*In the Godfather Garden* Richard Linnett, 2013-04-01 In the Godfather Garden is the true story of the life of Richie the Boot Boiardo one of the most powerful and feared men in the New Jersey underworld The Boot cut his teeth battling the Jewish gang lord Abner Longy Zwillman on the streets of Newark during Prohibition and endured to become one of the East Coast's top mobsters his reign lasting six decades To the press and the police this secretive Don insisted he was nothing more than a simple man who enjoyed puttingter about in his beloved vegetable garden on his Livingston New Jersey estate In reality the Boot was a confidante and kingmaker of politicians a friend of such celebrities as Joe DiMaggio and George Raft an acquaintance of Joseph Valachi who informed on the Boot in 1963 and a sworn enemy of J Edgar Hoover The Boot prospered for more than half a century remaining an active boss until the day he died at the age of ninety three Although he operated in the shadow of bigger Mafia names across the Hudson River think Charles Lucky Luciano and Louis Lepke Buchalter a cofounder of the Mafia killer squad Murder Inc with Jacob Gurrah Shapiro the Boot was equally as brutal and efficient In fact there was a mysterious place in the gloomy woods behind his lovely garden a furnace where many thought the Boot took certain people who were never seen again Richard Linnett provides an intimate look inside the Boot's once powerful Mafia crew based on the recollections of a grandson of the Boot himself and complemented by never before published family photos Chronicled here are the Prohibition gang wars in New Jersey as well as the murder of Dutch Schultz a Mafia conspiracy to assassinate Newark mayor Kenneth Gibson and the mob connections to several prominent state politicians Although the Boot never saw the 1972 release of *The Godfather* he appreciated the similarities between the character of Vito Corleone and himself so much so that he hung a sign in his beloved vegetable garden that read *The Godfather Garden* There's no doubt he would have relished David Chase's admission that his muse in creating the HBO series *The Sopranos* was none other than Newark's erstwhile Boiardo crew [Garden State Gangland](#) Scott M. Deitche, 2017-12-08 The Mafia in the United States might be a shadow of its former self but in the New York New Jersey metro area there are still wiseguys and wannabes working scams extorting businesses running gambling selling drugs and branching out into white collar crimes And they are continuing a tradition that's over 100 years old Some of the most powerful mobsters on a national level were from New Jersey and they spread their tentacles down to Florida across the Atlantic and out to California And many of the stories have never been told Deitche weaves his narrative through significant as well as some lesser known mob figures who were vital components in the underworld machine New Jersey's organized crime history has been one of the most colorful in the country serving as the home of some of the most powerful as well as

below the radar mobsters in the Country And though overshadowed by the emphasis on New York City the mob and New Jersey have over the years become synonymous in both pop culture and in law enforcement But for all the press that has been dedicated to the mob and New Jersey for all the law enforcement activity against the mob and for all the pop culture references there has never truly been an examination of the rise of the mob in New Jersey from a historical perspective Until now In Garden State Gangland Scott M Deitche sets the historical record straight by providing the first overall history of the mob in New Jersey from the early turn of the century Black Hand gangs to the present and looks at how influential they were was not only to goings on the Garden State but across the New York metro region and the country as a whole The Boys from New Jersey Robert Rudolph,1995 Presents a comprehensive examination of how the federal government failed to successfully prosecute the Lucchese crime family **New Jersey Mob** Bob Buccino,2016-09-06 New Jersey Mob Memories of a Top Cop By Bob Buccino Bob Buccino worked in law enforcement for fifty one years twenty four of which were spent investigating organized crime He is a superior court recognized expert on the Cosa Nostra He tells his story in three parts The first is about growing up in Orange New Jersey where he was a wannabe admiring the local mob guys He was a street tough extorting money from his classmates running his own bookmaking operation and wanting to be a mob guy In 1957 drugs hit the streets of Orange and several friends of Buccino died from Heroin overdoses Buccino married his childhood sweetheart and they had a baby boy He came to his senses about the mob and broke away from it He became a working stiff not getting anywhere with his life One day he saw an article in the newspaper announcing testing for state troopers He took the test passed and became a trooper changing his life forever The second part of his book is about his often very humorous uniform days as a state trooper During this time Anthony Tumac Acceturo a young tough that Buccino grew up with was beginning his career in the Cosa Nostra He and Buccino were running parallel lives When Buccino got transferred off of the uniform division and began his career investigating the Cosa Nostra Anthony was working for the mob In the third part of his book Buccino writes about his success in dismantling the mob in New Jersey telling about the many arrests and convictions of its mob bosses including the prosecutions of the high ranking bosses of the Gambino Lucchese Bruno DeCavalcante and Genovese crime families He also writes of the arrest and conviction of his childhood friend Anthony Tumac Acceturo while he was the deputy chief in the Division of Criminal Justice in charge of the New Jersey Statewide Organized Crime Task Force *Giovanni's Ring* Giovanni Rocco,Douglas Schofield,2021-06-01 The story of a former FBI undercover task force officer who spent years penetrating New Jersey s DeCavalcante crime family the criminal organization known to law enforcement as the real Sopranos Giovanni s Ring is the story of Giovanni Rocco a New Jersey police officer known undercover as Giovanni Gatto who was the mysterious agent at the epicenter of Operation Charlie Horse a federal undercover operation that ultimately brought down ten members and associates of New Jersey s DeCavalcante Mafia family the criminal organization known as the real Sopranos Giovanni spent nearly three years working his way into the DeCavalcante hierarchy That lethal

assignment brought the undercover operation to an end in March 2015 and the resulting string of high profile arrests eviscerated the criminal organization Giovanni's Ring is not simply a chronicle of Giovanni Rocco's adventures in the murky and dangerous Mafia world he inhabited but also a fascinating window into the psychological struggles that such a life inevitably entails

**Made Men** Greg B. Smith, 2003-02-04 For years the DeCavalcantes the most powerful Mob family in Jersey labored in the shadows of the more famous families in New York the likes of the Gambinos and the Columbos Dismissed by the big city capos the DeCavalcantes finally came into their own when they found their lives mirrored in the television hit The Sopranos Overnight it legitimized the made men of the Garden State Now they were a familia to be reckoned with Unfortunately with high profile came high risk As member turned against member as trusted friend turned terrified informant the FBI put the brakes on the DeCavalcante's explosive ride into infamy hastening a fall from honor that would become as infamous as their notorious ascension into the annals of organized crime Based on more than 1 000 hours of secretly recorded conversations Made Men delivers for the first time the unprecedented and completely uncensored behind the scenes truth of a historically clandestine world of violent life and sudden death inside and outside the mob told by the very men who made it

[Organized Crime in Miami](#) Avi Bash, 2016-12-05 While other cities are credited for birthing and honing the legendary crime figures who inevitably influenced and shaped their susceptible surroundings and culture Miami is where the Mob like many American citizens often turned when seeking vacation vice or a new beginning Dating back to the first quarter of the 20th century resourceful gangsters from across the nation recognized the profitable business

opportunities Miami could provide with its booming population perfect year round climate cooperative law enforcement and mutual understanding among otherwise rival gangs The promise of an open city free from familiar encumbrances and restrictions prompted eager mobsters from around the country to migrate south and trade in their suits and fedoras for swim trunks and flip flops Organized Crime in Miami examines the considerable yet heavily underpublicized involvement of the American Mafia in South Florida and its lasting impact on the community through their business activities both illegal and within the confines of the law
