BMW repair manuals The ultimate service

manuals! Bentley manuals are the only

comprehensive, single source of service

information and specifications available for

BMW cars. These manuals provide the highest

level of clarity and completeness for all service

and repair procedures. Enthusiasts, do-it-

yourselfers, and professional technicians will

appreciate the quality of photographs and

illustrations, theory of operation, and accurate

step-by-step instructions. If you are looking for

better understanding of your BMW, look no

further than Bentley. Even if you do not repair

your own vehicle, knowledge of its internal

workings will help you when discussing repairs

and maintenance with your professional

automotive technician.
