After missing her class costume party, a girl decides she doesn't need an excuse to dress up in this charming board book, a relatable school story from author-illustrator Blanca Gómez. When a little girl is home sick for dress-up day at school, she decides there's no need to miss out entirely: She'll just wear her rabbit costume the next day! But when the next day arrives and she's the only one in costume, it doesn't feel like such a great idea after all. Can a little bit of confidence and an unexpected new friend turn a self-conscious moment into a wonderful one? Funny, endearing, and relatable to any kid who's ever felt insecure, Dress-Up Day is an ode to friendship, embracing individuality, and putting yourself out there no matter the occasion. "There's an emotional change on almost every page of this picture book as Gómez presents the possibility that moments of chagrin don't last forever, and that disasters can morph into delight." —Publishers Weekly (Starred Review) A little girl and her favorite dress dream of an extraordinary life. They enjoy simple pleasures together on a beautiful Greek island. They watch the sunset, do chores, and pick wildflowers on the way home. One day, the dress and the girl must leave the island and immigrate to the United States. Upon arrival, the girl is separated from the trunk carrying her favorite dress, and she fears her dress is lost forever. Many years later, the girl—now all grown up—spots the dress in a thrift store window. As the two are finally reunited, the memories of their times together come flooding back. While the girl can no longer wear the dress, it's now perfect for her own daughter—and the new journey of a girl and her dress begins. Featuring lush illustrations, The Dress and the Girl is a stunning picture book about memory and the power of the items we hold most dear. Discover an age-old parenting method that treats children with dignity, respect, understanding, and compassion from infancy into adulthood. The Natural Child makes a compelling case for a return to attachment parenting, a child-rearing approach that has come naturally for parents throughout most of human history. In this insightful guide, parenting specialist Jan Hunt links together attachment parenting principles with child

advocacy and homeschooling philosophies, offering a consistent approach to raising a loving, trusting, and confident child. *The Natural Child* dispels the myths of “tough love,” building baby’s self-reliance by ignoring its cries, and the necessity of spanking to enforce discipline. Instead, the book explains the value of extended breast-feeding, family co-sleeping, and minimal child-parent separation. Homeschooling, like attachment parenting, nurtures feelings of self-worth, confidence, and trust. The author draws on respected leaders of the homeschool movement such as John Taylor Gatto and John Holt, guiding the reader through homeschool approaches that support attachment parenting principles. Being an ally to children is spontaneous for caring adults, but intervening on behalf of a child can be awkward and surrounded by social taboo. *The Natural Child* shows how to stand up for a child’s rights effectively and sensitively in many difficult situations. The role of caring adults, points out Hunt, is not to give children “lessons in life”—but to employ a variation of The Golden Rule, and treat children as we would like to have been treated in childhood. Praise for *The Natural Child* “I had grown jaded with the flood of parenting books, but *The Natural Child* is a rare and splendid exception . . . I can’t praise it sufficiently, and would place it along with Leidloff’s Continuum Concept and my own *Magical Child* . . . It could make an enormous difference if read widely enough.” —Joseph Chilton Pierce, author of *The Magical Child* “In prose that is at the same time eloquent and simple, [Hunt] provides a mix of useful parenting tips that are supported by the philosophy that children reflect the treatment they receive. This is no less than an impassioned plea for the future—not only our children’s future, but the future of our way of life on this planet.” —Wendy Priesnitz, Editor, *Natural Life Magazine*

Eleanor Estes's *The Hundred Dresses* won a Newbery Honor in 1945 and has never been out of print since. At the heart of the story is Wanda Petronski, a Polish girl in a Connecticut school who is ridiculed by her classmates for wearing the same faded blue dress every day. Wanda claims she has one hundred dresses at home, but everyone knows she doesn't and bullies her mercilessly. The class feels terrible when Wanda is pulled out of the school, but by that time it's too late for apologies. Maddie, one of Wanda's classmates, ultimately decides that she is "never going to stand by and say nothing again." This powerful, timeless story has been reissued with a new letter from the author's daughter Helena Estes, and with the Caldecott artist Louis Slobodkin's original artwork in beautifully restored color. Tells a fictionalized story of how this actual portrait of a young farm girl came to be painted by Ammi Phillips sometime around 1835 in Dutchess County, New York. Children's non fiction. A 6th grade young girl tells the story of how her life changed, once she was selected to recite a life changing speech in honor of Mrs. Coretta Scott King. Imagine it. Make it! Leslie Jamendang is a graduate of Mariners' Polytechnic College-Naga Campus, in the Philippines. Born into poverty, Leslie faced significant challenges as a child, especially after she lost her father. She tells her remarkable story of courage and hope. This is Leslie's first book." My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth? Illustrated with more than 300 color photographs, including many details and back views, What Clothes Reveal treats not only elegant, high-style clothing in colonial America but also garments for everyday and work, the clothing of slaves, and maternity and nursing apparel." However the secrets living inside the walls of this old house were more than Brian and Jess could understand. Soon after moving in the "events" would begin. Despite their struggles to maintain composure in the face of all fear, Brian and Jess would soon be pitted against each other in a struggle for life and death. What they didn't know, what no one bothered to tell them prior to moving in was that there house was built by a man with a past more sinister than anyone could imagine. Their house was being run by a man hell bent on keeping all the souls he had collected over the years under his control, while adding fresh ones when the opportunity of new homeowners came knocking. For the love of their kids, and the love they have for each other, Brian and Jess become the exception to a long chain of "takings" by the house. They fight to prove to themselves that their is still love between them, they fight to

Open up a fresh and stylish story about growing up and keeping hold of your favorite memories. As the year passes, the narrator's favorite dress goes through a series of creative changes, from dress to shirt to tank top to scarf and so on, until all that's left of it is a good memory. Assisted by her patient and crafty mama, the narrator finds that when disaster strikes her favorite things, she doesn't need to make mountains out of molehills—she “makes molehills out of mountains” instead! Structured around the days of the week, the story is also illustrated to show the passing of the seasons, a perfect complement to the themes of growing older and keeping hold (and letting go) of special mementos. Praise for *I Had a Favorite Dress* “A spunky story about adjusting to change with creativity and style. Tailor-made, so to speak, for the Etsy generation of DIY enthusiasts.” –Publishers Weekly “Everyone is smiling in the buoyant confections created by illustrator Julia Denos—including, it's fair to say, young readers looking at them. Endearing picture book.” –Wall Street Journal “What could have been yet another example of kindergarten consumerism instead becomes one of resourcefulness and resilience.” –New York Times “Denos's multimedia illustrations reinforce the narrator's vibrant personality and the amazing transformations of the dress while capturing the action and emotion of the story. This book is sure to capture the imaginations of would-be seamstresses; children who can't bear to part with a favorite item; and those who want to reduce, reuse, recycle.” –School Library Journal “Breezy in style, they smartly stitch each scene of alteration as the not-so-little girl sashays through the days of the week and the seasons. A charming interpretation of an old story that will speak to young fashionistas.” –Kirkus Reviews This is a story about Julie and her best friend Becky trying to decide what to do with their day off from school. They are in Julie's room when all of a sudden she has an idea to do something they haven't done before. Play dress up! In her closet sets a box of old clothes that belonged to her great-aunts. They are in heaven now and the clothes were put in storage for many years. Julies mother cleaned out the storage and found the box and brought it home to for Julies to play with. Kasia Nimocks grew up in the rural regions of Jamaica. Raised by a single mother and being second to the youngest of seven siblings, she had to live one day at a time. With living conditions as a tenement house with no plumbing, no electricity, and no hope of ever obtaining those kinds of amenities, Kasia one day determined she would not wear the cloak of her mother's poverty. Accompany her through her life as she leaves home at 15 and faces the many obstacles

that refuse to release her from pauperism. Learn how that through a relationship with God and implicitly trusting Him can take anyone from being doomed to a penniless life to attending college in the largest city in Jamaica; Kingston. Princess Gabby Girl and the Sparkly Dress is a story about a little Princess who loves to dance around the palace and discovers a gorgeous, sparkly, magic dress and Miss Marvelous in the magic mirror. She finds happiness comes by sharing and caring for others. Her good deeds cause her dress to shine brighter but she is told by Miss Marvelous it will get dark if she forgets. She is so happy when her dress is sparkling but as soon as she focuses only on herself the dress becomes dull and dingy. She begins to forget all about her promise to Miss Marvelous. Her frustration grows as her dress continues to get darker and it appears to be beyond repair. The Princess gives up on trying to fix the dress and then with the help of Miss Marvelous she realizes that her true sparkle and true happiness comes from helping others. Once again she lights up her home, her village and her world! The theme of the book is based around Matthew 5:14-16. The message of those verses, "Let your good deeds shine out for all to see." resonates through this beautiful book. This is a lovely message and a fun way for kids to think about spreading kindness. It also, encourages readers to find their own happiness in helping others and sparkling in their own world. Kids, Parents & Grandparents will love this delightful, unique and creative message! That night, Birdie dreamed of dresses-- fluttery floral sundresses... lovely lace sheaths... chic chiffon gowns... In this follow-up to Birdie's Big-Girl Shoes, our favorite pint-sized fashionista is looking forward to a very BIG day--her birthday. But when Birdie tries on her favorite party dress, she realizes that - oh no! - it's too small. Mommy takes her to the boutique, where she tries on dress after dress, but Birdie realizes that none of these gowns will allow her to run and jump, make messes, and eat cake. Only when she takes a trip up to her favorite thinking place, the attic, does she realize that all it takes to find the perfect "Birdie dress" is a little imagination. Melanie's Dress Shop brings little girls a versatile collection of lovely handmade dresses that sell very well, but there is one distinctive yet lonely "little dress" that never gets sold...until one day, when a very special little girl comes into the shop with her mom and discovers this unique "little dress"! Brimming with intricate drawings, color photos, and excerpts from 18th-century writings, this enthralling book is your passport to a bygone age. Fashion and textiles lecturer Gail Marsh offers insights into the lives of 18th-century embroiderers; their equipment, stitches, and threads; and techniques such as working with metal thread and spangles, silk embroidery, tambour, and the forgotten arts of Hollie Point and knotting. A must-have for historical costume creators, collectors, and needlework enthusiasts. The true story of Claire McCardell, fashion designer from the 20th century, who changed the way women dress and created the American look. This pen and ink picture book will inspire any child (or person) with big dreams, especially those with a love of fashion. A detailed survey of women's clothing and the changes in fashion from 1730-1930. Morris is a little boy who loves using his imagination. But most of all, Morris loves his classroom's dress-up center and its tangerine dress. Morris is a little boy who loves using his imagination. He dreams about having space adventures, paints beautiful pictures and sings the loudest during circle time. But most of all, Morris loves his classroom's dress-up center — he loves wearing the tangerine dress. But the children in Morris's class don't understand. Dresses, they say, are for girls. And Morris certainly isn't welcome in the spaceship some of his

classmates are building. Astronauts, they say, don't wear dresses. One day when Morris feels all alone, and sick from the taunts of his classmates, his mother lets him stay home from school. Morris reads about elephants, and puts together a puzzle, and dreams of a fantastic space adventure with his cat, Moo. Inspired by his dream, Morris paints the incredible scene he saw, and brings it with him to school. He builds his own spaceship, hangs his painting on the front of it and takes two of his classmates on an outer space adventure. With warm, dreamy illustrations Isabelle Malenfant perfectly captures Morris's vulnerability and the vibrancy of his imagination. This is a sweetly told story about the courage and creativity it takes to be different.
