**Environmental Science** Daniel B. Botkin, Edward A. Keller, 2011-01-05 This text is an unbound binder ready edition Environmental Science Earth as a Living Planet Eighth Edition provides emphasis on the scientific process throughout the book gives readers the structure to develop their critical thinking skills Updated and revised to include the latest research in the field the eighth edition continues to present a balanced analytical and interdisciplinary approach to the field New streamlined text clears away the jargon to bring the issues and the science to the forefront The new design and updated image program highlights key points and makes the book easier to navigate

*Physical Geology* Reed Wicander, James S. Monroe, 2022 The overarching goal of *Physical Geology Investigating Earth* is to provide students with a basic understanding of geology and its processes and most importantly with an understanding of how geology relates to the human experience that is how geology affects individuals society and nation states

**Environmental Science: Systems and Solutions** Michael L. McKinney, Robert M. Schoch, Logan Yonavjak, Grant Mincy, 2017-12-01 Environmental Science Systems and Solutions Sixth Edition features updated data and additional tables with statistics throughout to lay the groundwork for a fair and apolitical foundational understanding of environmental science Important Notice The digital edition of this book is missing some of the images or content found in the physical edition

*Physical Geology* Steven Earle, 2016-08-12 This is a discount Black and white version Some images may be unclear please see BCCampus website for the digital version This book was born out of a 2014 meeting of earth science educators representing most of the universities and colleges in British Columbia and nurtured by a widely shared frustration that many students are not thriving in courses because textbooks have become too expensive for them to buy But the real inspiration comes from a fascination for the spectacular geology of western Canada and the many decades that the author spent exploring this region along with colleagues students family and friends My goal has been to provide an accessible and comprehensive guide to the important topics of geology richly illustrated with examples from western Canada Although this text is intended to complement a typical first year course in physical geology its contents could be applied to numerous other related courses

*Introduction to Geography* Carl H. Dahlman, Carl T. Dahlman, William H. Renwick, Edward Bergman, 2013-07-23 Introduction to Geography People Places what happens to climate affects political dynamics In this text the major tools techniques and methodological approaches of the discipline of geography are introduced
