American Government 2e Glen S. Krutz, 2019 *American Government 2e* is designed to meet the scope and sequence requirements of the single semester American Government course This title includes innovative features designed to enhance student learning including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them

American Government 3e Glen Krutz, Sylvie Waskiewicz, 2023-05-12 Black white print American Government 3e aligns with the topics and objectives of many government courses Faculty involved in the project have endeavored to make government workings issues debates and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject With this objective in mind the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding to avenues of political participation to thorough coverage of the political structures that constitute American government The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications The goal of each section is to enable students not just to recognize concepts but to work with them in ways that will be useful in later courses future careers and as engaged citizens In order to help students understand the ways that government society and individuals interconnect the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States The authors and reviewers sought to strike a balance between confronting the negative and harmful elements of American government history and current events while demonstrating progress in overcoming them In doing so the approach seeks to provide instructors with ample opportunities to open discussions extend and update concepts and drive deeper engagement
