**Modern Man in Search of a Soul** Aug 28 2023  
Modern Man in Search of a Soul is the perfect introduction to the theories and concepts of one of the most original and influential religious thinkers of the twentieth century. Lively and

insightful, it covers all of his most significant themes, including man's need for a God and the mechanics of dream analysis. One of his most famous books, it perfectly captures the feelings of confusion that many sense today. Generation X might be a recent concept, but Jung spotted its forerunner over half a century ago. For anyone seeking meaning in today's world, *Modern Man in Search of a Soul* is a must.

*Calling the Soul Back* Jun 25 2023 Spirituality has consistently been present in the political and cultural counternarratives of Chicana literature. *Calling the Soul Back* focuses on the embodied aspects of a spirituality integrating body, mind, and soul. Centering the relationship between embodiment and literary narrative, Christina Garcia Lopez shows narrative as healing work through which writers and readers ritually call back the soul—one's unique immaterial essence—into union with the body, counteracting the wounding fragmentation that emerged out of colonization and imperialism.

These readings feature both underanalyzed and more popular works by pivotal writers such as Gloria Anzaldúa, Sandra Cisneros, and Rudolfo Anaya, in addition to works by less commonly acknowledged authors. *Calling the Soul Back* explores the spiritual and ancestral knowledge offered in narratives of bodies in trauma, bodies engaged in ritual, grieving bodies, bodies immersed in and becoming part of nature, and dreaming bodies. Reading across narrative nonfiction, performative monologue, short fiction, fables, illustrated children's books, and a novel, Garcia Lopez asks how these narratives draw on the embodied intersections of ways of knowing and being to shift readers' consciousness regarding relationships to space, time, and natural environments. Using an interdisciplinary approach, *Calling the Soul Back* draws on literary and Chicana studies scholars as well as those in religious studies, feminist studies, sociology, environmental studies, philosophy, and Indigenous studies, to reveal

narrative's healing potential to bring the soul into balance with the body and mind.

**A Cultural History of the Soul** Dec 08 2021

The soul, which dominated many intellectual debates at the beginning of the twentieth century, has virtually disappeared from the sciences and the humanities. Yet it is everywhere in popular culture—from holistic therapies and new spiritual practices to literature and film to ecological and political ideologies. Ignored by scholars, it is hiding in plain sight in a plethora of religious, psychological, environmental, and scientific movements. This book uncovers the history of the concept of the soul in twentieth-century Europe and North America. Beginning in fin de siècle Germany, Kocku von Stuckrad examines a fascination spanning philosophy, the sciences, the arts, and the study of religion, as well as occultism and spiritualism, against the backdrop of the emergence of experimental psychology. He then explores how and why the United States

witnessed a flowering of ideas about the soul in popular culture and spirituality in the latter half of the century. Von Stuckrad examines an astonishingly wide range of figures and movements—ranging from Ernest Renan, Martin Buber, and Carl Gustav Jung to the Esalen Institute, deep ecology, and revivals of shamanism, animism, and paganism to Rachel Carson, Ursula K. Le Guin, and the Harry Potter franchise. Revealing how the soul remains central to a culture that is only seemingly secular, this book casts new light on the place of spirituality, religion, and metaphysics in Europe and North America today.

**Country Soul** Oct 06 2021 In the sound of the 1960s and 1970s, nothing symbolized the rift between black and white America better than the seemingly divided genres of country and soul. Yet the music emerged from the same songwriters, musicians, and producers in the recording studios of Memphis and Nashville, Tennessee, and Muscle Shoals, Alabama--what

Charles L. Hughes calls the "country-soul triangle." In legendary studios like Stax and FAME, integrated groups of musicians like Booker T. and the MGs and the Muscle Shoals Rhythm Section produced music that both challenged and reconfirmed racial divisions in the United States. Working with artists from Aretha Franklin to Willie Nelson, these musicians became crucial contributors to the era's popular music and internationally recognized symbols of American racial politics in the turbulent years of civil rights protests, Black Power, and white backlash. Hughes offers a provocative reinterpretation of this key moment in American popular music and challenges the conventional wisdom about the racial politics of southern studios and the music that emerged from them. Drawing on interviews and rarely used archives, Hughes brings to life the daily world of session musicians, producers, and songwriters at the heart of the country and soul scenes. In doing so, he shows how the country-

soul triangle gave birth to new ways of thinking about music, race, labor, and the South in this pivotal period.

*The Worth of a Soul* Jul 27 2023 IT IS NEVER TOO LATE TO REPENT. That is the message Steven A. & Laurel Cramer hope to convey as they relate the heartache and struggles they went through to overcome Steven's addictions and repair their marriage. Through much prayer and many emotional roller coaster rides, they learn the love of the Savior for each of us and the power that He has over sin, if only we will allow Him to do His work within us. Told with love and understanding, this book is perfect for those who are working through their own addictions and their loved ones who are looking for healing. This story is real. The [couple is] real. Their struggles and pain, individually and as a couple, were real. The preservation of their marriage relationship through personal efforts and the Atonement of Jesus Christ were real. This book offers both "hope" and "how to's for

couples suffering as did they. I know because I was there. -Charles B. Beckert, PhD, Marriage and Family Therapist

*The Soul of A New Machine* Aug 16 2022 Tracy Kidder's "riveting" (Washington Post) story of one company's efforts to bring a new microcomputer to market won both the Pulitzer Prize and the National Book Award and has become essential reading for understanding the history of the American tech industry. Computers have changed since 1981, when *The Soul of a New Machine* first examined the culture of the computer revolution. What has not changed is the feverish pace of the high-tech industry, the go-for-broke approach to business that has caused so many computer companies to win big (or go belly up), and the cult of pursuing mind-bending technological innovations. *The Soul of a New Machine* is an essential chapter in the history of the machine that revolutionized the world in the twentieth century.

"Fascinating...A surprisingly gripping account of

people at work." --Wall Street Journal

**Stages of the Soul** May 13 2022 How can you tell if you're actually growing? Sure, when you're working on getting rid of a huge character flaw you can see progress, but do you ever wish you had a roadmap for the spiritual journey for the rest of the time? Do you ever feel spiritually dry—or like something's just not working anymore in your spiritual life? If you find yourself longing for more satisfaction, joy, and intimacy with Christ, this book is for you. *Stages of the Soul* is about making tangible spiritual progress. It's about truly understanding—understanding like you've never understood before—that you are deeply loved. Nancy Kane walks you through five stages of the soul's journey toward embracing God's love. As you learn about each stage you'll be able to: identify where you are in the process of spiritual growth understand the role of pain and suffering in your life experience God's love in the radically deep way you were designed to experience it.

Imagine loving God in a way that fills you up from the moment you wake up to the moment you go to bed. Imagine having Christ's love for the world flow out of your heart without insecurity, anxiety, or selfishness getting in the way. That's what this book is all about: radically deeper love. This book will help you see more clearly how the Lord tenderly guides us to greater wholeness, holiness, and love. But *Stages of the Soul* is not just another book, it will become both your companion and guide as you walk day by day in greater intimacy with Christ. There is nothing more valuable than help in your journey toward spiritual wholeness. Receive that gift today.

**The Soul Hypothesis** Apr 11 2022 >

*The Relentless Pursuit of a Soul* Jan 09 2022

Sitting in the middle of my bed was a pale hairless creature, with skin that looked twisted and mangled, as if it was once on fire. The abnormally long fingers of its hands tapered to fine points at the ends. Instead of legs, its lower

body formed into a snake-like tail that trailed off the end of the bed. It had small, black, beady eyes and a large black mouth with jagged black teeth. It wasn't until it started laughing at me that I truly started to panic. Carl Miller saw a demon, but who would believe him? Who would believe it was anything other than a hallucination brought on by a near-death overdose? The drugs were a lark, a high he never wanted to live without. But that night, the night he almost OD'd, he saw a true reflection of his personal demon. This is a story of, "Hope", a story of, "What if?" What if there is more to addiction than it being some baffling disease that randomly afflicts people? What if there is a spiritual battle taking place all around us, all the time? What if there are forces in *Relentless Pursuit of a Soul*?

**Salt in My Soul** Jan 21 2023 The diaries of a remarkable young woman who was determined to live a meaningful and happy life despite her struggle with cystic fibrosis and a rare

superbug—from age fifteen to her death at the age of twenty-five—the inspiration for the original streaming documentary *Salt in My Soul* “An exquisitely nuanced chronicle of a terrified but hopeful young woman whose life was beginning and ending, all at once.”—Los Angeles Times Diagnosed with cystic fibrosis at the age of three, Mallory Smith grew up to be a determined, talented young woman who inspired others even as she privately raged against her illness. Despite the daily challenges of endless medical treatments and a deep understanding that she’d never lead a normal life, Mallory was determined to “Live Happy,” a mantra she followed until her death. Mallory worked hard to make the most out of the limited time she had, graduating Phi Beta Kappa from Stanford University, becoming a cystic fibrosis advocate well known in the CF community, and embarking on a career as a professional writer. Along the way, she cultivated countless intimate friendships and ultimately found love. For more

than ten years, Mallory recorded her thoughts and observations about struggles and feelings too personal to share during her life, leaving instructions for her mother to publish her work posthumously. She hoped that her writing would offer insight to those living with, or loving someone with, chronic illness. What emerges is a powerful and inspiring portrait of a brave young woman and blossoming writer who did not allow herself to be defined by disease. Her words offer comfort and hope to readers, even as she herself was facing death. *Salt in My Soul* is a beautifully crafted, intimate, and poignant tribute to a short life well lived—and a call for all of us to embrace our own lives as fully as possible.

[The Story of a Soul](#) Mar 23 2023 Saint Thérèse of Lisieux (or Saint Thérèse of the Child) was a French Carmelite nun. She is also known as "The Little Flower of Jesus." She felt an early call to religious life, and overcoming various obstacles, in 1888 at the early age of 15, became a nun and joined two of her older sisters in the cloistered

Carmelite community of Lisieux, Normandy. After nine years as a Carmelite religious, having fulfilled various offices such as sacristan and assistant to the novice mistress, and having spent the last eighteen months in Carmel in a night of faith, she died of tuberculosis at the age of 24. The impact of *The Story of a Soul*, a collection of her autobiographical manuscripts, printed and distributed a year after her death to an initially very limited audience, was great, and she rapidly became one of the most popular saints of the twentieth century.

**Body and Soul** May 01 2021 A product of the "spiritual hothouse" of the Second Great Awakening, Spiritualism became the fastest growing religion in the nation during the 1850s, and one of the principal responses to the widespread perception that American society was descending into atomistic particularity. In *Body and Soul*, Robert Cox shows how Spiritualism sought to transform sympathy into social practice, arguing that each individual,

living and dead, was poised within a nexus of affect, and through the active propagation of these sympathetic bonds, a new and coherent society would emerge. Phenomena such as spontaneous somnambulism and sympathetic communion with the dead—whether through séance or "spirit photography"—were ways of transcending the barriers dissecting the American body politic, including the ultimate barrier, death. Drawing equally upon social, occult, and physiological registers, Spiritualism created a unique "social physiology" in which mind was integrated into body and body into society, leading Spiritualists into earthly social reforms, such as women's rights and anti-slavery. From the beginning, however, Spiritualist political and social expression was far more diverse than has previously been recognized, encompassing distinctive proslavery and antiegalitarian strains, and in the wake of racial and political adjustments following the Civil War, the movement began to fracture. Cox

traces the eventual dissolution of Spiritualism through the contradictions of its various regional and racial factions and through their increasingly circumscribed responses to a changing world. In the end, he concludes, the history of Spiritualism was written in the limits of sympathy, and not its limitless potential.

Professional Learning Communities at Work Jul 03 2021 Provides specific information on how to transform schools into results-oriented professional learning communities, describing the best practices that have been used by schools nationwide.

**Story of a Soul** Nov 18 2022

The Making of a Soul Mar 11 2022 DigiCat Publishing presents to you this special edition of "The Making of a Soul" by Kathlyn Rhodes. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you

Anatomy of the Soul Apr 04 2024 Do you want to improve your relationships and experience lasting personal change? Join Curt Thompson, M.D., on an amazing journey to discover the surprising pathways for transformation hidden inside your own mind. Integrating new findings in neuroscience and attachment with Christian spirituality, Dr. Thompson reveals how it is possible to rewire your mind, altering your brain patterns and literally making you more like the person God intended you to be. Explaining discoveries about the brain in layman's terms, he shows how you can be mentally transformed through spiritual practices, interaction with Scripture, and connections with other people. He also provides practical exercises to help you experience healing in areas where you've been struggling. Insightful and challenging, "Anatomy of the Soul" illustrates how learning about one of

God's most miraculous creations—your brain—can enrich your life, your relationships, and your impact on the world around you.

*Power of the Soul* Sep 04 2021 This fascinating book provides some of the tools to help you to tap in to one of the most powerful forces in the Universe - your soul! Step by step, it will guide you to follow your true soul's path and help you reconnect with your natural spiritual abilities. You'll develop a conscious awareness of the spiritual laws that help mold your life, and the individual soul force that's in each and every one of you. *Power of the Soul* will help dismantle some of the barriers created by your outer-self, to unveil your true inner-self and enable you to break free from some of the psychological restrictions that have prevented you from identifying and realizing your full potential. The material within these pages will help you overcome those feelings of being trapped, constrained, or unfulfilled and show you how to lead a soul-enriched and authentic life that

aligns with your aspirations. Throughout the book, psychic medium John Holland leads you through a number of practical techniques and goal-setting exercises that he's taught in his signature workshops, which will empower you to awaken the power of your spirit and your soul . . . and lead a life of unlimited potential. Within these pages, you'll learn how to: Discover and access your spiritual faculties; Open yourself to a guiding higher-consciousness; Remove psychological and spiritual blocks; Find your true self, as you understand the purpose, nature and function of the soul; Create and control your own path; Use spiritual energy to heal yourself and others; Enhance your body, mind, and soul to live a life of harmony This transformational book is more than just a guide . . . it's a way back to living from the inside out. It will help you (no matter what your walk of life) follow your own spiritual journey. John says, "Once your spiritual gifts are recognized, opened, and used, you'll see yourself and the world in a way you

never thought possible!"

**Journal of a Soul** Apr 23 2023 From the age of fourteen until his death at the age of eighty-two, Pope John XXIII kept what he called his 'Journal of a Soul' - the record of his growth in holiness. Elected Pope at the age of seventy-eight he impressed the world with the breadth of his mind but also with his simplicity and his will to be at the service of others. This book covers the full span of his long career from the seminary at Bergamo to his brief but transformative papacy. His journal is a rare and intimate record of the spiritual life of a much-loved figure. As he wrote, 'my soul is in these pages.'

**Adventures of Faith, Hope, and Charity** Dec 20 2022 Eight year-old, Faith Livingstone, just moved to town and is about to enter a new school. She wants to make new friends and feel like she belongs in her new surroundings. It can't happen fast enough for Faith! Journey with Faith as she struggles to make friends and learns the value of the virtue of patience in the

process.

*Watering the Soul* Mar 30 2021 Poetry and prose to encourage us to grow. Watering the Soul is a timeless reminder that everyone needs time, love, and forgiveness. In the deepest, most enchanting part of the forest, a creature hands you a seed. Within the seed is your soul, ready to be grown again. From internationally bestselling author Courtney Peppernell comes her new book of poetry and prose, *Watering the Soul*. In true Peppernell style, the book is divided into sections, this time following a step-by-step recipe, to heal your soul. Filled with themes that focus on forgiveness, gratitude, togetherness, and equality, Peppernell takes you on a journey to find a precious yet profound understanding; that a seed is not grown with haste and nor is becoming whole, that in each and every step, we find the meaning of watering the soul. This is the story of your soul and how it can be grown again.

**Don't Tell a Soul** Oct 30 2023 The popular

author of six Andy Carpenter mysteries, including the recent hit "Play Dead," delivers his first stand alone with this gripping suspense novel.

**This is a Soul** Nov 06 2021

**The Story of a Soul** Sep 16 2022 The Story of a Soul conveys St. Thérèse of Lisieux's "Little Way" of spiritual childhood - her "elevator" to Heaven, as she called it. This method was approved by Pope Pius XI as a way for all to grow in holiness through unfailing confidence and childlike delight in God's merciful love. Again and again in this book, St. Thérèse shows us how her "Little Way" of love and trust comes straight from Sacred Scripture. This book belongs in every Catholic home, for Pope St Pius X stated St. Thérèse of Lisieux the "greatest Saint of modern times". This is the original TAN edition now with updated typesetting, fresh new cover, new size and quality binding, and the same trusted content.

*The Untethered Soul* Jun 01 2021 #1 New York

Times bestseller What would it be like to free yourself from limitations and soar beyond your boundaries? What can you do each day to discover inner peace and serenity? The Untethered Soul offers simple yet profound answers to these questions. Whether this is your first exploration of inner space, or you've devoted your life to the inward journey, this book will transform your relationship with yourself and the world around you. You'll discover what you can do to put an end to the habitual thoughts and emotions that limit your consciousness. By tapping into traditions of meditation and mindfulness, author and spiritual teacher Michael A. Singer shows how the development of consciousness can enable us all to dwell in the present moment and let go of painful thoughts and memories that keep us from achieving happiness and self-realization. Copublished with the Institute of Noetic Sciences (IONS) The Untethered Soul begins by walking you through your relationship with your

thoughts and emotions, helping you uncover the source and fluctuations of your inner energy. It then delves into what you can do to free yourself from the habitual thoughts, emotions, and energy patterns that limit your consciousness. Finally, with perfect clarity, this book opens the door to a life lived in the freedom of your innermost being. The *Untethered Soul* has already touched the lives of more than a million readers, and is available in a special hardcover gift edition with ribbon bookmark—the perfect gift for yourself, a loved one, or anyone who wants a keepsake edition of this remarkable book. Visit [www.untetheredsoul.com](http://www.untetheredsoul.com) for more information.

*Soul, Body, and Survival* Aug 04 2021 How are soul and body related to one another? Are human beings immaterial souls, or complex physical organisms? Will we survive the death of our bodies? Does only the dualist view allow the possibility of life after death? This collection brings together cutting-edge research on the

metaphysics of human nature and the possibility of post-mortem survival. Kevin Corcoran's collection, *Soul, Body, and Survival*, includes chapters from those who embrace traditional soul-body dualism, those who assert person-body identity, and those who propose entirely new views that fall outside the categories of monism and dualism. The first book to connect the metaphysics of persons with the belief in life after death, thus intersecting with theological as well as philosophical inquiry, it blurs the divide between metaphysics and the philosophy of mind.

*Aristotle's On the Soul* Nov 30 2023 In this timeless and profound inquiry, Aristotle presents a view of the psyche that avoids the simplifications both of the materialists and those who believe in the soul as something quite distinct from body. *On the Soul* also includes Aristotle's idiosyncratic and influential account of light and colors. *On Memory and Recollection* continues the investigation of some of the topics

introduced in *On the Soul*. Sachs's fresh and jargon-free approach to the translation of Aristotle, his lively and insightful introduction, and his notes and glossaries, all bring out the continuing relevance of Aristotle's thought to biological and philosophical questions.

**Forever You: A Book About Your Soul and Body** Feb 07 2022 Awaken young children ages 4-8 to the joy and mystery of being human and help them build the foundations of their Christian faith! The soul's lifelong presence, spiritual nature, relationship to the body, substance and origin, link to humanity, sacredness, service-directed purpose, and eternity are explored in the context of John Paul II's *Theology of the Body*.

*The Big Book of Soul* Sep 28 2023 Soul is the ultimate expression and experience of African-American culture. The Big Book of Soul is the first popular reference book to provide an in-depth examination of the source of soul in African culture and how soul finds its expression

today. Author Stephanie Rose Bird takes readers on a breathtaking journey of soul by examining the spirit of animism and how it evolved in contemporary African-American culture. She explores spiritual practices related to diet, dance, beauty, healing, and the arts, and provides readers with ancient healing rituals and practices they can use today. Filled with fun facts, practical advice, and ancient spiritual wisdom, *The Big Book of Soul* is for any reader who wants a genuine, rooted experience of soul today.

**What is Soul?** Feb 02 2024 Rooted in the metaphysics of bygone times, the notion of soul in our Western tradition is packed with associations and meanings that are incompatible with the anthropological and naturalistic thinking that prevails in modernity. Whereas treatises of old conceived of the soul as an infinite, immaterial substance which was the ground of man's hope for eternal salvation, modern psychology has for the most part

discarded the concept in favor of more tangible touchstones such as the emotions, desires, and attachments which characterize man as a finite, bodily-existing positive fact. An exception to this trend has been the analytical psychology of C. G. Jung. Against the positivistic spirit of his times, Jung insisted upon a "‘psychology with soul,’ that is, a psychology based upon the hypothesis of an autonomous mind." In this volume, Wolfgang Giegerich once again takes up the Jungian commitment to a psychology with soul. Agreeing with Jung that the soul concept is indispensable for a truly psychological psychology, he supplements and re-orientates the Jungian approach to both this concept and the phenomenology of the soul by means of a whole series of nuanced discussions that are as rigorous as they are thoroughgoing. The result is nothing short of a tour de force. Tarrying with the negative, Giegerich’s particular contribution resides in his showing the movement against the soul to be the soul’s own doing. In animus

moments of itself, consciousness in the form of philosophy and Enlightenment reason turned upon itself as religion and metaphysics. Far from abolishing the soul, however, these incisive negations were themselves negated. As if dancing upon its own demise, the soul came home to itself, not as an invisible metaphysical substance, but more invisibly still as the logically negative evaporation of that substance into the form of subject, or even better said, into psychology.

*On the Soul and Its Origin* Feb 27 2021

Augustine, the man with upturned eye, with pen in the left hand, and a burning heart in the right (as he is usually represented), is a philosophical and theological genius of the first order, towering like a pyramid above his age, and looking down commandingly upon succeeding centuries. He had a mind uncommonly fertile and deep, bold and soaring; and with it, what is better, a heart full of Christian love and humility. He stands of right by the side of the greatest

philosophers of antiquity and of modern times. We meet him alike on the broad highways and the narrow footpaths, on the giddy Alpine heights and in the awful depths of speculation, wherever philosophical thinkers before him or after him have trod. As a theologian he is facile princeps, at least surpassed by no church father, schoolman, or reformer. With royal munificence he scattered ideas in passing, which have set in mighty motion other lands and later times. He combined the creative power of Tertullian with the churchly spirit of Cyprian, the speculative intellect of the Greek church with the practical tact of the Latin. He was a Christian philosopher and a philosophical theologian to the full.

**In Search of the Soul** Jun 13 2022 How our beliefs about the soul have developed through the ages, and why an understanding of it still matters today The concept of the soul has been a recurring area of exploration since ancient times. What do we mean when we talk about finding our soul, how do we know we have one,

and does it hold any relevance in today's scientifically and technologically dominated society? From Socrates and Augustine to Darwin and Freud, *In Search of the Soul* takes readers on a concise, accessible journey into the origins of the soul in Western philosophy and culture, and examines how the idea has developed throughout history to the present. Touching on literature, music, art, and theology, John Cottingham illustrates how, far from being redundant in contemporary times, the soul attunes us to the importance of meaning and value, and experience and growth. A better understanding of the soul might help all of us better understand what it is to be human. Cottingham delves into the evolution of our thoughts about the soul through landmark works—including those of Aristotle, Plato, and Descartes. He considers the nature of consciousness and subjective experience, and discusses the psychoanalytic view that large parts of the human psyche are hidden from

direct conscious awareness. He also reflects on the mysterious and universal longing for transcendence that is an indelible part of our human makeup. Looking at the soul's many dimensions—historical, moral, psychological, and spiritual—Cottingham makes a case for how it exerts a powerful pull on all of us. *In Search of the Soul* is a testimony to how the soul remains a profoundly significant aspect of human flourishing.

*Pilgrimage of a Soul* Mar 03 2024 You can only go so far for so long before you find the limits of yourself. For Phileena Heuertz that moment arrived, mercifully, around the same time as a sabbatical to mark her twelfth year of service with an international organization working with some of the most vulnerable people in the world. Activists often see contemplation as a luxury, the sort of thing necessarily set aside in the quest to see the world set aright. But in *Pilgrimage of a Soul* we see that contemplation is essential—not only to a life of sustained commitment to the

justice and righteousness of God, but to the fully human life that the Holy Spirit beckons each of us to. Tracing seven movements from a kind of sleepfulness to a kind of wakefulness, Phileena shows us that life is a journey that repeats itself as Christ leads us deeper and deeper into our true selves and a truer knowledge of God. This revised edition includes practices with each chapter, as well as questions for group discussion and individual reflection.

*The Soul* May 05 2024 In a culture in which science is believed to hold the answers to every question, spiritual realities like the soul are often ignored or ridiculed. We are told that neuroscience holds the key to explaining every aspect of human behavior. Yet Christian philosopher J. P. Moreland argues that Scripture, sound philosophical reasoning, and everyday experience all point to the reality of an immaterial soul. Countering the arguments of both naturalists and Christian scholars who embrace a material-only view of humanity,

Moreland demonstrates why it is both biblical and reasonable to believe humans are essentially spiritual beings. He also describes the various components of the soul and how Christians can nurture their souls as disciples of Christ.

Moreland shows that neuroscience and the soul are not competing explanations of human activity, but that both coexist and influence one another.

*Spirit, Soul, and Body* Jul 15 2022 Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything

from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

**Soul of the Deep** Jan 26 2021 The stunning sequel to New York Times bestseller *Skin of the Sea*, in which the world must pay the price for one mermaid's choice, and a dark force reverberates across realms. Perfect for anyone eagerly anticipating the live-action *The Little Mermaid*. One life. One choice. One sacrifice. To save those closest to her, Simi traded away everything: her freedom, her family, and the boy she loves. Now she is sworn to serve a new god, watching over the Land of the Dead at the bottom of the ocean. But when signs of demons begin to appear, it's clear there are deeper consequences of Simi's trade. These demons spell the world's ruin . . . and because of Simi, they now have a way into the human realm. With the fate of the world at stake, Simi must break

her promise and team up with a scheming trickster of a god. And if they succeed, perhaps Simi can also unbreak her heart along the way, and find herself again. "Epic and original . . . Simi's story will stay with me for a long time." —Nicola Yoon, #1 New York Times bestselling author of *Instructions for Dancing*

*Don't Tell a Soul* May 25 2023 Stay up all night with this modern day Rebecca! Perfect for fans of *Truly Devious*--a haunting story about a new girl in an old town filled with dark secrets . . . that might just kill her. People say the house is cursed. It preys on the weakest, and young women are its favorite victims. In Louth, they're called the Dead Girls. All Bram wanted was to disappear--from her old life, her family's past, and from the scandal that continues to haunt her. The only place left to go is Louth, the tiny town on the Hudson River where her uncle, James, has been renovating an old mansion. But James is haunted by his own ghosts. Months earlier, his beloved wife died in a fire that people

say was set by her daughter. The tragedy left James a shell of the man Bram knew--and destroyed half the house he'd so lovingly restored. The manor is creepy, and so are the locals. The people of Louth don't want outsiders like Bram in their town, and with each passing day she's discovering that the rumors they spread are just as disturbing as the secrets they hide. Most frightening of all are the legends they tell about the Dead Girls. Girls whose lives were cut short in the very house Bram now calls home. The terrifying reality is that the Dead Girls may have never left the manor. And if Bram looks too hard into the town's haunted past, she might not either.

*Half a Soul* Feb 19 2023 "Whimsical, witty, and brimming over with charm" (India Holton), Olivia Atwater's delightful debut will transport you to a magical version of Regency England, where the only thing more meddlesome than a fairy is a marriage-minded mother! It's difficult to find a husband in Regency England when

you're a young lady with only half a soul. Ever since she was cursed by a faerie, Theodora Ettings has had no sense of fear or embarrassment—an unfortunate condition that leaves her prone to accidental scandal. Dora hopes to be a quiet, sensible wallflower during the London Season—but when Elias Wilder, the strange, handsome, and utterly ill-mannered Lord Sorcier, discovers her condition, she is instead drawn into peculiar and dangerous faerie affairs. If her reputation can survive both her curse and her sudden connection with the least-liked man in all high society, then she and her family may yet reclaim their normal place in the world. But the longer Dora spends with Elias, the more she begins to suspect that one may indeed fall in love even with only half a soul.

Praise for *Half a Soul* “Whimsical but never frivolous, sweet but not sugary. I loved it.” —Alix E. Harrow “Delightful. *Half a Soul* is the definition of a comfort read.” —Hannah Whitten “I wolfed this down with great pleasure.” —KJ

Charles “This winsome, whimsical fantasy romance sweeps you off your feet.” —Megan Bannen “Smart and subversive, *Half a Soul* will ignite your heart—and your hope.” —Shelley Parker-Chan “A perfect historical fantasy romance: warm, sparkling with magic, dangerous, and delightful.” —Tasha Suri

**Soul Cravings** Oct 18 2022 The search of your life is the search for your life. What you are holding right now is an exploration of the human spirit; a journey into our deepest longings, our desires, our needs, our cravings, our souls. Our need for intimacy, meaning, and destiny point to the existence of God and our need to connect with Him. This book will deeply stir you to consider and chase after the spiritual implications of your souls' deepest longings.

[The Weight of a Soul](#) Jan 01 2024 When her sister is found dead under mysterious circumstances, Lena strikes a gruesome deal with the Norse gods to bring her back and finds herself in the middle of an impending

doomsday—all while discovering dangerous secrets about her sister's identity.

**The Book of Soul** Jun 06 2024 "It's easy in these times to allow ourselves to slip into resignation, isolation, or despair. The Book of Soul is an antidote." —Arianna Huffington, Founder & CEO, Thrive Global and Founder, Huffington Post "I recommend The Book of Soul for all of us wanting to stay connected to a deeper purpose." —Melinda Gates, New York Times Bestselling Author of *The Moment of Lift* "There is much to explore and savor in this [new] book [by] this incredibly talented writer, storyteller, poet, and teacher. The spiritual practitioner will rejoice in Nepo's uncanny ability to consistently stretch our minds and souls with fresh musings." —Frederic and Mary Ann Brussat, *Spirituality & Practice* "I love all Mark's books because of his deep insights and his amazing way with words, but there's something truly special about this one. It feels like a compilation of the best and most profound

ideas from his work. I want to savor each and every chapter." —Katy Koontz, Editor, *Unity Magazine* A powerful new book of spiritual awakening from #1 New York Times bestselling author Mark Nepo In *The Book of Soul*, Mark Nepo, the bestselling author of *The Book of Awakening*, offers a powerful guide to inhabiting an authentic and wholehearted life. After we are physically born, we must be spiritually born a second time, a process that takes place through the labor of a lifetime as we develop into more fully realized beings. *The Book of Soul* delves into the spiritual alchemy of that transformation in all its mystery, difficulty, and inevitability. The book is divided into four sections that mark the passages we all face: enduring our *Walk in the World*, until we discover *Our True Inheritance*, which allows us to live in the open by *Widening Our Circle*, as we *Help Each Other Stay Awake*. *The Book of Soul* is a piercing guide, replete with beautiful truths and startling insight, that leads us deeply into the process of

transformation.
