

The background of the cover is a painting of a coastal town. The buildings are rendered in warm, vibrant colors like reds, oranges, yellows, and browns, suggesting terracotta roofs and walls. The town is built on a hillside, with a prominent tower or church spire visible in the middle ground. The sky is a mix of light blues and whites, with soft, wispy clouds. The overall style is impressionistic and evocative of a Mediterranean or French coastal setting.

Determined to free the girl Claire pushes through French red tape double dealing bureaucrats and a killer who is just as determined to stop her uncovering the truth no matter the cost **Parlez-Vous Murder?** Susan Kiernan-Lewis,2017-05-17 My name is Jules Hooker I have lived through a few crappy moments in my life and with a name like Hooker you can just imagine but nothing nothing compares to the two intensely and world shatteringly crappy things that happened to me this last June Three I guess if you count Gilbert After my boyfriend dumped me on the day I thought he was going to propose I do have to say two other really bad things happened last June The first would have to be the dead body I discovered in the rental house in France where I went to get over being dumped The second and very possibly I should have led with this was the dirty bomb that exploded over the Riviera throwing me and everyone else in France back to the 1950s So now I'm stranded here trying to make a living by solving murders the old fashioned way without help from DNA databases CSI crime labs or the police And I'm doing it in France Where I do not speak the language During the apocalypse Sound like fun **Murder in the Bistro** Susan Kiernan-Lewis,2016-05-14 Is there a connection between the cat found napping in the flour barrel of the newest bistro and the dead American chef in the meat freezer When it comes to Maggie Newberry and the cranky villagers of St Buvard how could there not be Once more back in Provence Maggie finds her hands full with village politics ratcheting up to nuclear level her BFF back on her living room couch this time with a snotty teenager in tow and a full blown riot developing over the brand new American owned bistro When the fractious American chef ends up dead Maggie will need to find out who killed her and fast before the chef's killer decides that two dead Americans in the village are better than one **Murder a la Carte** Susan Kiernan-Lewis,2010-05-08 The beautiful and ancient mas that she and Laurent move into has a terrible and bloody history which is brought into the present by the murder of one of their new friends in the basement Maggie is determined to solve both the old 1945 murder and the new one when a clue indicates they may be connected *Murder in Avignon* Susan Kiernan-Lewis,2020-07-24 Every great play needs a drama queen Preferably alive The French city of Avignon is known for many things its Papal Palace the annual summer theater festival its Medieval bridge of nursery rhyme fame and now murder When a popular actress is killed during Avignon's famous summer theater festival all the evidence points to the police needing a fast resolution regardless of the truth It will be up to Maggie to find the killer who wanted the city's most popular actress dead and before he turns his attention on her As Maggie desperately scours this beautiful medieval city for clues to uncover the killer's identity it soon becomes clear that failing will put her center stage with her most ruthless adversary yet with the final curtain about to come crashing down on everything she holds dear *Murder in Cannes* Susan Kiernan-Lewis,2017-01-21 **Deadly Faux Pas** Susan Kiernan-Lewis,2021-05-24 A pleasant evening dinner boat ride on the Seine is destroyed by a shocking murder and a kidnapping This time there is no question who the perpetrator is Even his master plan is revealed in stunning clarity to anybody paying attention which Claire Baskerville certainly is But for Claire expat American and private investigator living in Paris and her daughter that knowledge may come

too late As Claire desperately searches for her daughter in a Paris whose borders have been briefly sealed due to a threatening viral pandemic she knows the clock is ticking The lockdown is only meant to give the hospitals a head start and protect the rest of the country Will she find Catherine before the lockdown lifts And her daughter is lost forever into the endless mysterious mist of the Middle East where Claire has no doubt her only child is bound for *Toujours Dead* Susan Kiernan-Lewis,2022-05-01 They say that yoga will strengthen your core But only if it doesn't kill you first The eighth installment of *An American in Paris Mysteries* finds Claire facing her most challenging mystery yet with the murder of a popular American yoga instructor Hired by the head of the Paris Expat Club to solve the murder Claire is determined to find the killer before anyone else gets hurt Is this a serial killer Will working with her boyfriend who is also the new head of the Paris homicide department be a problem What about her daughter's stolen frozen eggs Is Claire's father really dead If so who's pulling the strings now And what does he want **Déjà Dead** Susan Kiernan-Lewis,2019-11-15 Things can get pretty dark in the City of Light Claire Baskerville is a sixty something American who finds herself alone in Paris when her husband is brutally murdered Reeling from the onslaught of devastating secrets he left behind Claire is stunned to realize she no longer knows who to trust She only knows she can't move forward until she finds out the truth behind who killed her husband In spite of a genetic brain anomaly that makes it impossible for her to remember faces even ones she'd seen just moments before and all alone in a foreign city Claire doggedly collects the clues that will lead her to her husband's killer Unfortunately the closer she gets to the truth the more determined that killer is to make sure she never leaves Paris alive **Murder in the Village** Susan Kiernan-Lewis,2022-02-07 A series of malicious poison pen letters leads Maggie into a snake pit of revenge spitefulness and murder When the village cheese seller is shot to death an easy scapegoat is found on the strength of the vicious lies in the letters Maggie knows what small minded villagers are capable of especially when a decades old grievance is at the heart of the bitterness If she doesn't work fast the festering resentment could very well send an innocent woman to prison for a murder she didn't commit
