Subject Guide Law Of Trust

Wills, Trusts, and Estates William M. McGovern, Sheldon F. Kurtz, 2004 Provides an overview of federal gift estate and generation skipping transfer tax laws for the law student or practitioner Grantor trust rules affecting the wealth disposition process is also addressed Other subjects include intestacy succession power of disposition limits transfer requirements revocation extrinsic evidence incapacity and undue influence Examines trusts and their alternatives changes in will execution and problems of construction in future interests Overviews the Federal Transfer Tax laws relating to estates and trusts deductions in computing taxable estates asset valuation and credits Generally emphasis is placed on the Uniform Probate Code throughout the text

The 10 Laws of Trust Joel Peterson, 2016-05-18 Because of trust in leadership in each other and in the mission a tiny company like John Deere grew into a worldwide leader On the opposite spectrum a lack of trust is what eventually sank the seemingly unsinkable corporation of Enron A culture of trust for all companies large and small is invaluable Trust turns deflection into transparency suspicion into empowerment and conflict into creativity And what many have learned unfortunately is that no enterprise is too large or too successful to withstand a lack of trust within its walls In *The 10 Laws of Trust* JetBlue chairman and Stanford Graduate School of Business professor Joel Peterson explores how a culture of trust gives companies an edge Consider this What does it feel like to work for a firm where leaders and colleagues trust one another Peterson has found that when freed from micromanagement and rivalry every employee contributes his or her best Risk taking and innovation become the norm In clear engaging prose highlighted by compelling examples Peterson details how to establish and maintain a culture of trust including Start with integrity Invest in respect Empower everyone Require accountability Keep everyone informed And much more As Peterson notes When a company has a reputation for fair dealing its costs drop Trust cuts the time spent second guessing and lawyering With this indispensable resource for businesses large and small you will learn how to plant the seeds of trust throughout your organization and reap the rewards of reputation profits and success

Trusts and Estates Melanie B. Leslie, Stewart E. Sterk, 2011 The Second Edition of *Concepts and Insights on Trusts and Estates* makes complex doctrinal rules easier to understand by exploring the history and rationale behind those rules The analysis is thorough and focuses both on common law doctrines and statutory reforms with an emphasis on the Uniform Probate Code including the 2008 amendments Each substantive chapter closes with a set of exam like problems designed to test understanding of the material included in the chapter The authors also include thorough solutions to each of these problems This is the only book in the field that combines thorough doctrinal analysis with more than 60 review problems each with complete solutions
