The Little Book of Jeong Monica Kim,2020-12 How did she turn a side hustle into a game-changing business and, at the same time, achieve happiness and fulfillment in her life? For Charlotte, it all came down to one thing: jeong. One of the most important Korean cultural values, jeong is a feeling of loyalty and of strong emotional connection to people and places. It goes deeper than love and friendship and grows stronger with time. In South Korea, jeong is critical for success in every facet of daily life, from cultivating hobbies to developing careers and relationships. In *The Little Book of Jeong*, Charlotte shares how jeong changed her own trajectory in life, landing her a job opportunity in Seoul and giving her the fuel she and her husband, Dave, needed to launch a ground-breaking digital skin care platform and skin care line. A personal story that centers around the deep bond she built with Korea, Charlotte reveals how jeong can radically change our relationships with our loved ones, our work, and the world around us, and challenges us to cultivate jeong in our own lives.
