**The Children on the Hill** Oct 04 2023 From the New York Times bestselling author of *The Drowning Kind* comes a genre-defying novel, inspired by Mary Shelley's masterpiece *Frankenstein*, that brilliantly explores the eerie mysteries of childhood and the evils perpetrated by the monsters among us. 1978: At her renowned treatment center in picturesque Vermont, the brilliant psychiatrist, Dr. Helen Hildreth, is acclaimed for her compassionate work with the mentally ill. But when she's home with her cherished grandchildren, Vi and Eric, she's just Gran—teaching them how to take care of their pets, preparing them home-cooked meals, providing them with care and attention and love. Then one day Gran brings home a child to stay with the family. Iris—silent, hollow-eyed, skittish, and feral—does not behave like a normal girl. Still, Violet is thrilled to have a new playmate. She and Eric invite Iris to join their Monster Club, where they dream up ways to defeat all manner of monsters. Before long, Iris begins to come out of her shell. She and Vi and Eric do everything together: ride their bicycles, go to the drive-in, meet at their clubhouse in secret to hunt monsters. Because, as Vi explains, monsters are everywhere. 2019: Lizzy Shelley, the host of the popular podcast *Monsters Among Us*, is traveling to Vermont, where a young girl has been abducted, and a

monster sighting has the town in an uproar. She's determined to hunt it down, because Lizzy knows better than anyone that monsters are real—and one of them is her very own sister. Henry Hill's business partner, Jimmy Burke, has whacked every person who could possibly implicate him in the infamous Lufthansa robbery at JFK airport. On his way to prison, lifelong gangster Henry is given two options: sleep with the fishes, or enter the FBI's Witness Protection Program. Unfortunately for his children Gregg and Gina, they're dragged along for the ride. Like nomads, they're forced to wander from state to state, constantly inventing new names and finding new friends, only to abandon them at a moment's notice. They live under constant fear of being found and killed. But Henry, the rock Gregg and Gina so desperately need, is a heavy cocaine user and knows only the criminal life. He is soon up to his old tricks and consistently putting their identities in jeopardy. And so it continues until the kids, now almost grown, can no longer ignore that the Mob might be less of a threat to them than remaining under the roof of their increasingly unbalanced father.

**Would You Do That to Your Mother?** Aug 22 2022 Customer experience pioneer Jeanne Bliss shows why "Make Mom Proud" companies outperform their competition. Her 5-step guide to customer experience and culture transformation makes this achievement possible. Bliss urges companies to make business personal to earn ardent fans and admirers, by focusing on one deceptively simple question: "Would you do that to your mother?" "Make Mom Proud" companies give customers the treatment they desire, and employees the ability to deliver it. They turn "gotcha" moments into "we've got your back" moments by rethinking business practices, and they enable employees to be part of the solution to fix customer frustrations. Bliss scoured the marketplace seeking companies who excel at living their core values, grounded in what we all learned as kids. She offers a five-step plan for evaluating your current behaviors and implementing actions at every level of the organization. Step 1. "Be the Person I Raised You to Be" Understand how you are hiring, developing and trusting employees to bring the best version of themselves to work. Vail resorts, for example, the world's largest ski resort operator, banned the three words "Our policy is..." from their vocabulary, freeing employees to take spirited actions to deliver "the experience of a lifetime." Step 2. "Don't Make Me Feed You Soap" Learn the eight key frustrations that bind us as customers (waiting, fear, anxiety, the black hole of no communication, etc.) and how to apply actions from companies who are delivering a seamless, frictionless and easy experience. Step 3. "Put Others Before Yourself" Determine if your focus is on helping customers achieve their goals - and evaluate how that is fueling your growth. Canada's Mayfair Diagnostics, for example, spent over a year studying the emotions of patients entering an imaging clinic, so they could redesign their welcome to deliver warmth and caring over procedure and process. The newly designed clinic achieved profitability in record time. Step 4. "Take the High Road" Learn how companies who do the right thing rise above the competition. Virgin Hotels, for example, named #1 U.S. hotel by Conde Nast Reader's Choice Awards, walked away from price gouging at the mini bar, so you'll never pay more for that Snickers bar than what you'd pay at the corner market. Step 5. "Stop the Shenanigans!" Evaluate your current company behaviors and identify the key actions that you can begin immediately. With 32 case studies and examples from more than 85 companies, this is a practical and easy to follow guide for your experience and culture transformation.

Filled with comics to snapshot our experiences as customers, a "mom lens" to reflect continuously on your performance, and a "make-mom-proud-ometer" quiz - the book makes Bliss's approach accessible and approachable. Join the movement to #MakeMomProud by applying this book across your organization. Whether you're contemplating your company's returns policy, its social media presence, or its big-picture strategy, this approach will help your company anticipate both employee and customer needs, extend patience, and show respect at all times. The House on the Hill Mar 05 2021 Children explore the house on the hill, where nobody ever comes or goes. The Magic Hill Sep 22 2022 Princess Daffodil's fairy godmother's wish for her is that flowers should grow wherever she goes.
