Ecstasy and Terror Daniel Mendelsohn, 2019-10-08 The role of the critic Daniel Mendelsohn writes is to mediate intelligently and stylishly between a work and its audience to educate and edify in an engaging and preferably entertaining way His latest collection exemplifies the range depth and erudition that have made him required reading for anyone interested in dissecting culture The Daily Beast In Ecstasy and Terror Mendelsohn once again casts an eye at literature film television and the personal essay filtering his insights through his training as a scholar of classical antiquity in illuminating and sometimes surprising ways Many of these essays look with fresh eyes at our culture s Greek and Roman models some find an arresting modernity in canonical works Bacchae the Aeneid while others detect a Greek DNA in our responses to national traumas such as the Boston Marathon bombings and the assassination of JFK There are pieces on contemporary literature from the aesthetics of victimhood in Hanya Yanagihara s A Little Life to the uncomfortable mixture of art and autobiography in novels by Henry Roth Ingmar Bergman and Karl Ove Knausgaard Mendelsohn considers pop culture too in essays on the feminism of Game of Thrones and on recent films about artificial intelligence a subject he reminds us that was already of interest to Homer This collection also brings together for the first time a number of the award winning memoirist s personal essays including his critic s manifesto and a touching reminiscence of his boyhood correspondence with the historical novelist Mary Renault who inspired him to study the Classics

The Gambler Paolo Bacigalupi, 2016-02-04 In this Hugo and Nebula Award nominated short story a Laotian journalist Ong tries to succeed in an American news agency where glamorous click bait stories drive revenue and in depth news stories are a dying breed As Ong struggles to survive in the newsroom he must choose whether he will pursue clicks and success or stay true to his ideals and risk everything because of it The Gambler was nominated for the 2009 Hugo Award for Best Novelette and the 2009 Nebula Award for Best Novelette It was featured in Gardner Dozois's Year's Best SF Twenty Sixth Edition Jonathan Strahan's Best SF of the Year Volume 3 and originally published in Pyr's Fast Forward 2 Anthology Reviews The stories he Paolo chooses to write are those that make an easy extrapolation of the present into the near future but with an immediacy and richness of detail that shows the reader just how close we are to seeing this come to pass The world of The Gambler isn't as dystopian as what we normally get from him but his protagonist still serves a similar function as a lone voice of reason in a future you would not prefer but which seems somehow inevitable There may be some analogy there with the author himself but either way this is a nicely done story Mataglap SF The story wisely spends its time deepening Ong's quiet but firm sincerity The end of The Gambler is probably the most touching thing Bacigalupi has yet written what Ong gambles on is human nature and Bacigalupi makes us want him to win Torque Control
