Spiritual Formation as if the Church Mattered James C. Wilhoit, 2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church s whole purpose for existence It must be a central task for the church to carry out Christ s mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard

Scripture and Counseling Bob Kellemen, 2014-10-07 What role does Scripture play in counseling Today we face a weakening of confidence in the Bible This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend We need to regain our confidence in God s living Word as sufficient to address the real life issues we face today Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life Divided into two sections Part One develops a robust biblical view of Scripture s sufficiency for life and godliness leading to increased confidence in God s Word Part Two teaches how to use Scripture in the counseling process This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God s Word to others Part of the Biblical Counseling Coalition series Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God s Word is sufficient necessary and relevant to equip God s people to address the complex issues of life in a broken world It blends theological wisdom with practical expertise and is accessible to pastors church leaders counseling practitioners and students equipping them to minister the truth and power of God s word in the context of biblical counseling soul care spiritual direction pastoral care and small group facilitation

Nesbit Sbanotto,Heather Davediuk Gingrich,Fred C. Gingrich,2016-09-14 Effective counseling depends on mastering basic communication skills In this integrative classroom ready text Elisabeth Nesbit Sbanotto Heather Davediuk Gingrich and Fred Gingrich break these skills into manageable microskills and connect them to insights and practices from Scripture theology and spiritual formation *The Leader in Me* Stephen R. Covey,2012-12-11 Children in today s world are inundated with information about who to be what to do and how to live But what if there was a way to teach children how to manage priorities focus on goals and be a positive influence on

the world around them The Leader in Me is that programme It is based on a hugely successful initiative carried out at the A B Combs Elementary School in North Carolina To hear the parents of A B Combs talk about the school is to be amazed In 1999 the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students The parents reported an incredible change in their children who blossomed under the programme By the end of the following year the average end of grade scores had leapt from 84 to 94 This book will launch the message onto a much larger platform Stephen R Covey takes the 7 Habits that have already changed the lives of millions of people and shows how children can use them as they develop Those habits be proactive begin with the end in mind put first things first think win win seek to understand and then to be understood synergize and sharpen the saw are critical skills to learn at a young age and bring incredible results proving that it is never too early to teach someone how to live well Why Small Groups? C. J. Mahaney, Greg Somerville, 1996 Do you want to get on the fast track to Christian maturity Small groups provide the ideal context for working out our salvation together Whether you attend a small group or lead one this book will raise your vision and inspire you to excel in the areas of service to which God has called you And if you don't attend a small group All the more reason you may want to read Why Small Groups and let it change your life The authors are all pastors from various Sovereign Grace Ministries churches *Biblical and Pastoral Bridgework* Denise Dombkowski Hopkins, Michael S. Koppel, 2023-09-18 Whether singly or jointly authored these essays model dynamic interactive reading of human situations and biblical texts The exchange between texts and human situations reveals the multivalent complexities of both human situations and scriptural texts and cautions against a simplistic use of the Bible and of pastoral theory and practices Drawing upon both texts throughout the Bible and diverse psychological theories the authors bridge the long standing divide between the classical and practical disciplines in biblical studies and pastoral care The aim of this book is to spur readers imaginations toward critical engagement with the Bible and with one another to promote healing connection and justice in a world crying out for wholeness Gems hidden in plain sight within the Bible can become powerful tools for illuminating the pains and promises of the human condition **The Quick-Reference Guide to Addictions and Recovery Counseling** Dr. Tim Clinton, Dr. Eric Scalise, 2013-10-15 The newest addition to the popular Quick Reference Guide collection The Quick Reference Guide to Addictions and Recovery Counseling focuses on the widespread problem of addictions of all kinds It is an A Z guide for assisting pastors professional counselors and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations Each of the forty topics covered follows a helpful eight part outline and identifies 1 typical symptoms and patterns 2 definitions and key thoughts 3 questions to ask 4 directions for the conversation 5 action steps 6 biblical insights 7 prayer starters and 8 recommended resources **Church Law** Charles Craig Lantz, 2012-03-06 It is imperative in the day and age in which we live that Christian leaders understand the law as it relates to pastors churches and non profit organizations Christian Leaders must have an understanding of the laws affecting pastors and why they are

important for church boards and ministers to know Dr Charles C Lantz uses court cases to help define and explain the legal distinction of ministerial status and its implications for pastors and church boards This brief and concise handbook on Church Law addresses clergy employment contracts compensation termination legal privileges and conditions of ministers and the legal authority of ministers on behalf of the church Also the more common theories of clergy legal liability are examined The laws of today are more complex than they ever have been and lawyers are in the business of making BIG BUCKS They are able to do this because unfortunately many pastors and church leaders are ignorant about the law There are now more legal problems and lawsuits against churches than in any other era Therefore it is imperative that the minister pastor be aware of legal issues and potential problems that can come their way if they are not careful in handling church members non members and counseling situations in particular Church leaders must become aware of the potential legal problems that can result from relationships with parishioners as well as legal problems with employees Pastor beware of the dangers that are lurking in the world of lawyers lawsuits and the American Legal System Every Pastor Full Time Church Leader and Christian Minister needs to purchase a copy of this concise handbook on Church Law
