Pregnant Widow Martin Amis, 2011-02-07 Summer 1970 A long hot summer In a castle in Italy half a dozen young lives are afloat on the sea of change trapped inside the history of the sexual revolution **Inside Story** Martin Amis, 2020-10-27 An autobiographical novel that s a tender witty exploration of the hardest questions how to live how to grieve and how to die from the Mick Jagger of literature Amis is the most dazzling prose stylist in post war British fiction The Daily Telegraph A charismatic compound of fact and fiction Martin Amis has retained the power to surprise Parul Sehgal The New York Times This novel had its birth in the death of Martin Amis s closest friend the incomparable Christopher Hitchens and it is within that profound and sprawling friendship that *Inside Story* unfurls From their early days as young magazine staffers in London reviewing romantic entanglements and the latest literary gossip not to mention ideas books and where to lunch Hitch was Amis s wingman and adviser especially in the matter of the alluringly amoral Phoebe Phelps an obsession Amis must somehow put behind him if he is ever to find love marriage a plausible run at happiness Other figures competing as Amis s main influencers are his literary fathers Kingsley of course his hero Saul Bellow the weirdly self finessing poet Philip Larkin and his significant literary mothers including Iris Murdoch and Elizabeth Jane Howard Moving among these greats to set his own path he winds up surveying the horrors of the twentieth century and the still unfolding impact of the 9 11 attacks on the twenty first and considers what all of this has taught him about how to live and how to be a writer The result is a love letter

to life and to the people in his life that achieves a new level of confidentiality with his readers giving us the previously unseen portrait of his extraordinary world *Lionel Asbo* Martin Amis, 2012-06-07 Lionel Asbo has just won 139 999 999 50 on the Lottery A horribly violent but horribly unsuccessful criminal Lionel's attentions up to now have all been on his nephew Desmond Pepperdine He showers him with fatherly advice carry a knife and introduces Des to the joys of internet porn Meanwhile Des desires nothing more than books a girl to love and to steer clear Uncle Li's psychotic pitbulls Joe and Jeff But Lionel's winnings are not necessarily all good news For Des has a secret and its discovery could unleash his uncle's implacable vengeance One of Amis's funniest novels New Yorker A book that looks at us laughs at us looks at us harder closer and laughs at us harder and still more savagely Observer **The Zone of Interest** Martin Amis, 2014-09-30 NOW A MAJOR MOTION PICTURE AN NPR BEST BOOK OF THE YEAR From one the most virtuosic authors in the English language a powerful novel written with urgency and moral force that explores life and love among the Nazi bureaucrats of Auschwitz A masterpiece Profound powerful and morally urgent A benchmark for what serious literature can achieve San Francisco Chronicle Martin Amis first tackled the Holocaust in 1991 with his bestselling novel *Time's Arrow* He returns again to the Shoah with this astonishing portrayal of life in the zone of interest or kat zet the Nazis euphemism for Auschwitz The narrative rotates among three main characters Paul Doll the crass drunken camp commandant Thomsen nephew of Hitler's private secretary in love with Doll's wife and Szmul one of the Jewish prisoners charged with disposing of the bodies Through these three narrative threads Amis summons a searing profound darkly funny portrait of the most infamous place in history An epilogue by the author elucidates Amis's reasons and method for undertaking this extraordinary project Yellow Dog Martin Amis, 2010-07-30 Brilliant painful dazzling and funny as hell *Yellow Dog* is Martin Amis highly anticipated first novel in seven years and a stunning return to the fictional form When dream husband Xan Meo is vengefully assaulted in the garden of a London pub he suffers head injury and personality change Like a spiritual convert the familial paragon becomes an anti husband an anti father He submits to an alien moral system one among many to be found in these pages We are introduced to the inverted worlds of the yellow journalist Clint Smoker the high priest of hardmen Joseph Andrews and the porno tycoon Cora Susan Meanwhile we explore the entanglements of Henry England his incapacitated wife Pamela his Chinese mistress He Zhezun his fifteen year old daughter Victoria the victim of a filmed intrusion that rivets the world because she is the future Queen of England and her father Henry IX is its King The connections between these characters provide the pattern and drive of *Yellow Dog* If in the 21st century the moral reality is changing then the novel is changing too whether it likes it or not *Yellow Dog* is a model of how the novel or more particularly the comic novel can respond to this transformation But Martin Amis is also concerned here with what is changeless and perhaps unchangeable Patriarchy and the entire edifice of masculinity the enormous category error of violence arising between man and man the tortuous alliances between men and women and the vanished dream probably always an illusion but now a clear delusion that we can protect

our future and our progeny Meo heard no footsteps what he heard was the swish the shingly soft shoe of the hefted sap Then the sharp two finger prod on his shoulder It wasn't meant to happen like this They expected him to turn and he didn't turn he half turned then veered and ducked So the blow intended merely to break his cheekbone or his jawbone was instead received by the cranium that spacey bulge in this instance still quite marriageably forested where so many delicate and important powers are so trustingly encased He crashed he crunched to his knees in obliterating defeat from Yellow Dog Dead Babies Martin Amis,2011-01-26 If the Marquis de Sade were to crash one of P G Wodehouse's house parties the chaos might resemble the nightmarishly funny goings on in this novel from one of the most gifted novelists of his generation TIME Amis is a born comic novelist in the tradition that ranges from Dickens to Waugh His mercurial style can rise to Joycean brilliance Newsweek Amis's version of the bleak and wrecked future that awaits a sex and drug addicted society is fizzing with style and busy with verbal inventiveness Julian Barnes best selling author of The Sense of an Ending The residents of Appleseed Rectory have primed themselves both for a visit from a triad of Americans and a weekend of copious drug taking and sexual gymnastics There's even a heifer to be slugged and a pair of doddering tenants to be ingeniously harassed But none of these variously bright and dull young things has counted on the intrusion of dead babies dreary spasms of reality Or on the uninvited presence of a mysterious prankster named Johnny whose sinister idea of fun makes theirs look like a game of backgammon House of Meetings Martin Amis,2007-01-16 NATIONAL BESTSELLER An extraordinary harrowing endlessly surprising novel set in 1946 starring two brothers and a Jewish girl who fall into alignment in pogrom poised Moscow from one of the most gifted novelists of his generation Time A bullet train of a novel that barrels deep into the heart of darkness that was the Soviet gulag and takes the reader along on an unnerving journey into one of history's most harrowing chapters The New York Times The brothers fraternal conflict then marinates in Norlag a slave labor camp above the Arctic Circle where a tryst will haunt all three lovers long after the brothers are released And for the narrator the sole survivor the reverberations continue into the new century The Rachel Papers Martin Amis,2011-02-09 In his uproarious first novel Martin Amis author of the bestselling London Fields gave us one of the most noxiously believable and curiously touching adolescents ever to sniffle and lust his way through the pages of contemporary fiction On the brink of twenty Charles High way preps desultorily for Oxford cheerfully loathes his father and meticulously plots the seduction of a girl named Rachel a girl who sorely tests the mettle of his cynicism when he finds himself falling in love with her Experience Martin Amis,2014-09-17 NATIONAL BESTSELLER One of the most gifted and innovative writers of our time discloses a private life every bit as unique and fascinating as his bestselling novels Superb memoir a moving account of Amis's coming of age as an artist and a man San Francisco Chronicle The son of the great comic novelist Kingsley Amis Martin Amis explores his relationship with this father and writes about the various crises of Kingsley's life He also examines the life and legacy of his cousin Lucy Partington who was abducted and murdered by one of Britain's most notorious serial killers Experience also

deconstructs the changing literary scene including Amis portraits of Saul Bellow Salman Rushdie Allan Bloom Philip Larkin and Robert Graves among others Not since Nabokov's *Invitation of a Beheading* has such an implausible life been recorded by such an inimitable talent Profound witty and ruthlessly honest *Experience* is a literary event **The War Against Cliche** Martin Amis, 2014-09-17 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER In this virtuosic career spanning collection Martin Amis one of the most gifted novelists of his generation TIME takes on James Joyce and Elvis Presley Nabokov and English football Jane Austen and Penthouse Forum William Burroughs and Hillary Clinton and more Written with intelligence and ardor and panache Speaks not just to a lifetime of reading but also to a fascination with individual writers The New York Times Here Amis serves up fresh assessments of the classics and plucks neglected masterpieces off their dusty shelves Above all Amis is concerned with literature and with the deadly clichés not only of the pen but of the mind and the heart He tilts with Cervantes Dickens and Milton celebrates Bellow Updike and Elmore Leonard and deflates some of the most bloated reputations of the past three decades On every page Amis writes with jaw dropping felicity wit and a subversive brilliance that sheds new light on everything he touches **The Rub of Time** Martin Amis, 2018-02-06 The definitive collection of essays and reportage written during the past thirty years from one of most provocative and widely read writers with new commentary by the author For more than thirty years Martin Amis has turned his keen intellect and unrivaled prose loose on an astonishing range of topics politics sports celebrity America and of course literature Now at last these incomparable essays have been gathered together Here is Amis at the 2011 GOP Iowa Caucus where squeezed between windbreakers and woolly hats he pores over The Ron Paul Family Cookbook and laments the absence of our Banquo Herman Cain He writes about finally confronting the effects of aging on his athletic prowess He revisits time and time again the worlds of Bellow and Nabokov his twin peaks masters who have obsessed and inspired him Brilliant incisive and savagely funny The Rub of Time is a vital addition to any Amis fan's bookshelf and the perfect primer for readers discovering his fierce and tremendous talents for the first time [Too Good to Be True](#) Benjamin Anastas, 2012 Acclaimed writer Benjamin Anastas's searing utterly moving memoir of fathers and sons crushing debt and infidelity and the first cautious steps taken towards piecing a life back together **London Fields** Martin Amis, 2010-08-24 NATIONAL BESTSELLER A blackly comic late 20th century murder mystery set against the looming end of the millennium in which a woman tries to orchestrate her own extinction from one of the most gifted novelists of his generation TIME Lyrical and obscene colloquial and rhapsodic The New York Times First published in 1989 London Fields is set ten years into a dark future against a backdrop of environmental and social decay and the looming threat of global cataclysm As the dreaded Y2K approaches Nicola Six a black hole of sex and self loathing has chosen her thirty fifth birthday November 5 1999 as the date of her own murder Whom to manipulate into killing her is the question her choice wavers between violent lowlife Keith Talent who is obsessed with winning a darts tournament and a dimly romantic banker named Guy Clinch When Samson Young a writer suffering from a long bout of writer's block stumbles

upon these three he believes he has found a story that will write itself A highly unusual mystery with an unexpected twist at the end London Fields is also a corrosively funny narrative of pyrotechnic complexity and scalding moral vision **The Information** Martin Amis,2010-12-23 Once close friends writers Gwyn Barry and Richard Tull now find themselves in fierce competition While Tull has spiralled into a mire of literary obscurity and belletristic odd jobs Barry s atrocious attempts at novels have brought him untold success Prizes prestige and wealth abound and from far below Tull can only watch stewing in torment Until that is resentment turns to revenge Consumed by the question of how one writer can really hurt another Tull s quest for an answer will unleash increasingly violent urges on both writers lives A funny vicious portrait of literary London Evening Standard **The Wiley Blackwell Companion to Contemporary British and Irish Literature** Richard

Money Martin Amis,2011 This is the story of John Self consumer extraordinaire Ceaselessly inventive and savage this is a tale of life lived without restraint of money the terrible things it can do and the disasters it can precipitate **Visiting Mrs. Nabokov** Martin Amis,2011-01-26 A tantalizing collection of classic essays from one of the most gifted writers of his generation The brainy sarcastic tender intelligence at the center of these pieces can make you laugh out loud they can also move you to tears People Martin Amis brings the same megawatt wit wickedly acute perception and ebullient wordplay that

characterize his novels He encompasses the full range of contemporary politics and culture high and low while also traveling to China for soccer with Elton John and to London s darts crazy pubs in search of the perfect throw Throughout he offers razor sharp takes on such subjects as American politics If history is a nightmare from which we are trying to awake then the Reagan era can be seen as an eight year blackout Numb pale unhealthily dreamless eight years of Do Not Disturb Chess Nowhere in sport perhaps in human activity is the gap between the tryer and the expert so astronomical My chances of a chess brilliancy are the chances of a lab chimp and a type writer producing King Lear His fascination with the observable world is utterly promiscuous he will address a cathedral and a toilet seat with the same peeled eyeball intensity John Updike

The Sense of an Ending Julian Barnes,2011-10-05 BOOKER PRIZE WINNER NATIONAL BESTSELLER A novel that follows a middle aged man as he contends with a past he never much thought about until his closest childhood friends return with a vengeance one of them from the grave another maddeningly present A novel so compelling that it begs to be read in a single setting *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best and is a stunning achievement in Julian Barnes s oeuvre Tony Webster thought he left his past behind as he built a life for himself and his career has provided him with a secure retirement and an amicable relationship with his ex wife and daughter who now has a family of her own But when he is presented with a mysterious legacy he is forced to revise his estimation of his own nature and place in the world
