pregnant wife that she intends to deliver their baby at home Michael Perry plumbs his unorthodox childhood for clues to how to proceed as a farmer a husband and a father Whether he s remembering his younger days when his city bred parents took in sixty or so foster children while running a sheep and dairy farm or describing what it s like to be bitten in the butt while wrestling a pig Perry flourishes in his trademark humor But he also writes from the quieter corners of his heart chronicling experiences as joyful as the birth of his child and as devastating as the death of a dear friend

**Visiting Tom** Michael Perry,2016-03-08 Somewhere between Garrison Keillor s idyllic sweet Lake Wobegon and the narrow mindedness of Sinclair Lewis s Main Street lies the reality of small town life This is where Michael Perry lives St Paul Pioneer Press Perry can take comfort in the power of his writing his ability to pull readers from all corners onto his Wisconsin spread and make them feel right at home Seattle Times Tuesdays with Morrie meets Bill Bryson in Visiting Tom another witty poignant and stylish paean to living in New Auburn Wisconsin from Michael Perry The author of Population 485 Coop and Truck A Love Story Perry takes us along on his uplifting visits with his octogenarian neighbor one valley over and celebrates the wisdom heart and sass of a vanishing generation that embodies the indomitable spirit of small town America

**The Jesus Cow** Michael Perry,2015-05-19 New York Times bestselling humorist Michael Perry makes his fiction debut with this hilarious and big hearted tale a comic yet sincere exploration of faith and the foibles of modern life that blends the barbed charm of Garrison Keillor the irreverent humor of Christopher Moore and the audacious insight of Chuck Klosterman Life is suddenly full of drama for low key Harley Jackson A woman in a big red pickup has stolen his bachelor s heart a Hummer driving predatory developer is threatening to pave the last vestiges of his family farm and inside his barn is a calf bearing the image of Jesus Christ His best friend Billy a giant of a man who shares his trailer house with a herd of cats and tries to pass off country music lyrics as philosophy urges him to avoid the woman fight the developer and get rich off the calf But Harley takes the opposite tack hoping to avoid what his devout dearly departed mother would have called a scene Then the secret gets out right through the barn door and Harley s miracle goes viral Within hours pilgrims grifters and the media have descended on his quiet patch of Swivel Wisconsin looking for a glimpse and a percentage of the calf Does Harley hide the famous possibly holy calf and risk a riot or give the people what they want and raise enough money to keep his land and just possibly win the woman and her big red pickup truck Harley goes all in cutting a deal with a major Hollywood agent that transforms his little farm into an international spiritual theme park think Lourdes only with cheese curds and t shirts Soon Harley has lots of money and more trouble than he ever dreamed

**Danger, Man Working** Michael Perry,2017-08-15 Every writer has advice for aspiring writers Mine is predicated on formative years spent cleaning my father s calf pens Just keep shoveling until you ve got a pile so big someone has to notice The fact that I cast my life s work as slung manure simply proves that I recognize an apt metaphor when I accidentally stick it with a pitchfork Poetry was my first love my gateway drug still the poets are my favorites but I quickly realized I lacked the chops or insights to survive on verse alone But I wanted to write Every day And so

I read everything I could about freelancing and started shoveling The pieces gathered within this book draw on fifteen years of what Michael Perry calls shovel time a writer going to work as the work is offered The range of subjects is wide from musky fishing puking and mountain climbing Iraq War veterans to the frozen head of Ted Williams Some assignments lead to self examination of an alarming magnitude as Perry notes It quickly becomes obvious that I am a self absorbed hypochondriac forever resolving to do better nutritionally and fitness wise but my follow through is laughable But his favorites are those that allow him to turn the lens outward My greatest privilege he says lies not in telling my own story it lies in being trusted to tell the story of another

*The Scavengers* Michael Perry, 2014-09-02 Jeanne DuPrau's *The City of Ember* meets Louis Sachar's *Holes* in this imaginative and humorous middle grade debut from Michael Perry New York Times bestselling author of the adult novels *Population 485* and *Truck A Love Story* When the world started to fall apart the government gave everyone two choices move into the Bubble Cities or take their chances outside Maggie's family chose to live in the world that was left behind Deciding it's time to grow up and grow tough Maggie rechristens herself Ford Falcon a name inspired by the beat up car she finds at a nearby junkyard Ford's family goes to this junkyard to scavenge for things they can use or barter with the other people who live OutBubble Her family has been able to survive this brave new world by working together But when Ford comes home one day to discover her home ransacked and her family missing she must find the strength to rescue her loved ones with the help of some unlikely friends *The Scavengers* is a wholly original tween novel that combines an action packed adventure a heartfelt family story and a triumphant journey of self discovery in a world where one person's junk is another person's key to survival Katherine Applegate author of the Newbery Medal winner *The One and Only Ivan* raves Michael Perry pulls out all the stops in this colorful tale

**Scent of the Missing** Susannah Charleson, 2010-04-14 A haunting meditation on trust, hope, and love by a woman who adopts and trains a Golden Retriever puppy to become a search and rescue dog. People in the wake of the Oklahoma City bombing. Susannah Charleson's attention was caught by a newspaper photograph of a canine handler, his exhausted face buried in the fur of his search and rescue dog. Susannah, a dog lover and pilot with search experience herself, was so moved by the image that she decided to volunteer with a local canine team, plunging herself into an astonishing new world. While the team worked long hours for nonexistent pay and often heart-wrenching results, Charleson discovered the joy of working in partnership with a canine friend and the satisfaction of using their combined skills to help her fellow human beings. Once she qualified to train a dog of her own, Charleson adopted Puzzle, a smart, spirited Golden Retriever puppy who exhibited unique aptitudes as a working dog but was a bit less interested in the role of compliant house pet. *Scent of the Missing* is the story of Charleson's adventures with Puzzle as they search for a lost teen, an Alzheimer's patient wandering in the cold, and signs of the crew amid the debris of the space shuttle Columbia disaster, all while unraveling the mystery of the bond between humans and dogs. A riveting view of both the human-animal bond and the training of search and rescue dogs. All dog lovers and people interested in training service dogs should read this book. Temple Grandin, author of *Animals Make Us Human*.

**Sorrow's Anthem** Michael Koryta, 2007-04-01 Once Lincoln Perry and Ed Graddock were friends. Then Perry became a cop, Graddock turned dangerous, and their friendship imploded. Now Graddock is dead, and Perry wants to use his PI license to prove that whatever else his childhood friend might have been, he wasn't a murderer. For the police, this case is over. The woman Graddock is alleged to have killed can't tell her side of the story, and the building she entered with him has burned to the ground. But Perry is making connections to a wave of arson that struck Cleveland seventeen years ago, fires that lit up the dark secrets of two families, a local powerbroker, and at least one crooked cop. Now Perry and his partner can see ties between the past and present, between innocents and criminals, and sirens that keep playing. With an intense exploration of both character and crime, *Sorrow's Anthem* establishes Michael Koryta as one of the top young mystery writers in America today.
