This is my new e-book called the Big Book of Universal Laws. The Rule Book in it. I will attempt to explain the Universal Laws many times called God's Law, the Spiritual Laws, Moral Laws, or the Natural Laws and how they apply to your life and your opportunities for success. Now you may know about most of these Laws, but you may not even realize that these Laws are having an effect on your life and your chances for success. Awareness of them is crucial if you hope to achieve wealth, but if you can find a formula for success in the use of these Laws and can show people the right way to use these Laws, then you have created a Powerful Success Formula, and that is what I am attempting to do here. All of these Laws are Immutable, Unalterable, and Unchangeable, meaning that they can not be changed, altered, or silenced in any way, and they supercede the Laws of Man. These Laws apply to everyone on the planet, and if you do not know them, they are still having an effect on your life, so I am going to try to make you aware of these Laws and how they apply to you. This book is designed by me to help you understand these Laws that have come straight from the heavens to all of us humans to help us navigate this life we are now living. These Laws come from this source of power we call Infinite Intelligence, the creator of everything in the known and unknown universe. This source of power is also called Universal Intelligence because it contains all of the intelligence in the universe. Universal Power because it controls all power in the universe, and Universal Energy because it contains within itself all of the energy in the universe and is the same entity of Power that many people call God. This source of Unlimited Power has given to Man a Powerful Tool in his Brain called the Subconscious Mind that when it is trained or conditioned in the right way, it will attract to itself the right conditions and opportunities via the Law of Attraction into your life. When the Law of Attraction is used the right way by only focusing on what we want and believing that we are worthy enough to receive it and by eliminating Negative Thoughts and Emotions and replacing those with Positive Thoughts.

and Emotions we bring this Law into Effect This Almighty Power would like for those of us who are Spiritually Enlightened to try and explain to the others how these Universal Laws work and how they can be used in the right way to help you achieve success I just want you to know that even if you do not know about these Laws they are still having an effect on your lives and you must become aware of them if you hope to become successful so let s get started The Seven Spiritual Laws of Success Deepak Chopra,2010-03-29 In The Seven Spiritual Laws of Success Deepak Chopra distills the essence of his teachings into seven simple yet powerful principles that can easily be applied to create success in all areas of your life Based on natural laws that govern all of creation this book shatters the myth that success is the result of hard work exacting plans or driving ambition Instead Chopra offers a life altering perspective on the attainment of success Once we understand our true nature and learn to live in harmony with natural law a sense of well being good health fulfilling relationships energy and enthusiasm for life and material abundance will spring forth easily and effortlessly Filled with timeless wisdom and practical steps you can apply right away this is a book you will cherish for a lifetime for within its pages are the secrets to making all your dreams come true A must read for anyone who missed The Prophet by Kahlil Gibran The New York Times 88

Cole M.D.,2020-08-30 It is a guide to a loving and healthy life and world We all want to have this kind of life physically and spiritually so we should know the true laws that guide us to achieve the life and evolvment God meant for us to have Universal Spiritual Laws USL are the unbreakable God given laws that created and govern both realms of our existence This book presents the primary USL Love and numerous secondary laws that all directly relate to the primary law Over many generations unfortunately mankind has replaced God s USL with their own self serving controlling ego and greed based laws leaving the world in the condition it is today The USL were given to me by a highly evolved Goddess of Motherhood Mercy and Compassion Quan Yin see depiction on back cover through an ordained minister and a very evolved and gifted certified medium Rev Beverly Burdick Carey The spiritual source by passes the human negative thinking ego and desire for power and control and gives only TRUTH Your thoughts words and deeds whether positive or negative cannot escape USL and determine our physical and spiritual life and evolvment which is our purpose here on earth Since we create our own life s path follow the USL in a positive way to avoid having to repeat needed life lessons and speed your evolvment and have a more ideal life How you follow the USL is your choice It is also extremely important to know and understand that WE ARE ALL A PART OF GOD not APART FROM GOD and GOD IS ALL and LOVE Good health is very important in life and

with forty years of medical and spiritual study and practice I have learned that our life's path and health are created by our own thoughts words deeds and beliefs Therefore I chose to briefly cover the healing aspects of each USL to help you improve your health and healing Use the knowledge wisdom and truths given to me that comprises this book to better your physical and spiritual evolution healing and life You can summarize this book in three words UNCONDITIONAL LOVE and TRUTH but you need to learn study and follow the USL to spiritually evolve and benefit from them Know the truth and truth will set you free Keep an open mind and heart and start with small steps and I wish you Love and Light *442 Cosmic & Universal Laws* Dottie Randazzo, 2011-05-12 Never before have 442 cosmic universal laws ever been defined in one place Have you ever wondered how many cosmic and universal laws exist I bet you have no idea how many of these laws affect you every day second by second One of these laws states that the three points of a triangle are responsible for the manifestation of all things in the infinite plane Law of Triangle Another law states that everything is as it should be There are no accidents Your energy translated into thoughts words emotions and deeds caused all your experiences Law of Divine Order Natural Laws of the Universe Valentin Matcas, 2020-02-26 There are laws rules and facts so potent in the world that they are capable to teach and decide everything everywhere These are the Supreme Natural and Spiritual Laws of The Universe The Natural and Spiritual Laws of The Universe are relatively easy to find learn and understand since they are taught by most spiritual schools of thought Will we also be able to find the Supreme Laws of The Universe Because since these are the main first laws they should remain at the base of every law and knowledge in the world and therefore they should remain capable to define and express everything in the world including your unanswered questions about yourself about life about the Universe and about your own meaning and place in life and in the world The meaning of this book is to find and understand these main natural spiritual and supreme Laws of The Universe in order to discover and explain everything of importance in the world Furthermore these Supreme Natural and Spiritual Laws of The Universe help us distinguish between accurate facts and misleading beliefs by matching them and by studying the lines of causality and lifelines of existence containing and defining them You must be familiar with the Laws of The Universe presented throughout schools of thought and used in famous documentaries as The Secret the documentary building on the famous Law of Attraction There are seven Laws of The Universe all successful people account for them always methodically since these help everybody succeed in life If you understand these natural spiritual or supreme Laws of The Universe they help you throughout life indeed In fact there are twelve Laws of The Universe more precisely or fourteen depending on your school of thought yet they include the same higher knowledge as the Law of Attraction the Law of Polarity the Law of Vibration and so on These laws are over five thousand years old and this is the case only because the age of all our written records stops at this particular number for various reasons Because if our records went further back in time we found these Laws of The Universe mentioned everywhere You may find the Laws of The Universe stated throughout old Egyptian old Greek and old Indian records and I

state them in the second chapter of this book Because what we want throughout this book is to find the natural supreme laws capable to describe the Universe the most with you in it The purpose of this book is to find and understand the Supreme Natural and Spiritual Laws of the Universe in order to discover explain motivate and understand everything of importance in the world Furthermore these Laws help us distinguish between valid facts and misleading beliefs by matching them and by studying the lines of reasoning and causality defining them [12 Universal Laws](#) David Ahearn,David Daniel,2023-02-04

Kirtikar Ph. D., Margo Kirtikar, Ph.D., 2002-09 A hard luck youth triumphs over the calamities he has brought to those who sheltered him Jinks is a story told in the haunting blue collar voice of an amiable innocent Orphaned and itinerant he seeks a place of safety among society's outcasts in the cities and forests of his nation seeming always to walk the line between crisis and deliverance After an event in which he swings the axe in a tragic accident he flees from the snowy logging camps of the northwest to the somnolence of the Everglades Now small calamities trail him machines break down healthy people fall ill good fortune fails all best laid plans are scrambled One such catastrophe draws him into the reach of a powerful woman and her accomplice who entangle him in a murderous scheme but the misfortune he brings everywhere with him now punishes these plotters Unexpectedly the events that free him also lead to the salvation of an entire town that nurtured him in darker days Gently comic and wise Jinks is a joyous tale of one man's dogged spirit and of moral justice that celebrates the bright promise of human goodwill
