Evangelism in the Early Church shows how the first Christians worked to spread the good news to the rest of the world. Studying the New Testament and church fathers Green explores the earliest methods, motives, and strategies of spreading the good news. He also considers the obstacles to evangelism using outreach to Gentiles and to Jews as examples of differing contexts for proclamation. Thoroughly informed by primary sources, this book will help contemporary readers learn from the past and renew their own evangelistic vision. Not Afraid of the Antichrist Michael L. Brown, Craig S. Keener, 2019-03-19

Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading acclaimed Bible scholars. In fact, they say Jesus promises us tribulation in this world. Yet this is no reason to fear. In this fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope: God's wrath is not poured out on His people, and He will shield us from it, as He shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in His victory. Hyper-Grace D. R. Silva, 2014-01-31, 1 Amazon Best Seller.

In D. R. Silva's latest book, he once again challenges the giants of Christian tradition, confronting the popular assumptions, misconceptions, and false accusations brought against the modern grace message. In this book, he tells you what is and isn't being said by those in today's Grace movement and answers some of the most common questions and concerns: Are followers in the hyper-grace movement really being told it's okay to sin and live immoral lives because we have grace? Do hyper-grace teachers believe that repentance and confession are concepts only applicable under the Old Covenant? Do hyper-grace teachers hate the Law? Are they ignoring the words of Jesus? Or are they actually taking them seriously? Has God only forgiven your past sins and left it completely up to you to get your future sins forgiven? Is this doctrine one step away from Universalism? In this short and practical book, you will get a basic understanding of the foundational ideas of the modern Grace message. You will see that the hyper-grace teachings that are being opposed today are actually Biblical concepts found in scripture and that this is the same Gospel Paul preached and defended passionately. This book also provides many scriptures to prove that it's actually the popular church traditions of today that are leading people into sin and deception, causing them to fall from Grace and become separated from Christ. Like all of the great reformations in the past, we have once again reached a vital fork in the road where we must make the choice of whether we will desperately cling to our old traditions, which Jesus warned nullify the word of God, or if we will actually test everything for ourselves and consider whether or not this is the gospel of good news that our traditions have kept hidden from us for so long. Where we choose to go next will have a tremendous impact on the future of the church and the world for many generations to come. Let us choose wisely, then, not coming to conclusions impulsively. In a time where balance has become a huge spiritual buzzword, don't be led astray by unbalanced claims and religious propaganda. *Saving Faith* David Baldacci, 2000-09-01. When lobbyist Faith
