Composition Theory for the Postmodern Classroom
Gary A. Olson, Sidney I. Dobrin, 1994-01-01 *Composition Theory for the Postmodern Classroom* is a collection of the most outstanding articles published in the *Journal of Advanced Composition* over the last decade. Together these essays represent the breadth and strength of composition scholarship that has fruitfully engaged with critical theory in its many manifestations. In drawing on the critical discourses of philosophers, feminists, literary theorists, African Americanists, cultural theorists, and others, these compositionists have enriched discourse in the field, broadened intellectual conceptions of the multiple roles and functions of discourse, and opened up an infinite number of questions and new possibilities for composition theory and pedagogy.

Forthcoming Books

Rose Army, 2002 *Zone One*
Colson Whitehead, 2011-10-18 NATIONAL BESTSELLER From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*, a pandemic has devastated the planet, sorting humanity into two types: the uninfected and the infected, the living and the living dead. One of the best books of the year, *Esquire* After the worst of the plague is over, armed forces stationed in Chinatown's Fort Wonton have successfully reclaimed the island south of Canal Street, aka Zone One. Mark Spitz is a member of one of the three-person civilian sweeper units tasked with clearing lower Manhattan of the remaining feral zombies. *Zone One* unfolds over three surreal days in which Spitz is occupied with the mundane mission of straggler removal, the rigors of Post-Apocalyptic Stress Disorder (PASD), and the impossible task of coming to terms with a fallen world. And then things start to go terribly wrong. At once a chilling horror story and a literary novel by a contemporary master, *Zone One* is a dazzling portrait of modern civilization in all its wretched, shambling glory. Look for Colson Whitehead's new novel *Crook Manifesto* coming soon.

[Alcoholics Anonymous](#) Bill W., 2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, *Alcoholics Anonymous*. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement, *Alcoholics Anonymous*. This edition not only reproduces the original 1939 text of *Alcoholics Anonymous* but as a special bonus features the complete 1941 *Saturday Evening Post* article "Alcoholics Anonymous" by journalist Jack Alexander, which at the time did as much as the book itself to introduce millions of seekers to AA's program. *Alcoholics Anonymous* has touched and transformed myriad lives and finally appears in a volume that honors its posterity and impact.

Kenneth Burke in Greenwich Village Jack Selzer, 1996-12-01 Capturing the lively modernist milieu of Kenneth Burke's early career in Greenwich Village, where Burke arrived in 1915 fresh from high school in Pittsburgh, this book discovers him as an intellectual apprentice conversing with the moderns. Burke found himself in the midst of an avant-garde peopled by Malcolm Cowley, Marianne Moore, Jean Toomer, Katherine Anne Porter, William Carlos Williams, Allen Tate, Hart Crane, Alfred Stieglitz, and a host of other fascinating figures. Burke himself, who died in 1993 at the age of 96, has been hailed as America's most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero. Many schools of thought have claimed him as their own, but Burke has defied classification and indeed has often been

considered a solitary eccentric genius immune to intellectual fashions But Burke s formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with Others magazine Stieglitz s 291 gallery and Eugene O Neill s Provincetown Players the leftists associated with the magazines The Masses and Seven Arts the Dadaists and the modernist writers working on literary journals like The Dial where Burke in his capacity as an associate editor saw T S Eliot s The Wasteland into print for the first time and provided other editorial services for Thomas Mann e e cummings Ezra Pound and many other writers of note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H L Mencken the New Humanists and the literary nationalists who founded Contact and The New Republic Jack Selzer shows how Burke s own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke s transformation from aesthete to social critic
