William Shakespeare's play Julius Caesar is a treatise on political behavior, leadership, ingratiatory behaviors, socio-political violence, defensive behavior, social and anti-social behavior, social sensitivity, psychological safety, insecurity, anxiety, mob mentality, perception, ambivalence of relationships between men, literal bribery, axiology, ideology and the frailties of human nature. The play can also help the reader in gaining insights into the esoteric concepts of Epicureanism, Stoicism and Pyrrhonism. The Education Policy (NEP 2020) of our country lays emphasis on the development of 'foundational capacities' of literacy and numeracy and 'highest-order' cognitive capacities, social, ethical, and emotional capacities and dispositions. The question papers framers will thus frame questions which gauge the skills mentioned in the preceding statement. The material in this workbook is developed with a special focus on NEP 2020. About the Novel: Julius Caesar imagines the true events surrounding the titular character's downfall. Beware the Ides of March! A warning given to Caesar, but not followed. Caesar has risen to power. Rome is prospering. However, some of the other senators are not happy. They believe Caesar is drunk with power. They believe Rome would be better with someone else in charge. Their greed leads to the formation of a plot to overthrow Caesar. Led by Cassius, the conspirators know they need Brutus on their side. With manipulation they succeed, and the horrible deed is done. What happens after this betrayal is a struggle for power between two sides. One side that of the conspirators. The other of Marc Antony and Octavius, who have managed to turn the Romans against Brutus and the others. This struggle culminates into a war, where only one ruler will rise to control Rome. Seminar paper from the year 2012 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Munster, course: Shakespeare - The Roman Plays, language: English, abstract: Upon reading Shakespeare's "The Tragedy of Julius Caesar" one would agree that Marcus Brutus is the character which, at first glance, appears to be most likeable. Honour as value is something that turns up frequently throughout the play, especially with regard to Brutus. Being the one that murders a friend in order to free the people from tyranny, he acts according to his personal conception of honour. It is not without facing an inner conflict that he decides to put aside his personal feelings of friendship in order to serve the common good. This is what one could say about Brutus if matters were as clear as that. On closer inspection, however, one quickly takes notice of discrepancies as to Brutus' character and actions. Carrie Pestritto states that "Brutus's honour [...] gives him an almost Christ-like aura" whereas others see him as ambiguous and his character as not to be

defined unequivocally. The idea of honour can be interpreted in many different ways and the characters' understanding of honour differ immensely. "Caesar was ambitious [...] and Brutus is an honourable man' (3.2.79-88). Are things really as simple as that?" Kullmann, referring to Pestritto here, poses a question that will be discussed in this paper. The focus is to be on Brutus and his view of the events, evaluating his actions and the reasoning they are based on. It will be possible to see that his only way of coming to a decision and carrying out the assassination is by means of self-delusion. To open himself up to and reconcile with the idea of committing a murder, he has to construct his own fiction, ending up living in a fool's paradise. For him the way things appear to be weighs down what they are in reality. Important in the above mentioned context is Brutus' part in the conspiracy, w Presents a collection of critical essays about William Shakespeare's play, Julius Caesar. What actions are justified when the fate of a nation hangs in the balance, and who can see the best path ahead? Julius Caesar has led Rome successfully in the war against Pompey and returns celebrated and beloved by the people. Yet in the senate fears intensify that his power may become supreme and threaten the welfare of the republic. A plot for his murder is hatched by Caius Cassius who persuades Marcus Brutus to support him. Though Brutus has doubts, he joins Cassius and helps organize a group of conspirators that assassinate Caesar on the Ides of March. But, what is the cost to a nation now erupting into civil war? A fascinating study of political power, the consequences of actions, the meaning of loyalty and the false motives that guide the actions of men, Julius Caesar is action packed theater at its finest. Since the question of honour is such an essential factor, it is necessary to clarify the fact that there are various ways of defining honour and accordingly each character has their own sense of honour. Gradually, Brutus is dragged into the conspiracy, a process on the basis of which we are able to learn a lot about his character and his moral concepts. Seminar paper from the year 2010 in the subject English Language and Literature Studies - Linguistics, grade: 1,7, University of Bonn (Anglistik), course: Hauptseminar, language: English, abstract: 1. Introduction William Shakespeare is the most important playwright of the English Renaissance period. His career bridged the reigns of Queen Elizabeth I and James I. When the play Julius Caesar was first performed in 1599 at the Globe theatre<sup>1</sup>, Queen Elizabeth I had been on the throne for nearly 40 years. She was 66 years old at that time and she, like Caesar, did not have any children. People feared what would happen after her death. Shakespeare commented on this political situation by writing Julius Caesar. Censorship did not allow direct comments on contemporary political affairs. 2 Julius Caesar is the shortest play by William Shakespeare full of fast action and rhetoric. It takes place in ancient Rome in 44 B.C. It was a time when the empire suffered greatly from a clear division between citizens represented by the senate and the plebeian masses. The people feared that Caesar's power would lead to Roman citizens being slaves. That is why Caesar was assassinated. This paper will deal with the commoners and their treatment by the tribunes in the opening scene of the play. It will also give an insight into the speeches of Brutus and Antony and their effects on the plebeians in the second scene of the
