Don Lomax's critically acclaimed Vietnam Journal series returns with all new stories. THIS ISSUE: "The Diary" - Bay, and his younger brother, Trong, were the last two surviving siblings of a Montagnard family devastated by war. Though the paths they took, not of their own choosing, would lead to even more tragedy, the end was inevitable in an insane war where everyone was scarred to some degree. Though some much more than others. Scott 'Journal' Neithammer, reporting. Praise for Vietnam Journal: "Lomax bases his fictional work on his real experiences in Vietnam in 1966, with powerful results. It is Lomax's concern for average soldiers that, in the end, makes his work significant." - Publishers Weekly. Playing duets enhances rhythm and overall playing because performers must really listen to play well with a partner. Catherine Rollin beautifully meshes nostalgia, romance and excitement in this charming set of duets at the intermediate level. The lively dance selections encourage students to explore interesting rhythms and chord patterns and how to balance melody and accompaniment in both parts. Teachers will also enjoy sight-reading these duets at lessons with more advanced students. A loner in high school, Miyako is pulled into a (fake) relationship with school hottie, Koga-kun! It's actually for the purpose of hiding the existence of the alien possessing his body, Chiro-chan. But unlike the kind-hearted Chiro-chan, Miyako finds herself constantly butting heads with the more sinister, Koga-kun. But she begins to notice that, underneath that foul attitude, Koga-kun is devoting himself to helping her! A hilarious and heartfelt series about the particular magic of summer camp—a place where reinvention is possible and friends are like family—from a sparkling debut talent. There's only one thing Melman loves more than soccer: her summers at Camp Rolling Hills. So she's pumped to be back—until she realizes her bunkmates have gone totally boy-crazy over the school year and plastered their cabin in pink. Pink posters, pink t-shirts...it seems that the only not-pink thing in the cabin is Melman herself. That is, until she's given a dare in front of the entire camp: wear a pink princess dress. For Three. Whole. Days. Steinberg's summer gets off to a rough start, too, when his robot (usually his area of expertise) blows up during a camp-wide robotics contest. Steinberg might feel like a loser at home, but camp's supposed to be his place to shine. Steinberg without robots? Melman in pink? This whole summer feels turned upside down! To set things right, Steinberg and Melman team up and hatch a fail-proof plan. The plan's secret ingredient? Hamburgers. "Camp Rolling Hills is funny and sweet. It brought me back to those amazing summer camp summers and my very first taste of young adulthood." --Michael Showalter, co-writer of Wet Hot American Summer "Stacy Davidowitz gets the magic of camp and the wonder of being twelve just right. Camp Rolling Hills is both heartwarming and laugh-out-loud hilarious." --Elissa Brent Weissman, author of Nerd Camp The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts. "Special hardcover edition includes the first ten issues of the comic book series, over forty pages of cover art and an exclusive sound clip."-- "One of the most enjoyable marriages of the fantasy and mystery genres on the shelves,"(Cinescape) the Dresden Files have become synonymous with action-packed urban fantasy and nonstop fun. Fool Moon continues the adventures of Jim Butcher's most famous—and infamous—reluctant hero... You'd think there'd be a little more action for the only professional wizard listed in the Chicago phone book. But lately, Harry Dresden hasn't been able to dredge up any kind of work: magical, mundane, or menial. Just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. There's a brutally mutilated corpse, and monstrous animal markings at the scene. Not to mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses—and the first two don't count... "You are our warrior," Debbie said to him. "You and Sari. Do not easily let them take the Children of Israel, the future of our country." It was absurd and impromptu, this word. Just there the flames, the enemy, and death. Yet words can surprise, can be more than words and this one seared through them like a bright hot poker and Debbie rushed back and added her hands to theirs, both her hands to all of theirs, and in the warmth of it they were instantly one: a single heart, a single brain, a single breast, one being, one purpose, one common goal. Jacob's hands went on top, and from his lips came the torch itself, for in hiding places and ghettos and death camps, in this black Passover week of 1942, in Hitler's death trap known as Poland, invincible forces were set in motion. This word, this concept, this Israel was riveted into an alloy stronger than any steel, an alloy to forge a great nation, a nation that their every action helped to build. "To Zion!" Jacob shouted, and their hosannas clamored into the night. --From Two Hands Full of Sunshine 115 recipes--wholesome new creations and celebrated favorites from the blog--from the husband and wife team behind Two Peas & Their Pod TWO PEAS & THEIR POD celebrates a family, friends, and community-oriented lifestyle that has huge and growing appeal. Maria the genuine, fun, relaxed mom next door who's got the secret sauce: that special knack for effortlessly creating tantalizing and wholesome (and budget-friendly) meals with ease. From a Loaded Nacho Bar bash for 200 guests to quick-and-easy healthy weeknight dinners like never-fail favorites like One-Skillet Sausage Pasta or Asian Pork Lettuce Wraps (always followed by a fab dessert!), Maria shares her best lifestyle tips and home cook smarts. An essential resource for parents looking to update their healthy, inexpensive, time-saving, kid friendly meal roster; aspiring home cooks who want to eat-in delicious food more than they eat out; as well as anyone looking to share their love of food and the giving spirit with their neighbors, TWO PEAS & THEIR POD will help readers bring home that (achievable!) slice of Americana, where families come together to enjoy fresh and nutritious meals and there's always a batch of still-warm cookies waiting on the counter. Hunted across South America both by the mysterious organization known as CADRE and their former employer Deacon Styles, Weaver and Maggie will have to tap into previously undiscovered powers if they're going to survive. But can their mysterious new ally Morgan be trusted...? The dangers of ancient technology loom over the Polity in the sequel to The Soldier, Neal Asher's latest action-packed space opera series. The haiman Orlandine, charged with safeguarding lethal Jain tech swirling inside an accretion disc located in the distant reaches of space, has weaponized a black hole to eliminate the threat. But others are suspicious of her motives, and both the Polity AIs and the leaders of the alien prador kingdom dispatch fleets of warships in anticipation of conflict. As the black hole continues to eat its way through the planets in the accretion disc, making its way towards a dead sun, it becomes clear the disc has been hiding a larger secret. Nefarious forces with ulterior motives have manipulated Orlandine into deploying the black hole, triggering a series of larger events that will uncover a danger far older than even the Polity itself. From British science fiction writer Neal Asher, The War Ship picks up right where its predecessor, The Soldier, left off, showcasing Asher's unique take on cutting-edge and fast-paced science fiction. The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation. The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. Hell's fallen hordes battle with the royal armies of the first heaven as Lucifer sets out to destroy the race of men. Dr. Emily Christensen joined the Church of Jesus Christ of Latter-day Saints in 2009. She brings to her study of the Book of Mormon a unique perspective, as a Jungian therapist, as theological scholar, and as a student of Hebrew. Here, Dr. Christensen shares the fruits of that study, offering fresh insight into scriptural characters, language, and doctrine, while always building upon a firm testimony of the atonement of Jesus Christ. PLAIN & PRECIOUS - BOOK OF MORMON COMMENTARY VOLUME TWO: 2 NEPHI covers the period of the Book of Mormon between the arrival of Lehi's family in the promised land, and the death of the prophet Nephi. It explores divine covenants, the teachings of Isaiah, and much more. Dr. Christensen is also the author of the memoir KEEPING KYRIE. "1st position. Advanced grade. The basic bowings are continued in various rhythms"--Cover The study of string instruments should include ensemble playing at the earliest possible stage. There is much to be gained from the playing of duets. Each player learns how to listen to the other, and in a short time develops an awareness of balance, musical phrasing, intonation, and tone quality. This type of training is excellent preparation for participation in large groups. These four volumes of duets for two violins will help fill the need for early ensemble experience in the public schools. They should be used in string classes as a supplement to any of the standard string methods. They will also encourage music making outside of the school, with parents or with other students. These duets are ideal for recitals in the public schools and in public school festivals. They may be played by two performers, or by multiple performers on each part, with or without piano accompaniment. Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020. From #1 New York Times bestselling author of Dirty Thirty and "most popular mystery writer alive" (The New York Times), Janet Evanovich's Two for the Dough is irresistibly fun and powerful suspense entertainment featuring beloved bounty hunter Stephanie Plum. It's the return of Stephanie Plum, New Jersey's "fugitive apprehension" agent (a.k.a. bounty hunter), introduced to us in the award-winning and bestselling novel One for the Money. Now Stephanie's back, armed with attitude—not to mention stun guns, defense sprays, killer flashlights, and her trusty .38. Stephanie is after a new bail jumper, Kenny Mancuso, a boy from Trenton's burg. He's fresh out of the army, suspiciously wealthy, and he's just shot his best friend. With her bounty hunter pal Ranger stepping in occasionally to advise her, Stephanie staggers knee-deep in corpses and caskets as she traipses through back streets, dark alleys, and funeral parlors. And nobody knows funeral parlors better than Stephanie's irrepressible Grandma Mazur, a lady whose favorite pastime is grabbing a front-row seat at a neighborhood wake. So, Stephanie uses Grandma as a cover to follow leads, but loses control when Grandma warns to the action, packing a cool pistol. Much to the family's chagrin, Stephanie and Granny may soon have the elusive Kenny in their sights. Fast-talking, slow-handed vice cop Joe Morelli joins in the case, since the prey happens to be his young cousin. And if the assignment calls for an automobile stakeout for two with the woman who puts his libido in overdrive, Morelli's not one to object. Low on expertise but learning fast, high on resilience, and despite the help she gets from friends and relatives, Stephanie eventually must face the danger alone when embalmed body parts begin to arrive on her doorstep and she's targeted for a nasty death by the most loathsome adversary she's ever encountered. Another case like this and she'll be a real pro. A New York Times Bestseller! A Publishers Weekly Bestseller! A year has passed since the Tournament. Fletcher and Ignatius have been locked away in Pelt's dungeons, but now they must face trial at the hands of the Inquisition, a powerful institution controlled by those who would delight in Fletcher's downfall. The trial is haunted by ghosts from the past with shocking revelations about Fletcher's origins, but he has little time to dwell on them; the graduating students of Vocans are to be sent deep into the orc jungles to complete a dangerous mission for the king and his council. If they fail, the orcrish armies will rise to power beyond anything the Empire has ever seen. With loyal friends Othello and Sylva by his side, Fletcher must battle his way to the heart of Orcdom and save Hominum from destruction . . . or die trying, in this sequel to The Novice by Taran Matharu. "After the last controversial global election, the global infomocracy that has ensured thirty years of world peace is fraying at the edges. As the new Supermajority government struggles to establish its legitimacy, agents of Information across the globe strive to keep the peace and maintain the flows of data that feed the new world order. In the newly-incorporated DarFur, a governor dies in a fiery explosion. In Geneva, a superpower hatches plans to bring micro-democracy to its knees. In Central Asia, a sprawling war among archaic states threatens to explode into a global crisis. And across the world, a shadowy plot is growing, threatening to strangle Information with the reins of power."--Front jacket flap.
