***Mountains Painted with Turmeric Sep 28 2023 Since its publication in the late 1950s, Mountains Painted with Turmeric has struck a chord in the hearts of hundreds of thousands of Nepali readers. Set in the hills of far eastern Nepal, the novel offers readers a window into the lives of the people by depicting in subtle detail the stark realities of village life. Carefully translated from the original text, Mountains Painted with Turmeric tells the story of a peasant farmer named Dhané (which means, ironically, "wealthy one") who is struggling to provide for his wife and son and arrange the marriage of his beautiful younger sister. Unable to keep up with the financial demands of the "big men" who control his village, Dhané and his family suffer one calamity after another, and a series of quarrels with fellow villagers forces them into exile. In haunting prose, Lil Bahadur Chettri portrays the dukha, or suffering and sorrow, endured by ordinary peasants; the exploitation of the poor by the rich and powerful; and the social conservatism that twists a community into punishing a woman for being the victim of a crime. Chettri describes the impoverishment, dispossession, and banishment of Dhané's family to expose profound divisions between those who prosper and those who are slowly stripped of their meager possessions. Yet he also conveys the warmth and intimacy of village society, from which Dhané and his family are ultimately excluded.***

***Arresting God in Kathmandu Jan 09 2022 From "a major new talent" come short stories set in modern Nepal, about arranged marriages, forbidden desires, and the universal***

*yearning for human connection (Amitav Ghosh). Set in a city where gods are omnipresent, privacy is elusive, and family defines identity, these are stories of men and women caught between their own needs and the demands of their society and culture. Psychologically rich and astonishingly acute, with "a masterful narrative style" (Ian MacMillan), Arresting God in Kathmandu introduces a potent new voice in contemporary fiction. "Upadhyay brings to readers the flavor of Nepal and its culture in this impressive collection of nine short stories. Like Ha Jin's Bridegroom, Upadhyay's stories portray the lives of simple yet psychologically complex characters and reveal much about the universal human condition in us all. . . . Upadhyay's stories leave the reader with much food for thought and will make a good choice for book discussion groups."* –Library Journal

*Karnali Blues* Mar 03 2024 *Karnali Blues*, by Buddhisagar, is the most widely read Nepali novel to have appeared in the last twenty years. As it recounts the evolution of a father-son relationship-a son's search for approval, a father's small acts of kindness and forgiveness, a son's fears for his father's dignity as his fortunes and faculties begin to fail-the reader is deeply drawn into young Brisha Bahadur's world. His father is kind and idealistic; his mother, though she is kind too, is often frustrated and irascible. The characters in this book are some of the most carefully drawn and authentic in all of Nepali literature. In a backwater district of a country about to undergo radical social, political and cultural change, Brisha's dreams, his games and his mischief, his loves, his hopes and his fears come alive. Translated from the Nepali by Michael Hutt, this highly original piece of work, with the simplicity of its language and its emotional range, holds the power to take your breath away. Its principal themes-the love between a son and his father, the joys and sorrows of childhood, the daily struggle for survival-are universal, and will resonate with readers the world over.

*Invasive Alien Plants* Mar 30 2021 Invasive alien plants pose a major threat to agriculture and livelihoods worldwide. This book considers those impacts and options for biological control, through a case study of mikania weed, a neotropical invasive plant in many countries in the tropical humid forest zones of Southeast Asia. This perennial vine can smother agro-forestry and natural forest ecosystems, as well as many crops within homegarden and plantation production systems. The design of policy frameworks to combat invasive species is considered in depth, as is the use of classical biological control against mikania weed.

*Riding the Tiger* Apr 11 2022 Beauty, grace and power make the tiger one of the world's most loved animals, yet it is precisely these qualities that have been its downfall.

Poaching for skins and body parts, loss of habitat and prey and conflicts between people and wild tigers have caused catastrophic declines in tiger numbers throughout their range. If wild tigers are to survive through the next century, we must act now. Riding the

***Tiger is a comprehensive, scientific and eminently readable account of the problems and possible solutions of securing a future for wild tigers. ***The Guru of Love Jul 03 2021 Writing of Samrat Upadhyay's story collection, critics raved: "like a Buddhist Chekhov . . . speak s] to common truths . . . startlingly good" (San Francisco Chronicle) and "subtle and spiritually complex" (New York Times). Upadhyay's novel showcases his finest writing and his signature themes. The Guru of Love is a moving and important story--important for what it illuminates about the human need to love as well as lust, and for the light it shines on the political situation in Nepal and elsewhere. Ramchandra is a math teacher earning a low wage and living in a small apartment with his wife and two children. Moonlighting as a tutor, he engages in an illicit affair with one of his tutees, Malati, a beautiful, impoverished young woman who is also a new mother. She provides for him what his wife, who comes from a privileged background, does not: desire, mystery, and a simpler life. Complicating matters are various political concerns and a small city bursting with the conflicts of modernization, a static government, and a***

**DARKNESS, THEN IT IS OUR DUTY, OUR RIGHT, AND INDEED, OUR JOY TO SAVE IT. THE FATE OF THE COUNTRY IS IN OUR HANDS.** In *Paradise in Our Backyard*, Karna Sakya—conservationist, entrepreneur and patriot—relates how he set up the now iconic Kathmandu Guest House in his family's historic house in Thamel. The hotel ushered in a new chapter in tourism in Nepal and was instrumental in establishing Thamel as the multicultural hub for tourism that it is today. He subsequently set up other hotels and lodges and played a pioneering role in introducing eco-tourism and adventure tourism in Nepal. He introduced the concept of 'niche' tourism in Nepal, packaging subjects of interest for discerning travellers, and was also one of the principal architects of the hugely successful 'Visit Nepal Year' organized by the Nepali government in 1998 which boosted tourism and gave a huge fillip to the economy. Sakya's account of growing up in a large Newari joint family in Kathmandu, his higher education in the Forest Research Institute, Dehra Dun, his work with the forest department and his distinguished career as entrepreneur and hotelier makes compelling reading. Karna Sakya made an immense contribution to the social sector as well. In 1987, after losing his wife and daughter to cancer, he overcame personal grief to build Nepal's first cancer hospital by coming up with the innovative idea of levying a one-paisa tax on every cigarette sold in the country. *Paradise in Our Backyard*, translated by the author from the Nepali best-seller *Soch*, is a lucid, engaging and honest account of a remarkable life. In a nation that is today battling pessimism and uncertainty, it makes the inspiring point that one man can make a difference, that change can be brought about by hard work and unflagging determination.

*A Grammar of Dumi* Jan 01 2024 The series builds an extensive collection of high quality descriptions of languages around the world. Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and, if appropriate, a word list and other relevant information which is available on the language in question. There are no restrictions as to language family or area, and although special attention is paid to hitherto undescribed languages, new and valuable treatments of better known languages are also included. No theoretical model is imposed on the authors; the only criterion is a high standard of scientific quality. To discuss your book idea or submit a proposal, please contact Birgit Sievert.

*The Royal Ghosts* Mar 11 2022 "Startlingly good" stories of Nepali society set against the backdrop of violent Maoist insurgencies (*San Francisco Chronicle*). From an author like "a Buddhist Chekhov," *The Royal Ghosts* features characters trying to reconcile their true desires with the forces at work in Nepali society (*San Francisco Chronicle*). As political violence rages, these people struggle with their duties to their aging parents, an oppressive caste system, and the complexities of arranged marriage, striving to find peace and connection, and often discovering it in unexpected places. These stories, from the Whiting Award-winning author of *Arresting God in Kathmandu* and *The Guru of Love*, brilliantly examine not only Kathmandu during a time of upheaval, crisis, and cultural transformation but also the effects of the city on the individual consciousness. "Like William Trevor, Samrat Upadhyay compresses into a short story the breadth of vision and human consequence we expect from a novel, and he does so in a prose that seems as natural as breathing." —Scott Russell Sanders, author of *A Private History of Awe* "Takes us straight into the heart of the troubled and enchanting kingdom of Nepal." —*The Washington Post* "Upadhyay's not-so-simple stories are lucid and often luminous." —*Publishers Weekly*
