Reading Like a Writer Francine Prose, 2012-04-01 In her entertaining and edifying New York Times bestseller acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour, and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel, to look to John le Carr for a lesson in how to advance plot through dialogue, and to Flannery O'Connor for the cunning use of the telling detail. To be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading.

As in the bestselling *The Art of Dramatic Writing*, still considered one of the most essential books on playwriting more than 75 years after publication, the author outlines in detail his highly acclaimed Egri Method of Creative Writing and shows how to apply it to all fiction formats: novels, short stories, and screenplays. Grounded in Egri's assertion that every type of creative writing depends upon the credibility of a character, here is concise, clear advice on the most important element of good writing: characterization. Step by step, Egri shows writers how to probe the secrets of human motivation to create flesh and blood characters who create suspense and conflict and who grow emotionally under stress and strain. As practical as it is inspiring, *The Art of Creative Writing* remains a timeless, illuminating guide that teaches every writer and aspiring writer how to create works that are both compelling and enduring.
