**Basher Science: The Complete Periodic Table** Jul 27 2023 Do you confuse boron with barium or chlorine with fluorine? Fear not! Basher Science has come to the rescue by mixing science and art to create a unique periodic table. From unassuming oxygen to devious manganese, the incredible elements show you the periodic table as you've never seen it before. Basher Science: The Periodic Table gives a face, voice and personality to the chemical elements, making learning chemistry easy and a whole lot more fun. This new expanded edition reflects the latest discoveries, and now each of the 115 elements has not just a picture but an information-packed page all to itself. Basher's highly original books make difficult concepts tangible, understandable and even lovable. With his stylish, contemporary characters he communicates science brilliantly.

**General Alonso de León's Expeditions into Texas, 1686-1690** Dec 08 2021 In the late seventeenth century, General Alonso de León led five military expeditions from northern New Spain into what is now Texas in search of French intruders who had settled on lands claimed by the Spanish crown. Lola Orellano Norris has identified sixteen manuscript copies of de León's meticulously kept expedition diaries. These documents hold major importance for early Texas scholarship. Some of these early manuscripts have been known to historians, but never before have all sixteen manuscripts been studied. In this interdisciplinary study, Norris transcribes, translates, and analyzes the diaries from two different perspectives. The historical analysis reveals that frequent misinterpretations of the Spanish source documents have led to substantial factual errors that have persisted in historical interpretation for more than a century. General Alonso de León's Expeditions into Texas is the first presentation of these important early documents and provides new vistas on Spanish Texas.

*The Rivet in Grandfather's Neck* Jun 25 2023 *The Rivet in Grandfather's Neck* (1921) is a comic romance novel by James Branch Cabell. Set in a world where history and fantasy collide, where the laws of chivalry and honor continue to hold sway in postbellum South, *The Rivet in Grandfather's Neck* is included in a series of novels, essays, and poems known as the Biography of the Life of Manuel. "For Colonel Musgrave was by birth the lineal head of all the Musgraves of Matocton, which is in Lichfield, as degrees are counted there, equivalent to what being born a marquis would mean in England. Handsome and trim and affable, he defied chronology by looking ten years younger than he was known to be." A man of honor and tradition, Colonel Musgrave comes from a prominent family whose wealth and power once depended on its ownership of slaves. Despite his illustrious title, "won by four years of arduous service at receptions and parades while on the staff of a former Governor of the State," Musgrave is a librarian whose influence in town depends largely on the esteem of his ancestors. When a distant cousin visits Lichfield, bringing with her the intellect and wit of a modern woman, Colonel Musgrave finds how easily traditions can falter. Set in a fictionalized Southern town, *The Rivet in Grandfather's Neck* is a captivating, hilarious tale of chivalry and romance. Cabell's work has long been described as escapist, his novels and stories derided as fantastic and obsessive recreations of a world lost long ago. To read *The Rivet in Grandfather's Neck*, however, is to understand that the issues therein—the struggle for power, the unspoken distance between men and women—were vastly important not only at the time of its publication, but in our own, divisive world. With a beautifully designed cover and professionally typeset manuscript, this edition of James Branch Cabell's *The Rivet in Grandfather's Neck* is a classic of fantasy and romance reimagined for modern readers.

**Escape the Boring** Jan 09 2022 Discover the Thrill of Adventures Right from Your Living Room Imagine transforming your living space into the launchpad for an extraordinary journey of discovery, creativity, and wellness. *Escape the Boring: A Sofa Explorer's Guide to Active Living* is your indispensable guide to breaking free from the mundane and injecting excitement, adventure, and joy into every day--without stepping outside your front door. Embark on a transformative quest to redefine what it means to live actively, starting from the comfort and familiarity of your own sofa. This guide unveils how a shift in mindset, coupled with simple adjustments to your surroundings, can open up a world of intrigue and new hobbies. Discover the secrets to finding joy in the small things, setting the stage for perpetual adventure, and creating personal spaces that inspire and energise. Dive into the art of indoor gardening, mastering the care of succulents and nurturing an enchanting herb garden, ready to elevate your culinary creations. Speaking of which, explore the rich tapestry of global cuisines from your kitchen, with theme nights that take you on a gustatory journey around the world. But why stop there? Boost your physical and mental well-being by designing a customised no-equipment workout routine, delving into the calming practices of yoga and mindfulness, or unleashing your creativity through art, writing, and music. *Escape the Boring* doesn't just offer activities; it offers a new way of seeing and interacting with your world, encouraging growth, learning, and happiness in every chapter. From mastering new languages to hosting virtual gatherings, from board games and puzzles to digital voyages and home-based volunteering, this guide offers a plethora of options to keep your days filled with wonder and discovery. And for those looking to contribute positively to our planet, tips on sustainable living from the comfort of your couch will inspire you to make changes that benefit both your home and the wider world. Don't settle for a passive existence. Turn the ordinary into the extraordinary and embark on a thrilling adventure of self-discovery and boundless creativity. Whether you're looking to enhance your personal wellbeing, explore new hobbies, or simply inject some fun into your routine, *Escape the Boring: A Sofa Explorer's Guide to Active Living* is your ticket to a brighter, more engaged life. Are you ready to redefine what it means to live actively?

**The Price of Valor** Nov 06 2021 In the third *Shadow Campaigns* novel, Django Wexler continues his “epic fantasy of military might and magical conflict,” (*Library Journal*) following *The Shadow Throne* and *The Thousand Names*. After the king’s death, war has come to Vordan. The Deputies-General, led by a traitor-seeking zealot, has taken control. Queen Raesinia Orboan is nearly powerless as the government tightens its grip and assassins threaten her life. Unwilling to see the country come under another tyranny, she sets out to turn the tide of history. As the Sworn Church brings the powers of the continent to war against Vordan, General Janus bet Vhalnich offers a path to victory. Winter Ihernglass, newly promoted to command a regiment, has reunited with her lover and her friends only to face the prospect of leading them into bloody battle. And the enemy is not just armed with muskets and cannon. Dark priests of an ancient order, wielding forbidden magic, have infiltrated Vordan to stop Janus by whatever means necessary...

**The Rivet In Grandfather'S Neck A Comedy Of Limitations** Sep 28 2023 "The Rivet in Grandfather's Neck" is a thought-provoking novel written by James Branch Cabell. Set in Cabell's fictional Virginia county of "Poictesme," the book delves into the complex themes of identity and family heritage, and also the burden of inherited legacy. The story revolves around John Charteris, one of the young man haunted by the weight of his ancestry. As a descendant of esteemed ancestors, John grapples with the expectations and other one reputations that precede him. Cabell artfully weaves together elements of the fantastic and the mundane, blurring the lines between reality and imagination. Through a series of interwoven narratives, Cabell explores the concept of "the rivet in Grandfather's neck," a metaphorical link that binds John to the past and restricts his pursuit of personal freedom. The novel delves into John's introspective journey as he seeks to define his own identity amidst the shadow of his ancestors. Cabell's poetic prose and introspective storytelling create a rich tapestry of philosophical reflections and psychological depth. "The Rivet in Grandfather's Neck" is celebrated for its exploration of the complexities of human nature, the search for self-actualization, and the intricacies of familial bonds. This profound and allegorical work is a poignant reflection on the timeless struggle between tradition and individuality, cementing James Branch Cabell's reputation as a masterful writer of speculative fiction and a profound observer of the human condition.

**Meet Me at World's End** Aug 16 2022 A killer comet speeds for Earth, big enough to wipe out all life and choke the atmosphere for a century. When the news breaks, soft-spoken freshman Charlotte Hartland gets caught in a flood of panicked students on her college campus-until a black SUV swoops in to extract her. Charlotte's powerful grandfather has saved her a cryosleep berth at the Bunker Reservation Project, a hastily formed effort to save humanity from extinction. When the idealistic program begins to unravel, Charlotte will have to fight for her place in the future. But the only person who can help her is a hotheaded construction worker with a grudge against her family-and the clock is counting down to disaster.

*The Ivory Throne* Oct 06 2021 In 1498, when Vasco da Gama set foot in Kerala looking for Christians and spices, he unleashed a wave of political fury that would topple local powers like a house of cards. The cosmopolitan fabric of a vibrant trading society - with its Jewish and Arab merchants, Chinese pirate heroes and masterful Hindu Zamorins - was ripped apart, heralding an age of violence and bloodshed. One prince, however, emerged triumphant from this descent into chaos. Shrewdly marrying Western arms to Eastern strategy, Martanda Varma consecrated the dominion of Travancore, destined to become one of the most dutiful pillars of the British Raj. What followed was two centuries of internecine conflict in one of India's premier princely states, culminating in a dynastic feud between two sisters battling to steer the fortunes of their house on the eve of Independence. Manu S. Pillai's retelling of this sprawling saga focuses on the remarkable life and work of Sethu Lakshmi Bayi, the last - and forgotten - queen of the House of Travancore. The supporting cast includes the flamboyant painter Raja Ravi Varma and his wrathful wife, scheming matriarchs of 'violent, profligate and sordid' character, wife-swapping court favourites, vigilant English agents, quarrelling consorts and lustful kings. Extensively researched and vividly rendered, *The Ivory Throne* conjures up a dramatic world of political intrigues and factions, black magic and conspiracies, crafty ceremonies and splendid temple treasures, all harnessed in a tragic contest for power and authority in the age of empire.
