thread and a domestic sewing machine

China's Commercial Health Insurance China Development Research Foundation,2020-08-18 This book examines the financing of China's health system argues that present arrangements are not adequate and proposes an increased role for commercial health insurance as a way of overcoming the difficulties Highlighting that China's present social medical insurance system can only cover basic medical services with the results that many Chinese people with higher income are going abroad for high quality medical services and that doctors are not bringing in the salaries and obtaining the social status they expect the book suggests that commercial health insurance offers a possible solution in that it can help meet the demand of higher income groups for better healthcare services while at the same time increasing the income of more competent medical professionals The book goes on to consider the current state of China's commercial insurance industry outlining the various challenges that the industry needs to overcome if it is to fulfil an increased role challenges such as greater specialization increased capacity structural reform improved regulation and closer integration with China's medical reform programme

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work advice columnist comes a witty practical guide to 200 difficult professional conversations featuring all new advice There's a reason Alison Green has been called the Dear Abby of the work world Ten years as a workplace advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say Thankfully Green does and in this incredibly helpful book she tackles the tough discussions you may need to have during your career You'll learn what to say when coworkers push their work on you then take credit for it you accidentally trash talk someone in an email then hit reply all you're being micromanaged or not being managed at all you catch a colleague in a lie your boss seems unhappy with your work your cubemate's loud speakerphone is making you homicidal you got drunk at the holiday party Praise for Ask a Manager A must read for anyone who works Alison Green's advice boils down to the idea that you should be professional even when others are not and that communicating in a straightforward manner with candor and kindness will get you far no matter where you work Booklist starred review The author's friendly warm no nonsense writing is a pleasure to read and her advice can be widely applied to relationships in all areas of readers lives Ideal for anyone new to the job market or new to management or anyone hoping to improve their work experience Library Journal starred review I am a huge fan of Alison Green's Ask a Manager column This book is even better It teaches us how to deal with many of the most vexing big and little problems in our workplaces and to do so with grace confidence and a sense of humor Robert Sutton Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way Erin Lowry author of Broke Millennial Stop Scraping By and Get Your Financial Life Together
