Selecting the RUN  icon will allow you to perform general computations and arithmetic.

The function keys allow you to access the tab (soft key) menus that will come up at the bottom of the screen. When an  appears above the  key, selecting  will offer more on-screen choices.

The  key displays every mode the calculator has. To select a mode, you may   to the desired icon and press  or press the number or letter in the lower right hand corner of the icon.

The  key operates like the back arrow on a web browser; it will take you back one screen each time you select it. The  key will not take you to the icon menu.

The  key is a toggle key that will change answers or entered numbers back and fourth from decimal to fraction form.

The  key will power the unit on. To turn the unit off, press the yellow  key, then  key.

The  key is used to obtain a fraction bar. To obtain a mixed number, press  after inputting the whole number.

The  key executes operations. When data is entered, the  button must be pressed to store the data.
