Graduate! Nov 03 2022 Graduate! is a complete guide to not just surviving, but thriving and living well after college.

Resume 101 Jun 22 2024 Minimal job experience? No problem! You've

just graduated and are ready to land your first real job after college or high school. But how do you write the first résumé and cover letter of your career if you don't have any previous jobs to list? How do you stand out above the other applicants--including people with more experience who are out of work--with your summer job at the diner, internship at the local paper, or spot on the Ultimate Frisbee team? Dr. Q to the rescue! For two decades, communication professor Quentin Schultze has been teaching résumé-writing to college students and recent graduates, helping them identify their strengths and transferable skills from their unique life experiences--from extracurriculars to part-time jobs to internships to volunteering. With *Résumé 101*, you'll discover the secrets to composing strong, impressive resumes and cover letters, such as: What to include when you lack professional experience How to get great references and recommendations Why to use a summary rather than objective statement When to include hobbies, travel, and technology skills What to do if your GPA isn't sky-high Which designs and basic formats work the best Where to find the perfect verbs and adjectives for a specific job With Dr. Q's help, you'll soon have a résumé and cover letter that will show hiring managers who you really are, why you're perfect for your dream job, and why they should choose you.

Graduate to a Great Career May 29 2022 What you need to know that you didn't learn at college! This is the most important moment in your career. Branding guru Catherine Kaputa will show you how to get it right. In today's job market, competition is fierce. After college many graduates fall back to earth with a bump and struggle to launch a career in their chosen field. But what if you changed the way you thought about applications? What if, instead of getting bogged down in the search process, you approached your resume like a marketer launching an exciting new brand? Marketing guru and brand strategist Catherine Kaputa is an expert in personal branding and knows exactly how to make an application sizzle. Drawing on her years of experience, insightful case-studies of recent graduates, and fascinating insider details from companies like Nike, Volvo, and Google, Kaputa will help you to navigate the career landscape as she shares her strategy for standing out from other applicants, in even the most competitive industries. Graduate

to a Great Career will give you the tools you need to survive and show you how to thrive by creating Brand You.

Ask a Manager Oct 14 2023 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Life After Grad School Aug 12 2023 Most of the 2.5 million graduate students in the U.S. are in programs designed for a career in academics. But the unspoken truth is that less than five percent will realize their dream of becoming a professor. The rest have little idea how to begin making a living in the business world. Life After Grad School is for students in all academic disciplines, with or without a Ph.D. This book illuminates the transition from academia to a satisfying and well-paying job with a company, government agency, or not-for-profit organization. Realistic and reassuring, it helps students structure their decision about leaving academics, and orients them to the culture of business. Readers learn how to adapt the knowledge and skills developed in grad school for business applications. Written for intelligent, mature students, the book provides practical tools and generates the confidence to find fulfilling alternative careers. Jerald Jellison, an authority on personal change, presents a clear, concrete roadmap that thoughtfully explains how to: identify "good" starter jobs, move from a CV to a compelling resume, present academic experience as a plus to interviewers, find businesses that are compatible with graduate training, and much, much more. He illustrates how to craft a winning "elevator pitch" (a quick way to advance your cause with business people), create a contact network,

locate free job search resources, search and apply for jobs, and handle difficult interview questions. The book includes advice on landing a job, negotiating an optimal work agreement, and positioning yourself for future career advances. The only such book in print, *Life After Grad School* provides invaluable guidance for graduate students facing this most challenging career move.

The Professor Is In Feb 23 2022 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application - Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right *The Professor Is In* addresses all of these issues, and many more.
