Magical Mystery Tours My Life With The Beatles Tony Bramwell

Magical Mystery Tours Tony Bramwell, Rosemary Kingsland, 2005-06-17 Tony Bramwell's remarkable life with The Beatles began in a post war Liverpool suburb where he was childhood friends with John Paul and George. By the time he unexpectedly ran into George Harrison on top of a bus Tony was well into a life story absolutely unlike any other. At Apple Records' insistence Tony stayed with The Beatles for every step of their meteoric rise. His story has been sought for over thirty years and here it is detailing with an insider's shrewd eye the incomparable success and inevitable failure of the Apple empire. Brian Epstein's frolics, Ken Kesey's Merry Pranksters, Phil Spector's eccentric behaviour as well as never heard before stories about Yoko Ono. *Magical Mystery Tours* reveals fresh insights that have never been published in any of the 800 plus books already on the market including compelling details of the early recordings and songwriting and Yoko's pursuit of John and her growing influence over The Beatles lives. From the first number one to the last and from scraps of song lyrics to the discovery of the famous Mr Kite circus poster this is a broad ranging account of the swinging sixties and the decade's most successful rock band.

In My Life Debbie Geller, 2014-03-11 Without the determination, magnetism, vision, good manners, respectable clothes and financial security of Brian Epstein no one would ever have heard of John Paul George and Ringo. In Liverpool in December 1961 Brian Epstein met the Beatles in his small office and signed a management deal. The rest may be history but it's a history that Epstein created along with a blueprint for all pop groups since. Out of the public eye Epstein was flamboyant and charismatic. He drank, gambled compulsively and took drugs to excess. But people remember his wit, charm and capacity to inspire affection and loyalty. That's when he wasn't depressed, even suicidal. Epstein was Jewish in a society filled with anti-Semitism. He was homosexual at a time when it was a crime to be gay and from his teenage days to the end of his life he suffered arrests, beatings and blackmail, all of which had to be kept secret. In *In My Life: The Brian Epstein Story* Debbie Geller tells the story of Epstein's complicated life through the reminiscences of his friends and family. Based on dozens of interviews with Paul McCartney, George Martin and Marianne Faithfull among others plus many of Epstein's personal diaries this book uncovers the truth behind the enigmatic young man who unintentionally caused a cultural revolution and in the process destroyed himself.

The Beatles Forever Hugh Fielder, 2017-11-29 The Beatles were probably the most famous and successful band in the world and despite breaking up 40 years ago their popularity remains rock solid with fans ever thirsty for new celebrations of their work. Organized by year this brilliant book covers all the major events in their relatively short career accompanied by often intimate, always evocative images.

Shout! Philip Norman, 2011-05-17 Updated to include Paul McCartney's knighting and the deaths of John Lennon and George Harrison Philip Norman's biography of the Beatles is the definitive work on the world's most influential band, a beautifully written account of their lives, their music and their times. Now brought completely up to date this epic tale charts the rise of four

scruffy Liverpool lads from their wild often comical early days to the astonishing heights of Beatlemania from the chaos of Apple and the collapse of hippy idealism to the band's acrimonious split. It also describes their struggle to escape the smothering Beatles legacy and the tragic deaths of John Lennon and George Harrison. Witty, insightful and moving, *Shout* is essential reading not just for Beatles fans but for anyone with an interest in pop music. **Miss O'Dell** Chris O'Dell, 2009-10-06. The ultimate fly on the wall memoir packed with revelations, intimate insights and history-making moments from the tour manager, friend, lover and confidante to some of the most revered rock icons of the 60s, 70s and 80s. Chris O'Dell wasn't famous. She wasn't even almost famous. But she was there. From witnessing music history in the recording studio with The Beatles to working for The Rolling Stones during their infamous 1972 American tour, Chris O'Dell has seen and worked for the most influential musicians in rock history during some of their most intimate and awe-inspiring moments. She was in the studio when the Beatles recorded *The White Album*, *Abbey Road* and *Let It Be*, and she sang in the *Hey Jude* chorus. She lived with George Harrison and Pattie Boyd and unwittingly got involved in Pattie's famous love story with Eric Clapton. She's the subject of Leon Russell's *Pisces, Apple, Lady*. She's the woman down the hall in Joni Mitchell's song *Coyote*, the mystery woman pictured on the Stones album *Exile on Main Street*, and the Miss O'Dell of George Harrison's song *The Remarkable*. The remarkable, intimate story of an ordinary woman who lived the dream of millions: to be part of rock royalty's inner circle. *Miss O'Dell* is a backstage pass to some of the most momentous events in rock history. **Come Together** Richard Courtney, George Cassidy, 2011. As the greatest rock and roll band of all time, the Beatles rocketed to worldwide fame soon after their 1964 arrival in the United States. Much of their achievement can be attributed to the unique Beatle sound, but it was more than just the music that catapulted them to the summit of success and kept them there even after the band ceased touring and broke apart. How the Beatles both failed and triumphed as businessmen, and the lessons today's entrepreneurs and business leaders can draw from this unique journey, is the subject of *Come Together: The Business Wisdom of the Beatles*. Authors Richard Courtney and George Cassidy recount the band's many exploits from its early struggles in Hamburg to the success of *Sgt. Pepper's Lonely Hearts Club Band* and beyond, revealing from a business perspective what worked and what didn't. More than the music, this book explores what it took to pass the audition. **Instamatic Karma** May Pang, 2008-03-04. Pang, John Lennon's girlfriend from 1973 to 1975, presents these never-before-seen images of the music icon. She has written rich captions to accompany her photos; taken together, they tell a simple story of the time she and Lennon spent together. **Lennon Legend** James Henke, 2003-09. Presented in a handsome slipcase, *Lennon Legend* is both an illustrated and an interactive biography of the creative genius, songwriter, artist, social activist who changed his times. Created with the cooperation of Yoko Ono, Lennon, who has opened her archives for this project, the book offers insightful details about every era of John's life, from his early days at art school to the height of Beatlemania. To *Imagine*, a live recording of that song is included along with several interviews of John talking about his life and art on the audio CD contained in this package.

Throughout the book features archival photographs and reproductions of John's handwritten song lyrics drawings memorabilia and personal papers In all 40 removable facsimiles can be enjoyed by the reader several previously unpublished including an intimate self portrait in pen and ink and a plea for world peace It's been said that John Lennon's was the voice of a generation Lennon Legend celebrates that voice's power to resonate across the generations

The Longest Cocktail Party Richard DiLello, 2014-11-05 Apple Records was a noble experiment created in the spirit of the 1960s by four musicians who came to represent everything that was best about those tumultuous experimental and liberating times The Beatles started out with the greatest of intentions but reality soon got in the way Much has been written about this period in the history of The Beatles evolution and dissolution some of it true some of it wildly exaggerated but not much of it first hand The Longest Cocktail Party is a rare exception Written by Richard DiLello who served as Apple Record's House Hippie from 1968 to 1970 this unusual first hand glimpse into The Beatles empire humorously chronicles the stranger than life stories that were to become legendary including visits by the Hell's Angels and endless tales of celebrity antics Alfred Music is proud to offer this latest edition which features a new and insightful foreword by the author Originally published by Playboy Press in 1972 The Longest Cocktail Party has proven itself a timeless chronicle of this most colorful period in pop history

Fab Howard Sounes, 2010-10-26 He is one of the most famous most wealthy people on the planet and yet he remains little known and understood as a personality At long last Paul McCartney is the subject of a major deeply researched psychologically acute biography It tells a story that will illuminate and surprise The publication finds McCartney who turns 70 in 2012 revitalized as a performer touring with a set of mostly Beatles songs and a man buffeted by profound changes in recent years the death of his first wife Linda the death of George Harrison a second marriage to Heather Mills and its spectacular failure the fall out from which is still crashing around him

Beatles '66 Steve Turner, 2016-10-25 A riveting look at the transformative year in the lives and careers of the legendary group whose groundbreaking legacy would forever change music and popular culture They started off as hysteria inducing pop stars playing to audiences of screaming teenage fans and ended up as musical sages considered responsible for ushering in a new era The year that changed everything for the Beatles was 1966 the year of their last concert and their first album Revolver that was created to be listened to rather than performed This was the year the Beatles risked their popularity by retiring from live performances recording songs that explored alternative states of consciousness experimenting with avant garde ideas and speaking their minds on issues of politics war and religion It was the year their records were burned in America after John's explosive claim that the group was more popular than Jesus the year they were hounded out of the Philippines for snubbing its First Lady the year John met Yoko Ono and the year Paul conceived the idea for Sgt Pepper's Lonely Hearts Club Band On the fiftieth anniversary of this seminal year music journalist and Beatles expert Steve Turner slows down the action to investigate in detail the enormous changes that took place in the Beatles lives and work during 1966 He looks at the historical events that had an impact on the

group the music they made that in turn profoundly affected the culture around them and the vision that allowed four young men from Liverpool to transform popular music and serve as pioneers for artists from Coldplay to David Bowie Jay Z to U2 By talking to those close to the group and by drawing on his past interviews with key figures such as George Martin Timothy Leary and Ravi Shankar and the Beatles themselves Turner gives us the compelling definitive account of the twelve months that contained everything the Beatles had been and anticipated everything they would still become

The Secret Life of a Schoolgirl Rosemary Kingsland,2007-12-18 The Secret Life of a Schoolgirl is an extraordinary memoir a jewel Rosemary Kingsland was born in India during the dying days of the British Raj While there she and her family lived a life of privilege But with the fall of the Raj they were forced to return to England where their fortunes took a decided turn for the worse In London then in Cornwall then back in London the simmering tension between Rosemary s parents erupted into outright warfare fueled by alcohol and her father s persistent unrepentant womanizing It was a lonely dangerous childhood But one day Rosemary s life changed forever At a caf where she had gone to escape from a party her father had insisted she attend with him she met Richard Burton the dashing handsome Welsh actor who was then the toast of the London stage She had seen him in Under Milkwood some months before She was an adolescent schoolgirl He was twenty nine The Secret Life of a Schoolgirl is a deeply felt evocation of first love and of family bonds forged in intense isolation It is made all the more remarkable by the luminous quality and riveting narrative voice of Rosemary Kingsland

The Love You Make Peter Brown,Steven Gaines,2002-11-05 The national bestseller that Newsday called the most authoritative and candid look yet at the personal lives of the oft scrutinized group from the author of All You Need Is Love The Beatles in Their Own Words In The Love You Make Peter Brown a close friend of and business manager for the band and the best man at John and Yoko s wedding presents a complete look at the dramatic offstage odyssey of the four lads from Liverpool who established the greatest music phenomenon of the twentieth century Written with the full cooperation of each of the group s members and their intimates this book tells the inside story of the music and the madness the feuds and the drugs the marriages and the affairs from the greatest heights to the self destructive depths of the Fab Four In depth and definitive The Love You Make is an astonishing account of four men who transformed the way a whole generation of young people thought and lived It reigns as the most comprehensive revealing biography available of John Paul George and Ringo Includes 32 pages of rare and revealing photos A Literary Guild Alternate Selection

Yesterday Astrid Kirchherr,Max Scheler,2007 This is a fascinating record of the world s first and greatest supergroup Here are images of The Beatles in both public and private moments The authors followed the boys to work on the film photographed them in their London homes and in their favourite clubs and hangouts in their hometown in Liverpool including the Cavern Club

Paul McCartney Peter Ames Carlin,2009-11-03 From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney from his groundbreaking years with the Beatles to Wings to his work as a solo artist and activist More than a rock star more than a celebrity Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon McCartney songwriting duo In this definitive biography Peter Ames Carlin examines McCartney s entire life casting new light not just on the Beatles era but also on his years with Wings and his thirty year relationship with his first wife Linda McCartney He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist reached the top of the charts with a new band and once again drew hundreds of thousands of screaming fans to his concerts Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as haunted by his own legacy and particularly his relationship with John Lennon as he was inspired by it Built on years of research and fresh revealing interviews with friends bandmates and collaborators spanning McCartney s entire life Carlin s lively biography captures the many faces of the living legend

George Harrison: Living in the Material World Olivia Harrison,2011-10-01 A companion release to Martin Scorsese s documentary by the same name presents an illustrated tribute to the late Beatle that draws on his personal records to trace his guitar obsessed youth through his years as an independent musician

John Lennon: The Life Philip Norman,2009-10-06 National Bestseller Drawing on previously unknown sources unpublished letters and unprecedented access to all the key figures author and journalist Philip Norman gives us the most complete and revealing portrait of John Lennon that is ever likely to be published For this masterpiece of biography Philip Norman set himself the challenge of looking afresh at every aspect of Lennon s much chronicled life He has not just dug deep into the archives including his own vast collection of tapes and notebooks dating back to the 60s but spoken to hundreds of witnesses from every walk of life and every stage of Lennon s The interviewees include Sean Lennon whose moving reminiscences reveal his father as never before and Yoko Ono who speaks with sometimes shocking candour about her marriage to John In his brilliant *Shout we were shown*

a band in John Lennon Philip Norman gives us a portrait of a man It reconciles as never before the contradictions of this endlessly fascinating character the volatile and violent hippie the phenomenally wealthy advocate of no possessions the family man and junkie and his journey from Liverpool suburbia to becoming one of the presiding geniuses of pop culture

Magical Mystery Tours My Life With The Beatles Tony Bramwell Introduction

In today's digital age, the availability of Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Magical Mystery Tours My Life With The Beatles Tony Bramwell versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Magical Mystery Tours My Life With The Beatles Tony Bramwell books and manuals for download and embark on your journey of knowledge?
