The House on Mango Street Nov 10 2023 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

The Book of Unknown Americans May 16 2024 A stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American and “illuminates the lives behind the current debates about Latino immigration” (The New York Times Book Review). When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it’s not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America.

The Art of War Jul 06 2023 The Art of War (Dell'arte della guerra), is one of the lesser-read works of Florentine statesman and political philosopher Niccolò Machiavelli. The format of 'The Art of War' was in socratic dialogue. The purpose, declared by Fabrizio (Machiavelli's persona) at the outset, "To honor and reward virtù, not to have contempt for poverty, to esteem the modes and orders of military discipline, to constrain citizens to love one another, to live without factions, to esteem less the private than the public good." To these ends, Machiavelli notes in his preface, the military is like the roof of a palazzo protecting the contents. Written between 1519 and 1520 and published the following year, it was the only historical or political work printed during Machiavelli's lifetime, though he was appointed official historian of Florence in 1520 and entrusted with minor civil duties. Many, Lorenzo, have held and still hold the opinion, that there is nothing which has less in common with another, and that is so dissimilar, as civilian life is from the military. Whence it is often observed, if anyone designs to avail himself of an enlistment in the army, that he soon changes, not only his clothes, but also his customs, his habits, his voice, and in the presence of any civilian custom, he goes to pieces; for I do not believe that any man can dress in civilian clothes who wants to be quick and ready for any violence; nor can that man have civilian customs and habits, who judges those customs to be effeminate and those habits not conducive to his actions; nor does it seem right to him to maintain his ordinary appearance and voice who, with his beard and cursing, wants to make other men afraid: which makes such an opinion in these times to be very true. But if they should consider the ancient institutions, they would not find matter more united, more in conformity, and which, of necessity, should be like to each other as much as these (civilian and military); for in all the arts that are established in a society for the sake of the common good of men, all those institutions created to (make people) live in fear of the laws and of God would be in vain, if their defense had not been provided for and which, if well arranged, will maintain not only these, but also those that are not well established.

Every Falling Star Mar 22 2022 Written for a young audience, this intense memoir explores the harsh realities of life on the streets in contemporary North Korea. Every Falling Star is the memoir of Sungju Lee, who at the age of twelve was forced to live on the streets of North Korea and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, "his brothers," to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

Touching Spirit Bear Mar 02 2023 In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

The Count of Monte Cristo Jul 14 2021 At the age of nineteen, Edmond Dantès seems to have the perfect life. He is about to become the captain of a ship, he is engaged to a beautiful and kind young woman, Mercédès, and he is well liked by almost everyone who knows him. This perfect life, however, stirs up dangerous jealousy among some of Dantès's so-called friends. Danglars, the treasurer of Dantès's ship, envies Dantès's early career success; Fernand Mondego is in love with Dantès's fiancée and so covets his amorous success; his neighbor Caderousse is simply envious that Dantès is so much luckier in life than he is. Together, these three men draft a letter accusing Dantès of treason. There is some truth to their accusations: as a favor to his recently deceased captain, Dantès is carrying a letter from Napoleon to a group of Bonapartist sympathizers in Paris. Though Dantès himself has no political leanings, the undertaking is enough to implicate him for treason. On the day of his wedding, Dantès is arrested for his alleged crimes. The deputy public prosecutor, Villefort, sees through the plot to frame Dantès and is prepared to set him free. At the last moment, though, Dantès jeopardizes his freedom by revealing the name of the man to whom he is supposed to deliver Napoleon's letter. The man, Noirtier, is Villefort's father. Terrified that any public knowledge of his father's treasonous activities will thwart his own ambitions, Villefort decides to send Dantès to

prison for life. Despite the entreaties of Monsieur Morrel, Dantès's kind and honest boss, Dantès is sent to the infamous Chateau d'If, where the most dangerous political prisoners are kept. While in prison, Dantès meets Abbé Faria, an Italian priest and intellectual, who has been jailed for his political views. Faria teaches Dantès history, science, philosophy, and languages, turning him into a well-educated man. Faria also bequeaths to Dantès a large treasure hidden on the island of Monte Cristo, and he tells him how to find it should he ever escape. When Faria dies, Dantès hides himself in the abbé's shroud, thinking that he will be buried and then dig his way out. Instead, Dantès is thrown into the sea, and is able to cut himself loose and swim to freedom. Dantès travels to Monte Cristo and finds Faria's enormous treasure. He considers his fortune a gift from God, given to him for the sole purpose of rewarding those who have tried to help him and, more important, punishing those who have hurt him. Disguising himself as an Italian priest who answers to the name of Abbé Busoni, he travels back to Marseilles and visits Caderousse, who is now struggling to make a living as an innkeeper. From Caderousse he learns the details of the plot to frame him. In addition, Dantès learns that his father has died of grief in his absence and that Mercédès has married Fernand Mondego. Most frustrating, he learns that both Danglars and Mondego have become rich and powerful and are living happily in Paris. As a reward for this information, and for Caderousse's apparent regret over the part he played in Dantès's downfall, Dantès gives Caderousse a valuable diamond. Before leaving Marseilles, Dantès anonymously saves Morrel from financial ruin.

Code Talker Apr 03 2023 "Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to find."—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. I Know Why the Caged Bird Sings Oct 29 2022 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. East of Eden Jul 26 2022 A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.
