**The Circle** Elaine Feinstein,2011-11-17 Feinstein s triumph is to write so well that she makes Lena s predicament not only moving in a perfunctory dismissive way but also painful she has an accurate and acute feeling for language and pauses and silence Guardian Lena s seemingly contented family life is coming apart at the seams Her husband Ben has been having an affair with the au pair and as their relationship slides he retreats more and more into his work in a science lab Sons Alan and Michael may appear happy enough but this is far from the case both are responding to a physical world which they alone inhabit And Lena desperately lost and seeking an identity of her own both inside and outside of her family unit increasingly finds solace at the bottom of a bottle An exploration of just how lonely and how magic a marriage can be The Circle is a poignant poetic and incredibly assured debut novel      *Drive* Daniel H. Pink,2011-04-05 The New York Times bestseller that gives readers a paradigm shattering new way to think about motivation from the author of When The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money the carrot and stick approach That s a mistake says Daniel H Pink author of To Sell Is Human The Surprising Truth About Motivating Others In this provocative and persuasive new book he asserts that the secret to high performance and satisfaction at work at school and at home is the deeply human need to direct our own lives to learn and create new things and to do better by ourselves and our world Drawing on four decades of scientific research on human motivation Pink exposes the mismatch between what science knows and what business does and how that affects every aspect of life He examines the three elements of true motivation autonomy mastery and purpose and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live      **Drive Right** Jerry L.
