"A tongue-in-cheek advice book from one of the most famous funemployed millennials in Manhattan and founder of the Instagram account Girl With No Job"-- What were pirates really like? How much, if any, of the piratical stereotype - of a dashing handsome man with an eye-patch, peg-leg and a parrot on his shoulder - is based on the documented fact. In this revealing and highly original study David Cordingly sets out to discover the truth behind the piracy myth, exploring its enduring and extraordinary appeal, and answering such questions as: why did men become pirates? Were there any women pirates? How much money did they make from plundering and looting? And were pirates really dashing highwaymen of the Seven Seas or just vicious cut-throats and robbers? From Long John Silver to Henry Morgan, Robert Louis Stevenson to J.M. Barrie, LIFE AMONG THE PIRATES examines all the heavyweights of history and literature and presents the essential survey of this fascinating phenomenon. Welcome to Cobble Hill. In this eclectic Brooklyn neighborhood, private storms brew amongst four married couples and their children. There's ex-groupie Mandy, so underwhelmed by motherhood and her current physical state that she fakes a debilitating disease to get the attention of her skateboarding, ex-boyband member husband Stuart.
