Hickey,1992 **Relationships and Life Cycles** Stephen Arroyo,2020-08-04 In this breakthrough book Stephen Arroyo discusses the two subjects that people most often want to understand through astrology Relationship Compatibility and the Cycles that Shape Our Lives The spontaneous quality of this book makes it especially informative and valuable since it includes numerous insights and observations not found in more conventional presentations As many reviewers have observed the sections on precisely how to compare charts to analyze relationships and how to use the houses in such comparisons are completely unique and original contributions to the field of astrological psychology Experiments & Experience with Astrology Stephen Arroyo,2020-10-13 In this eBook original numerous practical as well as philosophical issues are explored In an in

depth wide ranging interview appearing in book form for the first time Stephen Arroyo answers questions about his early years in astrology how he came to write some of his classic works and his views on various central issues in astrology s current practice and potential future development In another chapter he provides concise new observations and guidelines that provide more insightful ways of understanding many factors in both individual birth charts and chart comparisons In the other sections of this book he discusses what astrology can contribute to psychology how to understand the Ascendant and possible explanations of transits powerful effects And importantly this is the only book currently available that describes and explores his unique theory of subtones as an incisive psychologically revealing method of achieving greater depth in understanding any birth chart In short utilizing subtones is a method of synthesizing the major chart factors in any person s chart in a simple quick way that people at any level of astrological knowledge can easily learn and reliably use **The Only Astrology Book You'll Ever Need** Joanna Martine Woolfold,2008-06-11 OVER HALF A MILLION COPIES SOLD This is the classic guide to astrological history legend and practice Readers will enjoy simple computer accurate planetary tables that allow anyone born between 1900 and 2100 to pinpoint quickly their sun and moon signs discover their ascendants and map out the exact positions of the planets at the time of their birth In addition to revealing the planets influence on romance health and career The Only Astrology Book You ll Ever Need takes a closer look at the inner life of each sign Celebrated astrologer Joanna Martine Woolfolk offers abundant insights on the personal relationships and emotional needs that motivate an individual on how others perceive astrological types and on dealing with the negative aspects of signs Readers will also welcome the inclusion of new discoveries in astronomy Lavishly illustrated and with an updated design this new edition is an indispensable sourcebook for unlocking the mysteries of the cosmos through the twenty first century and beyond

**Astrology and Your Past Lives** Jeanne Avery,2004-03-01 Understanding your previous incarnations can turn into a fascinating journey of self discovery and healing You can gain insight into destructive habits that may have begun in a past life and then create a more positive and creative new life In Astrology and Your Past Lives astrologer and regression therapist Jeanne Avery provides a simple yet profound way to understand one s blocks and blessings By focusing on the meaning of one planet Saturn the planet of limitations Avery shows how we pick our own type of gravity that connects this life to our previous incarnations The Luminaries Liz Greene,Howard Sasportas,1992-01-01 The lectures in this volume form the first part of a week long seminar called The Inner Planets which was given in Zeurich in June 1990 Introd *The Astrology of Self-Discovery* Tracy Marks,2008 The Astrology of Self Discovery provides guidance for achieving self development through attunement to planetary influences and gives direction to those struggling with life s issues Combining astrology depth psychology and spiritual teachings Marks helps the reader make contact with the planets as they function as internal archetypes and personalities as well as gain insight perspective and the tools for self empowerment She has helpful advice on how to prepare for and handle outer planet transits especially Neptune and Pluto which she covers indepth She

also addresses the healing of the inner child and the feminine principle as expressed by the Moon and the lunar nodes as an expression of life purpose Provocative questions and worksheets help the reader apply the life lessons she presents Marks experience as a psychotherapist and spiritual teacher has enabled her to synthesize her knowledge of psychology with her astrological work to elucidate a path of deepening personal awareness and cooperation with planetary energies The unique insights in *The Astrology of Self Discovery* give fresh new life to the practice of astrology

**Person-to-Person Astrology** Stephen Arroyo,2011-06-21 Using a new language of energy based on the ancient four elements and in harmony with that used by the more advanced healing arts renowned author Stephen Arroyo here explores how astrology as a language of energy can be astoundingly accurate and useful in illuminating individuals energy exchange in all close relationships The preface author s note introduction and early chapters of *Person to Person Astrology* lay the groundwork for serious consideration of astrology as a significant discipline The following chapters detail the influence of the four elements Fire Earth Water Air on the 12 signs with a particular emphasis on the rising sign Ascendant The author shows readers how to experiment by comparing birth charts and explains through detailed descriptions people s psychological motivations and needs based on the positions of their Moon Venus and Mars Appendices include astrological definitions keywords and sign tables that allow readers quick access to the basics Written in the author s trademark clear accessible style *Person to Person Astrology* presents a new approach to finding fulfillment in any kind of relationship

**Astrological Insights into Personality** Betty Lundsted,2004-09-01 This down to earth exploration of natal chart interpretation shows the familial male female patterns in the zodiacal signs and the potentials they hold in combination with planetary energies and house symbolism Our personalities are strongly influenced by what was happening around us when we were infants and whether our needs were met Lundsted explains that our natal chart is our parent s transit chart therefore revealing the truth of our childhood family dynamics Once we understand these dynamics Lundsted helps us move beyond laying blame on our parents by identifying the compensating strengths revealed in the chart She also shows us that the typically classified difficult or hard aspects in the chart actually hold the key to our transformation

**Astrology, A Cosmic Science** Isabel M. Hickey,2011-11-26 New edition of the classic Isabel Hickey s classic comprehensive text of spiritual astrology is now in a new edition This handy reference book provides a strong foundation for the beginner as well as new insights and self knowledge for more advanced astrology students Isabel Hickey s emphasis on the deeper more metaphysical aspects of astrology s mysteries has resulted in continuous word of mouth recommendation by enthused readers with a Foreword by internationally renowned author of eight popular books on modern astrology Stephen Arroyo

*Exploring Jupiter* Stephen Arroyo,1996 This book is the very essence of Jupiter From its apt title to its generous use of many famous chart examples to Arroyo s trademark insight and wisdom on every page *Exploring Jupiter* is positively a winner The presentation of the astrology is clear practical and intelligent making it a must for both newer students and more experienced practising astrologers Unlike

the majority of modern astrologers Arroyo refers to Jupiter's ancient rulership of Pisces as being significant. The book includes Jupiter through the signs, Jupiter through the houses, arranged by element, Jupiter aspects in the birth chart, and so on. As always with Stephen Arroyo, it is the clarity and profound depth of these guidelines for interpretation that is so striking. The chapter on transits involving Jupiter is particularly good, building on ideas he has expressed in earlier writings. **A to Z Horoscope Maker and Delineator** Llewellyn George, 2013-10. This is a new release of the original 1946 edition. The Astrology of Fate Liz Greene, 1985-01-15. Combining an understanding of astrological symbolism and the psychological processes involved in the pursuit of individuality, the author shares insights about how the concept of fate evolves. Through myths, fairy tales, and zodiacal signs, she shows us this mythological journey. **Direction and Destiny in the Birth Chart** Howard Sasportas, 2023-03-27. Direction and Destiny in the Birth Chart returns due to popular demand. When Howard Sasportas died in 1992, the astrological community recognised that it had lost one of its best-loved and most original thinkers. His lectures made him a highly respected figure in the international astrological world. At Howard's seminars, the participants could enjoy his unique combination of intuitive insight, humour, warmth, inspired interpretation, and profound grasp of human nature. It is his rare blend of spirituality and down-to-earth, trenchant observations of human psychological dynamics which makes his work so unusual and memorable. The three seminars included in this reprint of the original volume all deal with the themes of direction and destiny in the birth chart. In personal consultation work, Howard had the gift of inspiring his clients and highlighting potentials which gave them renewed hope and new directions to pursue in life. These seminars convey the same optimism and positive vision of human possibilities. The first seminar on the theme of vocation deals practically, psychologically, and philosophically with that most difficult of questions: How can we discover the right path in life? The second seminar on those mysterious points in the horoscope known as the Moon's Nodes explores the distinction between fate and destiny and the ways in which, as Jung once put it, we can learn to do what we must do gladly. The third seminar on the psychology of the helper examines the astrological signatures of the aptitudes and psychological patterns of those who are called to work in the helping professions. This volume is accessible, profound, and revealing, and is essential reading for any astrological student seeking to understand the mystery and creative challenge of what impels us to move forward in life.

**Incarnation** Melanie Reinhart, 2014-10-10. Both of the seminars in this book address the theme of orientation, offering the reader a profound but accessible interpretation of the structure and the spinal column of the horoscope. The four angles: Ascendant, Descendant, MC, and IC, reflect the horizon and meridian at the moment of birth and symbolise the cross of matter into which we are born. They describe our participation in external reality and also clarify how the subtle patterns of belief, attitude, and circumstance affect our inner sense of orientation. Each angle is described separately in terms of the element and mode, and the meaning of the houses which flank it. Transits are also considered, and there is a guided imagery process where the individual horoscope placements are explored. The axis of the Moon's Nodes represents an arc of meaning along

which the activities of being and doing are balanced over and over again Our ability to let go of the past is tested and we embrace the future from the vantage point of the eternal now This section reviews familiar material and also offers a number of approaches to the Nodes which the reader will not find elsewhere There is a review of the Nodes as placed in the six pairs of opposite signs plus a questionnaire for readers to consider their own Nodes This book includes astronomical and psychological material presented in a lively seminar format which will expand the understanding of beginners and experienced astrologers alike **The Zodiac by Degrees** Martin Goldsmith,2015-02-11 The Zodiac by Degrees provides symbols and interpretations for each of the 360 degrees of the zodiac These symbols make a direct connection with your basic spiritual energies and penetrate the private language of your personal mythology For this second edition every one of the 360 degrees has been reexamined from extensive lists of examples In the end about ninety degrees have undergone major changes and all of the rest have been clarified and sharpened The result is a symbol system of unparalleled accuracy and an indispensable tool for both amateur and practicing astrologers
