Innocence betrayed... Memories of a long-ago summer night still taunt Laura Neill. With all the provocative innocence of youth, she stole into her stepbrother Oliver's bedroom, and discovered love and fleeting happiness in his arms. Driven away by his apparent betrayal, it's been eight long years since Laura last visited home. Can she now face Oliver without confessing the aching love she still feels for him—or the secrets she's held all this time? We have heard some ministers say that it is your belief that will send you to hell and not your sins, and this can be misleading. Because some of you might be deceived into thinking that you can keep sinning as long as you believe there is a God. Not only are some of you living your lives to reflect that kind of thinking, you are expressing it from your mouth. If one does not repent and remove from him his sins, he does not profit his soul any good thing. Remember, repenting is part of the process to become sanctified. All sins, big and small, shall be repented of and forgiven. And remember also, have you forgiven so that your sins can be forgiven you also? It all works together for your salvation to be intact. If you die with any of these sins still part of you, which you have not bothered to repent off, my Bible tells me that you cannot enter the kingdom of God. Think about this, if you really believe there is a God, and there is, you are going to come to a point where you are going to not want to sin before Him and get right with Him. You're going to judge your own self, because your conscience is going to weigh you down. Don't focus on the sugarcoated babblings of man and his weak human wisdom, but do focus on the precious bloodshed mercy of Jesus. Those sins that yield short-lived pleasure are only temporary and lead directly to the gates of hell, but your salvation leads directly to Jesus through eternity. Be on the safe side; just repent and get right with God. It is the only way! This book was written for personal enrichment and Christian training. It gives the reader clear, easy instructions and Scripture references for the reader to research. This book appeals to young people to make that change in their lives that Jesus is calling for. There is also a worksheet to help the reader interact with the book. If you would like to give me your thoughts about the book and whether it answered any of your concerns, send them at Christine.adrow@gmail.com. "This is Marokvia's second memoir, following *Immortelles: Memoir of a Will-o'-the-Wisp*, which focused largely on her French childhood (she was born in 1908). Here she moves ahead to her 1939 marriage in Germany to a German artist and photographer named Abel. After they were married in a civil ceremony, it was particularly jarring for her when the clerk gave her not the traditional Bible but *Mein Kampf*. When Germany invaded France, the couple's citizenship status became ambiguous. Abel was forced to work as a photographer for the German army or face imprisonment. Marokvia, left alone and watched as a possible French spy in Germany, drew on a well of strength to live a quiet, determined life and survive the war. Passionate, straightforward, and enthralling, this new memoir offers a glimpse of the seldom-seen life of a French citizen in Germany during World War II. Now in her late nineties, Marokvia is working on the final installment of a trilogy, which will pick up with the couple's postwar move to America."--Library Journal. Be the master of your fear and you can rule over your life. Fear is the only obstacle between you and your dreams, between you and what you most love. So says Archangel Raphael, who, in this series of channelings, unravels the mysteries of fear and, through its darkest paths, guides you step by step up to the glade of love. He helps you tear away fears masks one by one till you come to know its real face; only then does he teach you the ways to transmute it into love, thus eliminating its disastrous implications. According to Archangel Raphael, fear shows that somewhere in the deepest part of your being, you have chosen hatred versus love, and your life cannot have real meaning. Only when your fear is transformed can real life happen to you. The end of your fear will signal the beginning of your life. Until that day comes, you will have just lived in a lie, in an illusion. I am only asking you to give me your fear, Archangel Raphael adds, and I will give back to you your love, the most precious gift you ever had. In my darkest hour, at rock bottom, when all I had ever loved was lost, everything I've ever had has been stripped from me, all alone naked with nothing but solitude. At my cross roads where there can only be two outcomes, to rise from the depths of darkness or be broken by it. In my most desperate hour while stumbling like a blind man not able to see his path, tripping over things as I stagger and crawl, not knowing which way is forward, with no light to guide me, I reflected on my past and all its events and circumstances, looking at every detail and what I had learnt from it in search of answers to find the strength to keep on going and in that search I found knowledge and wisdom. This book is my path from the clutches of hell into the kingdom of heaven. I needed a miracle and in this book I found one. Army of Christ is my heart and soul poured onto paper, I needed to understand my past in order to understand my present, 90% of solving a problem is being able to recognize it, my situation was infinite in knowledge and to understand it required more than knowledge, it required faith, and through faith I found seventeen steps to eternity. Every event in my life up to this point had been preparing me for this fight, giving me the tools to battle my way through this psychological and spiritual war that lay before me. This book is the story of the Phoenix rising from the ashes to lay claim to life and his right to live it, every day from this day on will be beautiful with blue skies, green trees, children playing and a love and appreciation for everything good in the universe, for I found something on my journey that can never be taken from me "the God within myself". Part 1 of *Deceptive Innocence*—the first book in the sensual, thrilling *Pure Sin* trilogy by New York Times bestselling author Kyra Davis (*Just One Night*). A beautiful young woman is out for revenge—only to find the man she's targeting has secrets as dangerous as her own, and a passion she cannot resist. Ever since her mother died while serving time for a murder she didn't commit, Bell's been focused on one thing: revenge. She knows her mother was set up by the head of the powerful Gable family, international bankers who will crush anyone for profit, or amusement. Now she's determined to take the Gables down—from the inside. Seducing her way into the life—and bed—of the family's rebellious youngest son, Lander, she figures it should be easy to uncover the secrets she needs to destroy his family. But Lander turns out to be much more complicated than Bell ever could have imagined. He's enticing, intelligent, mysterious—and their sexual chemistry is off the charts. Lander is still the target, but once Bell gives in to her desire to touch him, he starts seeming much less like an enemy... Which is why her anger is more necessary than ever: Memories of her mother must help fuel her quest for justice to the very end. From Kyra Davis, New York Times bestselling author of *Just One Night*, comes *Book Two* in the *Pure Sin* series that *Sinfully Sexy* is calling "angsty, intriguing, and off the charts sexy." The beautiful, angry Bell has revenge in her heart and Lander Gable in her sights. She's seduced her way into his arms with the intent to destroy his wealthy family. But now that she's there, lust and passion have begun squeezing out that desire for vengeance. It's a dangerous game Bell is playing, and sex, mystery, and lies are the most intriguing game pieces of all. Laurel Sandlin has the perfect life. She lives in Pleasant Hill in her dream house, complete with white picket fence and pool. A wife and mother, with loving family nearby, she couldn't be happier—but even perfect people are bound to have problems. Laurel's stay carefully hidden until her father's sudden illness. The trauma of his sickness forces the dark elements of his past to come to light and threaten the safety of everyone he knows. Laurel tries to keep his past a secret and protect her future, but it is impossible. Everything begins to crumble. Soon, her marriage begins to fail, and chaos overtakes her peaceful life. Laurel has no choice but to face up to the past. As she digs deeper into her father's past, she discovers a part of herself she had forgotten existed. Now Laurel must decide if exposing the truth is worth risking it all. Do you find yourself caught up in comparing yourself to others, performing for acceptance, or held captive to perfectionism? You are not alone. We all currently live in a world that seems to demand an acceptable identity, especially exaggerated by social media. It seems to drive us to compare how we look, what we have, and how we perform (or fail to perform). This leads us to question ourselves: What if I fail to measure up? What if I don't have what it takes? What if I'm not enough? It seems logical to hide in safety behind clever masks or high emotional walls created to avoid the judgment of others or the feelings of inadequacy, guilt, fear, or shame. Yet that means you're trapped in hiding who you are, often questioning your value and worth. Our *Masquerade* invites you to confront your hiding places. You can discover how, why, and where you've learned to hide and once you've done so, you can say goodbye to tormenting thoughts and feelings that steal your confidence and your peace. You can leave the past behind and find the pathway to escape into a life transformed. This book will guide you to examine the ways in which life has induced you to hide and offers the inspiration to take off your masks, escape your hiding places, and learn to live with confidence. Part 2 of *Deceptive Innocence*—the second book in the sensual, thrilling *Pure Sin* trilogy by New York Times bestselling author Kyra Davis (*Just One Night*). Conceived of her mother, a Merovingian—a direct descendant of Christ—and her father, the half-human son of a fallen angel, Eden's very existence had prompted The Great War. Prophesied to be the Keeper of the Balance, she struggles to realize her purpose. Levi, the overconfident and charming half-human son of Lucifer takes nothing seriously. Not even when he finally meets the young woman who is destined to end his existence. A common bond is formed under the pressures they face from both sides, but their respective religious texts predict opposite outcomes. Either way, they must choose: war, death, or love. The German theologian and religious reformer, Martin Luther was the catalyst of the sixteenth century Protestant Reformation. Luther set on course a movement that reformulated the basic tenets of Christian belief, resulting in the division of Western Christendom between Roman Catholicism and the new Protestant traditions. One of the most influential figures in the history of Christianity, Luther produced a wide body of works, challenging the authority and office of the Pope by teaching that the Bible is the only source of divinely revealed knowledge. His landmark translation of the Bible into the German vernacular made religion more accessible to everyday people, having a tremendous impact on both the church and German culture. This is a significant question both for literary interpretation and theology—yet one without a straightforward answer. This volume provides a critical overview of key issues and historical developments in the concept of innocence, delving into its ambivalences and exploring the many transformations of innocence within literature and theology. The contributions in this volume, by leading scholars in their respective fields, provide a range of responses to this critical question. They address literary and theological treatments of innocence from the birth of modernity to the present day. They discuss major symbols and themes surrounding innocence, including purity and sexuality, childhood and inexperience, nostalgia and utopianism, morality and virtue. This interdisciplinary collection explores the many sides of innocence, from aesthetics to ethics, from semantics to metaphysics, examining the significance of innocence as both a concept and a word. The contributions reveal how innocence has progressed through centuries of dramatic alterations, secularizations and subversions, while retaining an enduring relevance as a key concept in human thought, experience, and imagination. (1935) by Frieda Lawrence Though they disagree on virtually everything else, evangelicals and gays, Catholics and agnostics all agree that sex should be innocent and ecstatic. For most of Western history people have not had such expectations. Innocent Ecstasy shows how Christianity led Americans to hope for so much from sex. The book explains how the sexual revolution could have occurred in a nation so deeply imbued with Christian ethical values. Tracing our strange journey from the hands of Jonathan Edward's angry Puritan God to the loving embrace of Marabel Morgan's Total Woman, Gardella draws his surprising evidence from widely disparate sources, ranging from Catholic confessionals to methodist revival meetings, from evangelical romances to The Song of Bernadette. He reveals the sexual messages of mainstream Protestant theology and the religious aspirations of medical texts found at the Kinsey Institute for Sex Research. He sheds new light on such well-known figures as Henry Adams, Margaret Sanger, Aimee Semple McPherson, and Harriet Beecher Stowe, and introduces us to such fascinating, lesser-known characters as Dr. John Harvey Kellogg and Sylvester Graham, inventors of corn flakes and Graham crackers, who devised their products as anti-aphrodisiacs. While detailing the development of moral obligations to pursue sexual pleasure and to follow certain patterns of sexual practice, Gardella incidentally provides one of the few books to bring together the liberal Protestant, Roman Catholic, and evangelical perspectives on any aspect of American culture. Gardella attributes the American ethic of sexual pleasure to the eagerness of Americans to overcome original sin. This led to a quest for perfection, or complete freedom from guilt, combined with a quest for ecstatic experience. The result, he maintains, is an attitude that looks

to sex for what was once expected from religion. In this new edition, a new conclusion explores how popular music, gay liberation, and recovery from sexual abuse have substantially expanded innocent ecstasy during the past thirty years while continuing the Christian themes of redemption and mission. A new afterward deals with contemporary developments in popular culture and offers thoughts about the future Elizabeth Bowen was a prolific writer; her publishing career spanned five decades and during this time she wrote ten novels, over one hundred short stories and countless reviews and journal articles. While earlier novels are now acknowledged as Modernist texts, her later novels can be read through the lens of postmodernism; they can be considered variously as romantic fiction, marriage novels, war time spy thrillers and psychological drama but, throughout her novels, she consistently questioned notions of identity, sexuality and the loss of innocence. A World of Lost Innocence: The Fiction of Elizabeth Bowen offers a reading of Elizabeth Bowen's fiction which focuses specifically on this loss, foregrounding the psychological conflicts experienced by her protagonists. It examines the subject not only across the range of her fiction, but also in relation to her unfolding narrative structures through a chronologically based discussion of her novels and selected short stories, interwoven with biographical information and drawing on unpublished letters. This book investigates the dominant kinds of innocence that Bowen represents throughout her fiction: the innocence attributed to childhood, sexual innocence and sexual morality, and political innocence, and argues that the transition from innocence to experience plays an important role in the epistemological journey faced both by Bowen's characters and her readers. Kyra Davis, the New York Times bestselling author of Just One Night, returns with book one in the thrillingly erotic Pure Sin series featuring a beautiful young woman out for revenge—until she falls in love with the one man whose secrets are as dangerous as her own. (Note: this volume collects Parts 1 - 3 of the previously serialized Deceptive Innocence ebook series.) Ever since Bell's mother died while serving time for a murder she didn't commit, Bell's been focused on one thing: revenge. She knows her mother was set up by Jonathon Gable, the head of both the powerful Gable family and an international banking corporation. Now she's determined to take him down—from the inside. Bell needs access to the Gable home and offices, so she poses as a bartender to seduce her way into the bed—and life—of Jonathon's rebellious youngest son, Lander. He's not a typical Gable, spending more time in the dive bars of Harlem than the posh cocktail lounges of the Upper East Side. He has an attraction to danger, a vulnerability Bell isn't shy about exploiting. It should be easy to uncover the secrets she needs to destroy his family and clear her mother's name. But it turns out Lander is much more complicated than she ever imagined. He's enticing, intelligent, mysterious—plus their sexual chemistry is off the charts. Even though Bell knows he's the enemy, she can't help but be moved, both physically and emotionally, by the man she swore was just a target. When he finds out the truth she's sure both their hearts and her plan will be crushed...until she begins to realize that Lander might be hiding his own secrets, darker than she ever imagined. Truth \* Repentance \* Glory \* Revival This book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the Christian life. The author's teaching is to the point, yet comprehensive enough to answer a range of questions as it articulates the truth of God's Word. The value of understanding the Bible blossoms in the beauty of God's glory as the wisdom of the Lord applies his truth to our everyday life. A much-needed systematic theology is established as doctrine is taught with originality in the power of the Holy Spirit with dynamic revelation. It builds solid truth in a structural style and should resonate with any believer as prophetic, personal, and inspirational. Theologically, it is equivalent to a four-year Bible College. Biblical truth is taught to equip the Christian and minister with significant knowledge and wisdom on over fifty topics. Many false beliefs and misconceptions are dealt with while God's Word is taught in clarity. The book shares breakthrough insight on many subjects of the Bible that are hard to understand. Also, there is significant teaching on the born-again experience, the constitution of the Christian or who we are in Christ, the baptism with the Holy Spirit, authentic worship, and much more! This is a textbook for the Christian life. Many will see it as a great source of sermons, curriculum, and position papers. The titles of the forty-four chapters should strike the interest of any God-fearing truth-loving Christian. You will not be disappointed as the Holy Spirit articulates God's will, sorts out ideas, clears away confusion, and builds solid beliefs and practice! You will see a consistency of relationship. The Bible is a unified masterpiece of truth; it's all related. Most chapters start fresh with new topics and developing themes. There are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God's Word while attempting to satisfy the Bible College graduate. There is much teaching today that has obscured the true meaning and application of Scripture, placed a veil over the heart of believers, and deprived Christians of its complete relevant impact upon them. Therefore, it was necessary to write a book which establishes a systematic theology based upon the full counsel of God (Acts 20:27) without imposing agendas nor being controlled by any religious group. Reproduction of the original: John Stevens' Courtship by Susa Young Gates The seventeenth-century poet and divine Thomas Traherne finds innocence in every stage of existence. He finds it in the chaos at the origins of creation as well as in the blessed order of Eden. He finds it in the activities of grace and the hope of glory, but also in the trials of misery and even in the abyss of the Fall. Boundless Innocence in Thomas Traherne's Poetic Theology traces innocence through Traherne's works as it transgresses the boundaries of the estates of the soul. Using grammatical and literary categories it explores various aspects of his poetic theology of innocence, uncovering the boundless desire which is embodied in the yearning cry: 'Were all Men Wise and Innocent...' Recovering and reinterpreting a key but increasingly neglected theme in Traherne's poetic theology, this book addresses fundamental misconceptions of the meaning of innocence in his work. Through a contextual and theological approach, it indicates the unexplored richness, complexity and diversity of this theme in the history of literature and theology.
