Hammack,2016-01-01 This book is an introduction to the language and standard proof methods of mathematics It is a bridge from the computational courses such as calculus or differential equations that students typically encounter in their first year of college to a more abstract outlook It lays a foundation for more theoretical courses such as topology analysis and abstract algebra Although it may be more meaningful to the student who has had some calculus there is really no prerequisite other than a measure of mathematical maturity Pocket Book of Hospital Care for Children World Health Organization,2013 The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals This second edition is based on evidence from several WHO updated and published clinical guidelines It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care The Pocket Book is one of a series of documents and tools that support the Integrated Management **Into the Wild** Jon Krakauer,2009-09-22 NATIONAL BESTSELLER In April 1992 a young man from a well to do family hitchhiked to Alaska and walked alone into the wilderness north of Mt McKinley Four months later his decomposed body was found by a moose hunter This is the unforgettable story of how Christopher Johnson McCandless came to die It may be nonfiction but Into the Wild is a mystery of the highest order Entertainment Weekly McCandless had given 25 000 in savings to charity abandoned his car and most of his possessions burned all the cash in his wallet and invented a new life for himself Not long after he was dead Into the Wild is the mesmerizing heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world s attention Immediately after graduating from college in 1991 McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir In the Mojave Desert he abandoned his car stripped it of its license plates and burned all of his cash He would give himself a new name Alexander Supertramp and unencumbered by money and belongings he would be free to wallow in the raw unfiltered experiences that nature presented Craving a blank spot on the map McCandless simply threw the maps away Leaving behind his desperate parents and sister he vanished into the wild Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless s short life Admitting an interest that borders on obsession he searches for the clues to the drives and desires that propelled McCandless When McCandless s innocent mistakes turn out to be irreversible and fatal he becomes the stuff of tabloid headlines and is dismissed for his naivet pretensions and hubris He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge Krakauer brings McCandless s uncompromising pilgrimage out of the shadows and the peril adversity and renunciation sought by this enigmatic young man are illuminated with a rare understanding and not an ounce of sentimentality Into the Wild is a tour de force The power and luminosity of Jon Krakauer s stoytelling blaze through every page *This Chair Rocks* Ashton Applewhite,2019-03-05 Author activist and TED speaker Ashton Applewhite has written a rousing manifesto calling for an end to discrimination and

prejudice on the basis of age In our youth obsessed culture we re bombarded by media images and messages about the despairs and declines of our later years Beauty and pharmaceutical companies work overtime to convince people to purchase products that will retain their youthful appearance and vitality Wrinkles are embarrassing Gray hair should be colored and bald heads covered with implants Older minds and bodies are too frail to keep up with the pace of the modern working world and olders should just step aside for the new generation Ashton Applewhite once held these beliefs too until she realized where this prejudice comes from and the damage it does Lively funny and deeply researched This Chair Rocks traces her journey from apprehensive boomer to pro aging radical and in the process debunks myth after myth about late life Explaining the roots of ageism in history and how it divides and debases Applewhite examines how ageist stereotypes cripple the way our brains and bodies function looks at ageism in the workplace and the bedroom exposes the cost of the all American myth of independence critiques the portrayal of elders as burdens to society describes what an all age friendly world would look like and offers a rousing call to action It s time to create a world of age equality by making discrimination on the basis of age as unacceptable as any other kind of bias Whether you re older or hoping to get there this book will shake you by the shoulders cheer you up make you mad and change the way you see the rest of your life Age pride Wow This book totally rocks It arrived on a day when I was in deep confusion and sadness about my age Everything about it from my invisibility to my neck Within four or five wise passionate pages I had found insight illumination and inspiration I never use the word empower but this book has empowered me Anne Lamott New York Times bestselling author *U.S. History* P. Scott Corbett,Volker Janssen,John M. Lund,Todd Pfannestiel,Sylvie Waskiewicz,Paul Vickery,2024-09-10 U S History is designed to meet the scope and sequence requirements of most introductory courses The text provides a balanced approach to U S history considering the people events and ideas that have shaped the United States from both the top down politics economics diplomacy and bottom up eyewitness accounts lived experience U S History covers key forces that form the American experience with particular attention to issues of race class and gender *Dear Mr. Henshaw* Beverly Cleary,2009-10-06 Newbery Medal Winner Teachers Top 100 Books for Children ALA Notable Children s Book Beverly Cleary s timeless Newbery Medal winning book explores difficult topics like divorce insecurity and bullying through the thoughts and emotions of a sixth grade boy as he writes to his favorite author Boyd Henshaw After his parents separate Leigh Botts moves to a new town with his mother Struggling to make friends and deal with his anger toward his absent father Leigh loses himself in a class assignment in which he must write to his favorite author When Mr Henshaw responds the two form an unexpected friendship that will change Leigh s life forever From the beloved author of the Henry Huggins Ramona Quimby and Ralph S Mouse series comes an epistolary novel about how to navigate and heal from life s growing pains
