learn that there are ways to use magic and thrive that can never be taught in a classroom. As the seventh daughter of a seventh daughter—and a member of Ipswitch's Royal family—Xandra Morgan should be a witch of incredible power. But things don't always turn out like you expect... While she hasn't lived up to her family's expectations, Xandra has come to terms with her latent magic and made a life for herself in Austin, Texas, running a coffee shop where she makes potions of a non-magical nature. While things aren't

perfect, Xandra is happy—until she runs into powerful warlock Declan Chumomisto. Xandra hasn't seen Declan in years, and though she's still overwhelmed by his power, she doesn't trust him. And when her own powers awaken one night and lead her to the body of a woman in the woods bearing the symbol of Isis—the same one that has marked Xandra since the day she met Declan—she's filled with a terrible suspicion, soon confirmed: the woman is connected to him. Xandra doesn't want to believe that Declan is capable of murder, but as the body count mounts, and Xandra's own powers spiral out of control, she's not sure she can trust her own instincts... Shadow Witch Midnight Spells Charmed Nights Magical Mojo Practical Hexes Wicked Ways Witching Whispers For fans of Shannon Hale and Gail Carson Levine, comes an enchanting fairy tale retelling of the Japanese Cinderella, set in the magical world of Eva Evergreen, *Semi-Magical Witch*. Once upon a time, Alliana believed in dreams and fairy tales as sweet as spun-sugar clouds. Alliana wished on shooting stars, sure that someday she and her grandmother would be able to travel to the capital city to see the queen. Then her grandmother passed away—and those dreams disappeared in a disenchanting puff. Now Alliana's forced to attend to the whims of her wicked stepmother—with long days of cleaning her stepfamily's inn as her skin burns raw or staying up until the crack of dawn to embroider her stepsister's ball gowns. Until she meets two beings who change her life forever—the first is a young nightdragon who Alliana discovers she can magically talk to. And the second is Nela, a young witch. Nela needs Alliana's help navigating the mysterious abyss, filled with dangerous beasts, a place Alliana knows by heart. Alliana sees Nela's request as a chance to break free of her stepmother's shadow and to seize a chance at a life she's barely dared to hope for—but there's a risk. If caught, Alliana will be stuck working for her stepmother for the rest of her life. Can Alliana truly make wisps of dreams into her own, better-than-a-fairy-tale happily ever after? Inspired by the Japanese Cinderella story and set in the same world as the Eva Evergreen series, this story can be read as a standalone.

A young witch must pass a coming-of-age quest or risk losing her magic forever in this enchanting fantasy -- perfect for fans of *Kiki's Delivery Service* and *Aru Shah and the End of Time*. Sometimes all you need is a pinch of magic... Eva Evergreen is determined to earn the rank of Novice Witch before her thirteenth birthday. If she doesn't, she'll lose her magic forever. For most young witches and wizards, it's a simple enough test: One: Help your town, do good all around. Two: Live there for one moon, don't leave too soon. Three: Fly home by broomstick, the easiest of tricks. The only problem? Eva only has a pinch of magic. She summons heads of cabbage instead of flowers and gets a sunburn instead of calling down rain. And to add insult to injury, whenever she overuses her magic, she falls asleep. When she lands in the tranquil coastal town of Auteri, the residents expect a powerful witch, not a semi-magical girl. So Eva comes up with a plan: set up a magical repair shop to aid Auteri and prove she's worthy. She may have more blood than magic, but her "semi-magical fixes" repair the

lives of the townspeople in ways they never could have imagined. Only, Eva's bit of magic may not be enough when the biggest magical storm in history threatens the town she's grown to love. Eva must conjure up all of the magic, bravery, and cleverness she can muster or Auteri and her dreams of becoming a witch will wash away with the storm. correlated to the standards of the National Council of Teachers
of Mathematics. Each of the easy-to-read stories is followed by
three increasingly difficult groups of problem sets. This makes it
simple for teachers to select the appropriate problem set for
students of different abilities and at different grade levels. To
further enhance student involvement, the stories feature
recurring characters and can be used either sequentially or out
of order. The problems in the book cover many basic math
topics, including decimals, fractions, and percents;
measurement; geometry; data, statistics, and probability;
algebra; and problem solving. In addition to having all the
answers, an Answer Key at the end of the book offers
explanations and background information about the problems
that can be helpful to both teachers and students. Math Stories
for Problem Solving Success will help you show students that
math is something they are already using every day. "The best

fun-filled and swoony road trip romance with a magical twist!"

—Axie Oh, author of *XOXO* and *The Girl Who Fell Beneath the Sea* Sometimes you need a little magic to fall in love. Ellie Kobata has spent most of high school on the sidelines, keeping her art Instagram private and shying away from the world. She can't even tell her only friend, Lia, who she really is: Ellie is part of a secret magical community, and no one outside of it can know it exists. The only person Ellie could fully relate to was Jack Yasuda – her childhood friend who mysteriously started to snub her a few years ago. But before senior year, Ellie is ready to take some risks and have a life-changing summer, starting with her Anti-Wallflower List – thirteen items she's going to check off one by one. With this list, she hopes to finally come out of her shell; even though she can't share her full self with the world. But when number four on Ellie's list goes horribly wrong—revenge on Jack Yasuda—she's certain her summer is cursed. Instead of spending her summer with Lia, Ellie finds herself stuck in a car with Jack driving to a magical convention. But as Ellie and Jack travel down the coast of California, number thirteen on her list—fall in love—may be happening without her realizing it. In *The Charmed List*, Julie Abe sweeps readers away to a secret magical world, complete with cupcakes and tea with added sparks of joy, and an enchanted cottage where you can dance under the stars. "Steeped in Gothic eeriness."--Nicola Cornick, USA Today bestselling author *In Salem, they burned. Now, they will rise. New Oldbury, 1821* The house holds its breath, trying to outlast me... Something has awakened in Willow Hall. Eighteen-year-old Lydia Montrose can feel it. But she has no idea what it is. Rocked by rumor and scandal, Lydia, her parents, and her sisters, Catherine and Emeline, fled their sparkling life in Boston for the sleepy country estate. But bone-chilling noises in the night

have Lydia convinced their idyllic new home wasn't exactly vacant when they arrived. The Salem witch trials cast a long shadow over the Montrose family as the cloying heat of summer in Massachusetts mingles with something sinister in the air. The sprawling history of Willow Hall is no stranger to secrets, and its dark past soon calls to Lydia, igniting ancient magic she never knew she possessed. But with menacing forces unwilling to rest, threatening to tear her family apart, Lydia must learn to harness her newly discovered power or risk losing everyone she holds dear. Don't miss Hester Fox's next novel, *THE BOOK OF THORNS*, where two sisters who never knew the other existed meet on opposite sides during the Napoleonic Wars and must use the magic of flowers to solve the mystery of their mother's death—while surviving the war raging around them... Look for these other gothic mysteries from Hester Fox: *The Last Heir to Blackwood Library* *The Widow of Pale Harbor* *The Orphan of Cemetery Hill* *A Lullaby for Witches* Many bibliographers focus on women who write. Lawyer Barnett looks at women who detect, at women as sleuths and at the evolving roles of women in professions and in society. Excellent for all women's studies programs as well as for the mystery hound. Enter a hidden world where magic is real and danger lurks around every corner. When Henry Stone discovers he's a witch on his 21st birthday, and someone murders his parents, he's plunged into a shadow realm of supernatural crime, ancient rivalries and deadly power games. To survive, Henry must join the mysterious Covert Executioners Network (COVEN), a secret society of magical assassins sworn to protect the innocent. Barely in control of his devastating magical abilities, Henry struggles to prove himself at COVEN's academy for fledgling executioners. But his trials are only

beginning. Henry needs to take down the vicious dark witch who killed his family... And he'll stop at nothing to get revenge. Now Henry must master his powers and confront this merciless killer before more innocent blood is spilled.
