The Best Place on Earth Ayelet Tsabari,2016-03-08 Reminiscent of the early work of Jhumpa Lahiri Ayelet Tsabari s award winning debut collection of stories is global in scope yet intimate in feel beautifully written and emotionally powerful From Israel to India to Canada Tsabari s indelible characters grapple with love violence faith the slipperiness of identity and the challenges of balancing old traditions with modern times These eleven spellbinding stories often focus on Israel s Mizrahi Jews featuring mothers and children soldiers and bohemians lovers and best friends all searching for their place in the world In Tikkun a man crosses paths with his free spirited ex girlfriend now a married Orthodox Jew and minutes later barely escapes tragedy In Brit Milah a mother travels from Israel to visit her daughter in Canada and is stunned by her grandson s upbringing A young medic in the Israeli army bends the rules to potentially dangerous consequence in Casualties After her mom passes away a teenage girl comes to live with her aunt outside Tel Aviv and has her first experience with unrequited love in Say It Again Say Something Else And in the moving title story two estranged sisters one whose marriage is ending the other whose relationship is just beginning try to recapture the close bond they had as kids Absorbing tender and sharply observed *The Best Place on Earth* infuses moments of sorrow with small moments of grace a boy composes poetry in a bomb shelter an old photo helps a girl make sense of her mother s rootless past Tsabari s voice is gentle yet wise illuminating the burdens of history the strength of the heart and our universal desire to belong Praise for *The Best Place on Earth* It s impossible not to be awestruck by the depth and power rendered in Tsabari s stories Elle Tsabari creates complex conflicted prickly people you ll want to get to know better Kirkus Reviews starred review There s remarkable scope in Ayelet Tsabari s

The Best Place on Earth which interweaves stories of discrimination loss displacement sex death religion and a host of other issues And yet despite the range of viewpoints and the different facets of Israeli society explored this is a collection that always stays intensely personal the broader forces of history moving not merely across nations but within the souls of her beautifully conceived characters Phil Klay National Book Award winning author of Redeployment With incredible compassion and a delicate touch Ayelet Tsabari explores the heartbreak inherent in forming bonds whether with another person or with a whole country The Best Place on Earth a complicated love song to Israel is a sure footed and stunningly skillful debut Shelly Oria author of New York 1 Tel Aviv 0 Powerful brilliant These stories depict minorities so skillfully with such a light and accurate touch The Daily Beast Highly recommended Compelling and compassionate Tsabari s stories speak out from the heart of Israeli society and experiences The stories of The Best Place on Earth leave you wishing they wouldn t end The Times of Israel This short story collection is a fiction debut for Tsabari but it demonstrates that she is already a talented storyteller Her writing has an immediacy and power that invites readers into her characters psyches Publishers Weekly

Nixon and Mao Margaret MacMillan, 2007-02-13 Margaret MacMillan praised as a superb writer who can bring history to life The Philadelphia Inquirer brings her extraordinary gifts to one of the most important subjects today the relationship between the United States and China and one of the most significant moments in modern history In February 1972 Richard Nixon the first American president ever to visit China and Mao Tse tung the enigmatic Communist dictator met for an hour in Beijing Their meeting changed the course of history and ultimately laid the groundwork for the complex relationship between China and the United States that we see today That monumental meeting in 1972 during what Nixon called the week that changed the world could have been brought about only by powerful leaders Nixon himself a great strategist and a flawed human being and Mao willful and ruthless They were assisted by two brilliant and complex statesmen Henry Kissinger and Chou En lai Surrounding them were fascinating people with unusual roles to

play including the enormously disciplined and unhappy Pat Nixon and a small time Shanghai actress turned monstrous empress Jiang Qing And behind all of them lay the complex history of two countries two great and equally confident civilizations China ancient and contemptuous yet fearful of barbarians beyond the Middle Kingdom and the United States forward looking and confident seeing itself as the beacon for the world Nixon thought China could help him get out of Vietnam Mao needed American technology and expertise to repair the damage of the Cultural Revolution Both men wanted an ally against an aggressive Soviet Union Did they get what they wanted Did Mao betray his own revolutionary ideals How did the people of China react to this apparent change in attitude toward the imperialist Americans Did Nixon make a mistake in coming to China as a supplicant And what has been the impact of the visit on the United States ever since Weaving together fascinating anecdotes and insights an understanding of Chinese and American history and the momentous events of an extraordinary time this brilliantly written book looks at one of the transformative moments of the twentieth century and casts new light on a key relationship for the world of the twenty first century [The Writer's Craft](#) McDougal Littell Incorporated,1995 *Nickel and Dimed* Barbara Ehrenreich,2010-04-01 The New York Times bestselling work of undercover reportage from our sharpest and most original social critic with a new foreword by Matthew Desmond author of *Evicted* Millions of Americans work full time year round for poverty level wages In 1998 Barbara Ehrenreich decided to join them She was inspired in part by the rhetoric surrounding welfare reform which promised that a job any job can be the ticket to a better life But how does anyone survive let alone prosper on 6 an hour To find out Ehrenreich left her home took the cheapest lodgings she could find and accepted whatever jobs she was offered Moving from Florida to Maine to Minnesota she worked as a waitress a hotel maid a cleaning woman a nursing home aide and a Wal Mart sales clerk She lived in trailer parks and crumbling residential motels Very quickly she discovered that no job is truly unskilled that even the lowliest occupations require exhausting mental and muscular effort She also learned that one job is not enough you need at least two if you int to live indoors *Nickel and Dimed* reveals low rent America in all its tenacity anxiety and surprising generosity a land of Big Boxes fast food and a thousand desperate stratagems for survival Read it for the smoldering clarity of Ehrenreich s perspective and for a rare view of how prosperity looks from the bottom And now in a new foreword Matthew Desmond author of *Evicted* Poverty and Profit in the American City explains why twenty years on in America *Nickel and Dimed* is more relevant than ever *Stronger Writing Skills for Teens* Gregory Berry,2018-08-16 *Stronger Writing Skills for Teens* offers middle and high school teachers strategies techniques and materials for teaching adolescent writing in a variety of modes A practical and useful resource for classroom teachers the book focuses on quality writing instruction within the modes of writing as defined by Common Core State Standards Examples of student work are included to illustrate effectively designed assignments and strategies for writing and revising It includes methods for teaching vocabulary and academic language to help students improve word choice and use of language in their writing Tools for assessing and grading student writing are

also included as well as suggestions and resources for effectively using writing rubrics and scoring guides Narrative expository explanatory argument and research writing are discussed with specific strategies suggested materials and ways to approach the modes Teachers will also find suggestions for helping students learn to incorporate multimodal text into their writing and successfully write in digital contexts as well as methods for helping students master timed and on demand writing **Fast Food Nation** Eric Schlosser,2012 An exploration of the fast food industry in the United States from its roots to its long term consequences
