Skyward Jun 13 2024 From the #1 New York Times bestselling author of the Reckoners series, Words of Radiance, and the Mistborn trilogy comes the first book in an epic new series about a girl who dreams of becoming a pilot in a dangerous world at war for humanity's future. Spensa's world has been under attack for decades. Now pilots are the heroes of what's left of the human race, and becoming one has always been Spensa's dream. Since she was a little girl, she has imagined soaring skyward and proving her bravery. But her fate is intertwined with her father's--a pilot himself who was killed years ago when he abruptly deserted his team, leaving Spensa's chances of attending flight school at slim to none. No one will let Spensa forget what her father did, yet fate works in mysterious ways. Flight school might be a long shot, but she is determined to fly. And an accidental discovery in a long-forgotten cavern might just provide her with a way to claim the stars. And don't miss the #1 New York Times bestselling sequel, Starsight! "[A] nonstop, highflying opener." --Kirkus Reviews, starred review "With this action-packed trilogy opener, Sanderson offers up a resourceful, fearless heroine and a memorable cast." --Publishers Weekly, starred review "Sanderson delivers a cinematic adventure that explores the defining aspects of the individual versus the society. . . . Fans of Sanderson will not be disappointed." --SLJ "It is impossible to turn the pages fast enough." --Booklist

Three Story Method Mar 10 2024 Storytelling isn't complicated. We'll prove it to you. Do you have an amazing idea for a novel but you struggle to get words on the page? Maybe the problem isn't writer's block. Maybe you need a writing process. Publishing veterans and bestselling authors Zach Bohannon and J. Thorn share their proven system for developing a plan that will bridge the gap between a collection of random notes and a cohesive first draft. This comprehensive book will teach you the foundations of fiction: Plot, Structure, Genre, Theme, Character, and World. Discover: Why you need a system to finish a first draft whether you plot or pants What Aristotle said about storytelling thousands of years ago that still applies today How studying Star Wars can make you a better writer What some of the most prolific authors believe about the craft How all stories can be reduced to three components Which archetypes create a more engaging reader experience How the Hero's Journey is alike and different than the Virgin's Promise Why you should cast your characters like a movie producer Developed over 10 years and applied on millions of words of fiction, Thorn and Bohannon will show you how to layer your approach and build a fantastic story from the ground up. No more staring at a blinking cursor when you sit down to write! Become a master storyteller today. Three Story Method will transform you from a struggling writer into a career author. Downloadable

Business Plan Outline Template Jul 02 2023 This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's right for you and your business and also an easy to follow workbook. The workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document. Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly

Understanding by Design Jun 20 2022 What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of *Understanding by Design*. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of *Understanding by Design* apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of *Understanding by Design* offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

Take Off Your Pants! Dec 15 2021 When it comes to writing books, are you a "plotter" or a "pantser?" Is one method really better than the other? In this instructional ebook, author Libbie Hawker explains the benefits and technique of planning a story before you begin to write. She'll show you how to develop a foolproof character arc and plot, how to pace any book for a can't-put-down reading experience, and how to ensure that your stories are complete and satisfying without wasting time or words. Hawker's outlining technique works no matter what genre you write, and no matter the age of your audience. If you want to improve your writing speed, increase your backlist, and ensure a quality book before you even write the first word, this is the how-to book for you. Take off your pants! It's time to start outlining.

Make Your Mess Your Memoir Jan 08 2024 These days, there's no better business tool than a book. But most people don't know how to write one-or even where to start. Turns out the best place is the messy middle. Anna David knows this more than anyone. When the New York Times bestselling author of seven books got sober and sold a book about her recovery to the biggest publisher in the world, she thought she'd made it. Then she learned the hard way that trying to make a living by selling books to traditional publishers was a cruel joke-and that accepting the unacceptable was no way to live. The publishing industry was ripe for disrupting. But first David had to make a mess and then learn from it. After years of struggle and self-discovery, she ended up not only mentoring and publishing hundreds of bestselling authors but also thriving personally and professionally. Now she's sharing what she's learned-and showing others how to do the same. In this page-turning and useful memoir-meets-manual, David reveals her personal lows (doing cocaine by herself while contemplating suicide), her career lows (a past-his-prime celebrity hurling a phone at her as she wrote his biography) and how her life today wouldn't be possible without those experiences. With deft humor and unique insight, David demonstrates how much early childhood programming can set us up to repeat our own dysfunctional patterns-until we're ready to shift our behavior. The last quarter of the book is a practical guide so that readers can make their own mess into a message-and memoir.

Template Analysis for Business and Management Students Nov 13 2021 In *Template Analysis*, Nigel King and Joanna Brookes guide you through the origins of template analysis and its place in qualitative research, its basic components, and the main strengths and limitations of this method. Practical case studies and examples from published research then guide you through how to use it in your own research project. Ideal for Business and Management students reading for a Master's degree, each book in the series may also serve as a reference book for doctoral students and faculty members interested in the method. Part of SAGE's *Mastering Business Research Methods*, conceived and edited by Bill Lee, Mark N. K. Saunders and Vadake K. Narayanan and designed to support researchers by providing in-depth and practical guidance on using a chosen method of data collection or analysis.

The Writing Revolution Feb 14 2022 Why you need a writing revolution in your classroom and how to lead it *The Writing Revolution (TWR)* provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, *The Writing Revolution* can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities *The Writing Revolution* is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

How to Write a Novel Jun 08 2021 Author and former literary agent Nathan Bransford shares his secrets for creating killer plots, fleshing out your first ideas, crafting compelling characters, and staying sane in the process. Read the guide that New York Times bestselling author Ransom Riggs called "The best how-to-write-a-novel book I've read."

The Scribe Method Sep 04 2023 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, *The Scribe Method* is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

The Professor Is In Oct 13 2021 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the

most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap - Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

A Transportation Guide for All-hazards Emergency Evacuation Jul 22 2022 "TRB's National Cooperative Highway Research Program (NCHRP) Report 740: A Transportation Guide for All-Hazards Emergency Evacuation focuses on the transportation aspects of evacuation, particularly large-scale, multijurisdictional evacuation. The guidance, strategies, and tools in NCHRP Report 740 are based on an all-hazards approach that has applicability to a wide range of "notice" and "no-notice" emergency events. The report follows the basic planning steps of the Federal Emergency Management Agency's Comprehensive Preparedness Guide (CPG) 101. Each chapter parallels one of the six main CPG steps. Each chapter is further subdivided into smaller, discrete tasks, with cross-references to tools--such as templates or checklists--that are shown at the end of each chapter and are on a CD-ROM included with the print version of the report."-- Publisher's description.

Living Forward Dec 07 2023 Each of us has but one life to live on this earth. What we do with it is our choice. Are we drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide, they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.

The Writing Template Book Dec 27 2022 This book is a practical how-to-guide for academic writers. Because good writers automatically develop their own internal writing templates that impose clarity and structure on their material, this text provides template examples to help less experienced writers produce the reliable, replicable syntax that is essential to good writing. The Writing Template Book provides numerous examples and practice writing summaries, thesis sentences, introductions, conclusions, and the bodies of typical essays and papers.

Powerful Teaching Sep 23 2022 Unleash powerful teaching and the science of learning in your classroom Powerful Teaching: Unleash the Science of Learning empowers educators to harness rigorous research on how students learn and unleash it in their classrooms. In this book, cognitive scientist Pooja K. Agarwal, Ph.D., and veteran K-12 teacher Patrice M. Bain, Ed.S., decipher cognitive science research and illustrate ways to successfully apply the science of learning in classrooms settings. This practical resource is filled with evidence-based strategies that are easily implemented in less than a minute--without additional prepping, grading, or funding! Research demonstrates that these powerful strategies raise student achievement by a letter grade or more; boost learning for diverse students, grade levels, and subject areas; and enhance students' higher order learning and transfer of knowledge beyond the classroom. Drawing on a fifteen-year scientist-teacher collaboration, more than 100 years of research on learning, and rich experiences from educators in K-12 and higher education, the authors present highly accessible step-by-step guidance on how

to transform teaching with four essential strategies: Retrieval practice, spacing, interleaving, and feedback-driven metacognition. With *Powerful Teaching*, you will: Develop a deep understanding of powerful teaching strategies based on the science of learning Gain insight from real-world examples of how evidence-based strategies are being implemented in a variety of academic settings Think critically about your current teaching practices from a research-based perspective Develop tools to share the science of learning with students and parents, ensuring success inside and outside the classroom *Powerful Teaching: Unleash the Science of Learning* is an indispensable resource for educators who want to take their instruction to the next level. Equipped with scientific knowledge and evidence-based tools, turn your teaching into powerful teaching and unleash student learning in your classroom.

The Last Black Unicorn Mar 18 2022 NEW YORK TIMES BESTSELLER “An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious.” —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

The Plot Dot Jun 01 2023 An Adult Coloring Book for Authors! This book will help you paint powerful visual scenes that stick with readers long after they're finished your book. The techniques described within are simple and easy to use. Think of this as a guided coloring book adventure. YOUR adventure. There are lots of systems and guides to plotting, but if you're like me you have journals filled with notes, scenes and description... it can get overwhelming. I've based this book on traditional three-act story architecture, but it's greatly simplified. Plotters and pantsers can use the guided exercises to gain greater visual clarity and build more meaningful scenes with resonance. This book will help you get organized and unlock hidden potential in your scenes that you didn't know was there, by going beyond words and focusing on drawing and coloring your scenes until you have a full outline. This book makes an excellent workbook for writing retreats, is simple enough for children to use (it's never too early to write your first novel), and introduces a new, and hopefully useful, way to organize your novel, improve your writing, and create unforgettable scenes that will make a deep and lasting impact.

Sea Monkey & Bob Jul 10 2021 Two delightfully anxious friends learn that they can overcome anything—even gravity—in this humorous and heartwarming picture book from bestselling author Aaron Reynolds and illustrator Debbie Ridpath Ohi. Bob the puffer fish and his best buddy Sea Monkey may be little but they've got one ocean-sized problem. Sea Monkey's terrified he'll sink straight to the bottom of the ocean. After all, he's heavy, and all heavy things sink, right? Bob on the other hand is worried that his puffed up frame will float up above the surface. He's light, and all light things float! How will they stay together when the forces of gravity are literally trying to pull them apart? By holding hands, of course! Sea Monkey and Bob learn that sometimes the only way to overcome your fears is to just keep holding on...

Business Plan Template and Example Aug 23 2022 This book is now used by the University of Kentucky entrepreneurship program. This book will give you a fresh and innovative way to write a business plan that will help you: - Complete your business plan faster - Avoid confusion and frustration - Focus on the core of your business and create more effective business strategies To help you learn the business planning process from the ground up, this book gets you started with a very basic business plan and helps you expand it as you make your way through the book. This way, you have less confusion and frustration and are more likely to finish your business plan faster and have it be better. This way you get a business plan template together practical explanations and an example. So whatever your learning style might be, this book has a high chance of being effective for you. If business planning seems to you complex and scary, this book will make it simple for you. It is written in simple and clear language to help you get started and create a great business plan. So what are you waiting for? Get this book now, and start creating a great business plan for your business today. Also recently added in the last update of this book is a business plan sample since many people commented that they wanted a business plan example. Although for my taste as an entrepreneur, I rather give you lots of great business planning strategies and theory that you can use in the real world instead of having a business plan template or workbook to write your business plan from. After all, a business plan is just a document. But to make your business a success, you will have to do it in the real world. So when you try to figure out how to create a business plan, don't just focus on the business plan document. Instead, focus on a plan for the real world with actionable and effective strategies. Get the book now, and start planning

your business today.

The Concise APA Handbook Feb 02 2021 Most students struggle with learning how to find references, use them effectively, and cite them appropriately in a required format. One of the most common formats is that of APA. The authors all have vast experience teaching writing courses to various levels of students from undergraduates to graduates in other countries. However, there was lacking a book that could explain the basics of APA in simple, easy-to-understand language for non-native speakers of English, who are often unfamiliar with using references and formatting an essay in a particular method. In order to offer English Learner student writers a source of information that is appropriate for their level, and is cost-effective, this updated APA 7th edition guidebook provides students with important information in clear, concise, user-friendly language, as well as to offer practical examples that will help them grasp the concept of secondary research writing. Much of the published materials on the market targets native speakers of English. The problem with this is that they present the nitpicky details of APA in ways that do not make sense to native speakers of English, let alone to those for whom English is not their first language, because the information is presented in very technical terms that are not easy to understand. This handbook presents the same information in simplified terms with images and step-by-step instructions in ways that make sense to both native and non-native English speaking student writers. Additionally, student writers often struggle with understanding the concept of plagiarism, as well as how to find sources, evaluate the appropriateness of sources, and use sources in effective ways (e.g., how to integrate quotes, when to paraphrase, among others). This book provides this important information that is concise and easy to understand. NOTE: This is a REVISED edition of our original The Concise APA Handbook, which has been updated for APA 7th edition, which was issued in the fall, 2019.

Save the Cat! Writes a Novel Nov 25 2022 The first novel-writing guide from the best-selling Save the Cat! story-structure series, which reveals the 15 essential plot points needed to make any novel a success. Novelist Jessica Brody presents a comprehensive story-structure guide for novelists that applies the famed Save the Cat! screenwriting methodology to the world of novel writing. Revealing the 15 "beats" (plot points) that comprise a successful story--from the opening image to the finale--this book lays out the Ten Story Genres (Monster in the House; Whydunit; Dude with a Problem) alongside quirky, original insights (Save the Cat; Shard of Glass) to help novelists craft a plot that will captivate--and a novel that will sell.

The Book Proposal Book Feb 09 2024 A step-by-step guide to crafting a compelling scholarly book proposal—and seeing your book through to successful publication The scholarly book proposal may be academia’s most mysterious genre. You have to write one to get published, but most scholars receive no training on how to do so—and you may have never even seen a proposal before you’re expected to produce your own. The Book Proposal Book cuts through the mystery and guides prospective authors step by step through the process of crafting a compelling proposal and pitching it to university presses and other academic publishers. Laura Portwood-Stacer, an experienced developmental editor and publishing consultant for academic authors, shows how to select the right presses to target, identify audiences and competing titles, and write a project description that will grab the attention of editors—breaking the entire process into discrete, manageable tasks. The book features over fifty time-tested tips to make your proposal stand out; sample prospectuses, a letter of inquiry, and a response to reader reports from real authors; optional worksheets and checklists; answers to dozens of the most common questions about the scholarly publishing process; and much, much more. Whether you’re hoping to publish your first book or you’re a seasoned author with an unfinished proposal languishing on your hard drive, The Book Proposal Book provides honest, empathetic, and invaluable advice on how to overcome common sticking points and get your book published. It also shows why, far from being merely a hurdle to clear, a well-conceived proposal can help lead to an outstanding book.

Lesson Plan Outline Template Apr 11 2024 This "How To" book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Lesson Plan in 165 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a lesson plan that's right for you and your students and also an easy to follow workbook. We'll discuss what exactly a lesson plan is and why you even need one. We'll then go on to look at the process for creating a lesson plan, including the questions you need to consider (so that you don't forget anything important!) Then we've got 60 lesson plan templates for you to follow, with a double-page layout so that you have plenty of space for all your notes. We've even included some 'Further Notes' pages at the back for anything else you need to jot down. Teaching students of any age is both a challenging and daunting prospect. With a well-thought-out lesson plan in place (anticipating the questions you'll face AND the answers) it will be much less daunting and much more exciting. Good luck!
