Lambda Literary Award winner Good Moon Rising is about two young women who fall in love while rehearsing a school play, realize they're gay, and resist a homophobic campaign against them. Good Moon Rising, both a New York Public Library Book for the Teenage and a Notable Children's Trade Book in the Field of Social Studies, "takes us into the

dynamics of homophobia" (Horn Book). "Garden, who gave us one of the first honest, sensitive portrayals of two young women in love in the brilliant *Anne On My Mind*, Farrar, 1982, offers us another thought-provoking story of homosexual love."-Voya

Women have engaged in healing from the beginning of history, often within the context of home. This book studies the role, contributions and challenges faced by women healers in France, Spain, Italy and England, including medical practice among women in the Jewish and Muslim communities, from the later Middle Ages to approximately 1800. Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction, particularly in literature aimed at young adult audiences. But young readers, regardless of their sexual orientation, don't always know what books offer well-rounded portrayals of queer characters and situations. Fortunately, finding positive role models in fiction that features LGBTQ+ themes has become less problematic, though not without its challenges.

*Representing the Rainbow in Young Adult Literature: LGBTQ+ Content since 1969*, Christine Jenkins and Michael Cart provide an overview of the literary landscape. An expanded version of *The Heart Has Its Reasons*, this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ+ readers but with their allies as well. In this resource, Jenkins and Cart identify titles that are notable either for their excellence—accurate, thoughtful, and tactful depictions—or deficiencies—books that are wrongheaded, stereotypical, or

outdated. Each chapter has been significantly updated, and this edition also includes new chapters on bisexual, transgender, and intersex issues and characters, as well as chapters on comics, graphic novels, and works of nonfiction. This book also features an annotated bibliography and a number of author-title lists of books discussed in the text will aid teachers, librarians, parents, and teen readers. Encompassing a wider array of sexual identities, *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives. Original stories by C. S. Adler, Marion Dane Bauer, Francesca Lia Block, Bruce Coville, Nancy Garden, James Cross Giblin, Ellen Howard, M. E. Kerr, Jonathan London, Lois Lowry, Gregory Maguire, Lesléa Newman, Cristina Salat, William Sleator, Jacqueline Woodson, and Jane Yolen. Each of these stories is original, each is by a noted author for young adults, and each honestly portrays its subject and theme--growing up gay or lesbian, with gay or lesbian parents or friends. *Heartsick* unpacks the destruction of love by following the true stories of three lives altered by a major heartbreak. I wrote this book for the person who doesn't want to be told that this too shall pass. Not yet. Who wants to sit with it. And see it for what it is. Who wants to know they're not alone. That their pain is at once unique and universal. Belonging to them and everyone. When we're thrown into the chaos of heartsickness, we focus so much on the end. The fact we are now unloved seems so much more important than the reality that we once were. This book was born in the hours I've waited for men to message

me back and who never did... In the years full of almost-relationships, I thought, "I cannot handle another rejection," and then found myself turned down by someone I wasn't even sure I liked. I wrote this book because I know what it is to feel fundamentally unlovable. I knew when I was looking for Ana, Patrick, and Claire that their stories had to be true because within them would be nuances I'd never noticed before and realities I couldn't have invented. I didn't want to be limited by what I happened to know about love and loss; I wanted to learn from people as I wrote, injecting wisdom from different places and genders and ages into this book. Weaving together these three true stories, Jessie Stephens captures the painful but wholeheartedly universal experience of heartbreak. Deeply relatable, addictive to the very last page, and powerfully human, *Heartsick* reminds us that emotional pain can make us as it breaks us and that storytelling has the ultimate healing power. In the solitude that reading a book demands, one is forced to reflect on one's own life. After all, every time we explore others, we're most just exploring ourselves. These are their stories—Ana's and Patrick's and Claire's. But it is also my story and our story. In the trust within it you will find echoes of yourself. It only took a moment of weakness for Laney Keating's world to fall apart. One stupid gesture for a hopeless crush.. Then the rumors began. Slut, they called her. Queer. Psycho. Mentally ill, messed up, so messed up even her own mother decided she wasn't worth sticking around for. If Laney could erase that whole year, she would. College is her chance to start with a clean slate. From the USA TODAY bestselling author of

Unteachable and Black Iris comes a sexy, romantic suspense novel about two best friends who are torn apart by a life-shattering accident, and the secrets it left behind. Vada and Ellis's friendship is so intense and consuming, it's hard to tell where one girl ends and the other begins. Yet they couldn't be more different: Ellis is nerdy, shy, and rich; Vada is an ambitious artist struggling to make ends meet. When Vada gets into an elite New England art college, Ellis comes along for the ride. Like always. They can face anything in the world as long as they're together ... Until a horrifying accident tears them apart. Life goes on, and Ellis handles it just fine on her own, but Vada is deeply scarred--emotionally and physically. Her once-promising career as an artist is cut short by her injuries. Broke and severed from doing what she loves, she meets the wrong guy at the right time: Dane, a smooth-talking lothario, who offers her a new career as a cam girl. All Vada has to do is spend a couple hours each night taking off her clothes in front of a webcam, and the tips come pouring in. Things get complicated when a client who calls himself Blue gets possessive. Through the safety of the cam, they open up to each other intimately. Vada finally talks about the accident. Blue helps her heal. And he pays well, but he wants her all for himself. No more cam shows. He's a mystery, and she might be falling for him, so Vada demands something in return: to meet in real life. Blue agrees, on one condition: she has to bring Ellis. The girl who wants nothing to do with her anymore. Now Vada is forced to confront the past she's been running from. A past full of devastating secrets--those of others, and those she's been keeping from herself ... Shining

Light: 50 Years of the Australian Film Institute, traces the progress of the film and television industries in Australia - well as screen culture within Australia over the past half century - through the lens of one key organisation, the Australian Film Institute (AFI). Shining a Light offers a timely and significant contribution to scholarship on Australian cinema, published at a critical time in Australian film history. The authors, Lisa French and Mark Poole, offer an insider's view through 27 interviews with key players on the local scene. The book also includes a listing of every AFI Award that has been given since 1958, including the nominees and winners of each award category. This is the first time such an exhaustive list of AFI nominees and winners has been published. The continued story based upon the cult television series, 'The Tribe'. Following the many challenges in the best-selling novel, The Tribe: A New World, the Mall Rats find themselves faced with an even greater struggle as they try to unravel the many unexplained mysteries they now encounter. What was the real mission of the United Nations survival fleet? Who is the enigmatic leader of the Collective? What really did occur at Arthurs Air Force Base? Is there something more sinister to the secrets revealed on the paradise island where they are now stranded? Forced to resolve the agonizing conflict in their personal lives, the Mall Rats must also decide which path to take and whether or not to confront the ghosts of their past in their battle to survive against an ominous adversary. With the very real threat of human existence becoming extinct, can they endure against odds to secure a future and the promise of a better tomorrow?

Or will they suffer the same fate as the adults who had gone before and perish? The tribe must fight not only for their lives but face their greatest fears to prevent the new world plunging further into darkness - and ensure hope prevails in a new dawn. And that they keep their dream alive. Emi-Lou struggles to come of age in her middle school years in Hawaii.

A remarkable anthology of queer New Zealand voices. We became teenagers in the nineties when New Zealand felt a little less cool about queerness and gender felt much more rigid. We knew instinctively that hiding was the safest strategy. How do you find your community if you're hidden? Aotearoa is a land of extraordinary queer writers, many of whom have contributed to our rich literary history. But you wouldn't know it. Decades of erasure and homophobia have rendered some of our most powerful writing invisible. *Out Here* will change that. This landmark book brings together and celebrates queer New Zealand writers from across the gender and LGBTQIA+ spectrum with a generous selection of poetry, fiction, creative nonfiction, and much, much more. From established names to electrifying newcomers, the cacophony of voices brought together in *Out Here* sing out loud and proud, ensuring that future generations of queers are afforded the space to tell their stories and be themselves without fear of retribution or harm. "This Center Point Large Print edition is published in the year 2019 by arrangement with Amazon Publishing"--Title page verso. The prequel to *UNINVITED*. There are as many truths to a story as there are people to tell it. Tony and Olivia are as different as husband and wife can be. When a misunderstanding leads to a

devastating betrayal, Tony makes Olivia a single promise that has damaging consequences for his family. He is forced to make one impossible choice after another, causing him to do all the wrong things for the right reasons. A frightening pattern takes shape that forces his family to reevaluate how they think about right and wrong. Pain and abandonment have hardened Victoria in ways her son could not have foreseen. Her life has become a cycle of hurt, denial, and promises; all of which she can no longer outrun. Torn between anger and fear, Victoria wrestles with a question never dreamed she would face. *The Promise* examines the fault lines of a troubled marriage, and how secrecy can ultimately destroy an ordinary family.

The five-volume set LNCS 8004--8008 constitutes the refereed proceedings of the 15th International Conference on Human-Computer Interaction, HCII 2013, held in Las Vegas, NV, USA in July 2013. Cancer is perhaps the modern world's most feared disease. Yet, we know relatively little about this malady's history before the nineteenth century. This book provides the first in-depth examination of perceptions of cancerous disease in early modern England. Looking to drama, poetry and polemic as well as medical texts and personal accounts, it contends that early modern people possessed an understanding of cancer which remains recognizable to us today. Many of the ways in which medical practitioners and lay people imagined cancer – as a 'woman's disease' or a 'beast' inside the body – remain strikingly familiar, and they helped to make this disease a byword for treachery and cruelty in discussions of religion, culture and politics. Equally, cancer treatments were among the era's most radical medical and surgical procedures. From buttered frog ointments to agonizing and dangerous surgeries, they raised abiding questions about the nature of disease and the proper role of the medical practitioner.

A love story with a difference – girl meets girl, they fall in love. A powerful and turbulent novel about first love and crossing boundaries. Louie is a prefect at Woodhaugh High. She plays hockey, passes exams and acts in school plays. She's going to be a lawyer. Willa lives in a pub. She had an affair with the

daughter of a preacher and was kicked out of Miller Park College. She just wants to get through her final exams and become a chef. Quietly. Then they fall in love – fast. And everything the girls were sure of – their families, their friends, their faith, their identities – are called into question. Willa and Louie face the consequences, difficulties and joys of the relationship. A fast-paced, turbulent but ultimately uplifting story of deep, painful, heart-wrenching first love. Written in Paula Boock's crisp, direct style this gripping book has a strong appeal for both adults and teenagers. '...an essential addition for all secondary school and public libraries.' Dr Elody Rathgen, Senior Lecturer in Education, University of Canterbury '...it has such a powerful and beautifully written message about the meaning of love.' Otago Daily Times 'I laughed, I cried, I held my breath, as Paula Boock's Willa and Louie fell in and out of love and dared to be true to themselves. Evening Post Nicola Lancaster is spending her summer at the Siegel Institute, a hothouse of smart, intense teenagers. She soon falls in with Katrina (Manic Computer Chick), Isaac (Nice-Guy-Despite-Himself), Kevin (Inarticulate Composer) . . . and Battle, a beautiful blond dancer. The two become friends--and then, startlingly, more than friends. What do you do when you think you're attracted to guys, and then you meet a girl who steals your heart? A trailblazing debut, reissued with an introduction by acclaimed author David Levithan, and copious back matter, including three graphic novel stories by Sara Ryan (and artists Steve Leiber, Dylan Meconis, and Natalie Nourigat) about the characters. beautifully heartfelt story about one boy's journey toward

acceptance. A book that Jill Soloway, the award-winning creator of *Transparent*, called “a terrific read for all ages” and Ami Polonsky, author of *Gracefully Grayson*, called “an emotionally complex and aching real read.” Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane’s whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he’s still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane. “The rare work of fiction that has changed real life . . . If you don’t yet know Molly Bolt—or Rita Mae Brown, who created her—I urge you to read and thank them both.”—Gloria Steinem Winner of the Lambda Literary Pioneer Award | Winner of the Lee Lynch Classic Book Award A landmark coming-of-age novel that launched the career of one of this country’s most distinctive voices, *Rubyfruit Jungle* remains a transformative work more than forty years after its original publication. In bawdy, moving prose, Rita Mae Brown tells the story of Molly Bolt, the adoptive daughter of a dirt-poor Southern couple who boldly forges her own path in America. With her startling beauty and crackling wit, Molly finds that women are drawn to her wherever she goes—and she refuses to apologize for loving them back. This literary milestone continues to resonate with its message about being true to yourself and, against the odds,

living happily ever after. Praise for Rubyfruit Jungle  
"Groundbreaking."—The New York Times "Powerful . . . a truly incredible book . . . I found myself laughing hysterically then sobbing uncontrollably just moments later."—The Boston Globe "You can't fully know—or enjoy—how much the world has changed without reading this truly wonderful book."—Andrew Tobias, author of *The Best Little Boy in the World* "A crass and hilarious slice of growing up 'different,' as fun to read today as it was in 1973."—The Rumpus "Moby-Bolt is a genuine descendant—genuine female descendant—Huckleberry Finn. And Rita Mae Brown is, like Mark Twain, a serious writer who gets her messages across through laughter."—Donna E. Shalala "A trailblazing literary coup at publication . . . It was the right book at the right time."—Lynn Lynch, author of *Beggar of Love* "Giving birth is the pivotal moment of a woman's life but it is often treated as a medical procedure, and not as a rite of passage. Birthing from Within offers parents engaging and memorable ways for pregnant women, and their partners, to activate personal, social and spiritual resources that will guide them through labour and afterwards. Many birth classes teach from the 'outside', from the perspective of the professional. Yet, knowledge of anatomy and the stages of labour can often seem irrelevant to the intensity of contraction. The pregnant woman needs to know about labour and birth from her own perspective, she needs to be prepared for birthing from within. Pam England offers a method that allows a woman to fully understand her own strengths and resources. The self-discoveries made during pregnancy makes birth life-enhancing and empowers

the future of the family. It is a multi-sensory and holistic approach that aims to make parents feel positively informed about what they are about to experience, confident about the birth of their child. Pain is an inevitable part of childbirth but *Birthing from Within* provides resources for building pain-coping confidence in parents. It gives detailed instructions dealing with normal labour pain and when the humane use of drugs may be called for."--Cover.

Three unconventional sisters are reunited in this "beautiful story about the ties that bind" from the New York Times bestselling author (Melanie Benjamin). Every child prodigy grows up eventually. For the Promise sisters, escaping their mother's narcissism and the notoriety that came with her bestselling book hasn't been easy. Minerva Promise claimed that her three "test tube" daughters—gifted pianist Joanie, artistic Meg, and storyteller Avery—were engineered and molded to be geniuses. In adulthood, their modest lives fall far short of her grand ambitions. But now, twenty years after the book's release, she hopes to redeem herself by taking part in a new documentary. Meg, who hasn't picked up a paintbrush in years, adamantly refuses to participate, until a car accident leaves her with crushing medical bills. While she recuperates in Seattle, the three sisters reluctantly meet with filmmaker Hal Seeger, another former prodigy. Like them, he's familiar with the weight of failed potential. But as he digs deeper, he uncovers secrets they've hidden from each other—and a revelation that will challenge their beliefs, even as it spurs them to forge their own extraordinary lives at last. Praise for Marie Bostwick "Reading Marie Bostwick is like wrapping yourself up in a

warm, hand-crafted quilt. Her books, rich in character and plot, are stitched together by a skilled wordsmith." —Debbi Macomber, #1 New York Times bestselling author "Marie Bostwick is my go-to author . . . always powerful, inspiring and uplifting." —Robyn Carr, #1 New York Times bestselling author National Book Award finalist Julie Anne Peters delivers a moving, modern classic love story with a coming out theme -- now with a fresh, redesigned cover! With a steady boyfriend, the position of Student Council President and a chance to go to an Ivy League college, high school life just fine for Holland Jaeger. At least, it seems to be. But when Cece Goddard comes to school, everything changes. Cece and Holland have undeniable feelings for each other, but how will others react to their developing relationship? This moving love story between two girls is for fans of Nancy Garden's classic young adult coming out novel, *Annie on My Mind*. With her characteristic humor and breezy style, Peters has captured the compelling emotions of young love. When Eliana, still called Ellen by her close friends back in America, moved to Italy, the future was bright with promise. Tuscan life held magic in its sprawling vineyards, great food, and centuries of art. It was a life of the senses, perfect for a blossoming, talented young artist such as Eliana. Her family and friends back home all thought she had made the right choice in following her heart and the man she fell in love with and married, by moving back to his native country. In America, Eliana's story was that of a fairy tale. But in Italy, in the small, rustic village nestled in the Chianti countryside, Eliana finds her husband to be a very different man. Over

time he distances himself from her, leaving Eliana to care for their young son, struggling with the asthma that threatens to take his life. Two teens. Two struggles. Two unforgettable stories. Now available in one ebook, Arin Andrews and Katie Hill share their personal journeys of undergoing gender reassignment in two inspiring memoirs: *Some Assembly Required* and *Rethinking Normal*. About *Some Assembly Required: The Not-So-Secret Life of a Transgender Teen*: We've all felt uncomfortable in our own skin at some point, and we've all been told that "it's just a part of growing up." But for Arin Andrews, it wasn't a phase that would pass. He had been born in the body of a girl and there seemed to be no relief in sight... In this first-of-its-kind memoir, Arin details the journey that led him to make the life-transforming decision to undergo gender reassignment as a high school junior. He also writes about the thrill of meeting and dating a young transgender woman named Katie Hill—and the heartache that followed after they broke up. *Some Assembly Required* is a true coming-of-age story about knocking down obstacles and embracing family, friendship, and first love. But more than that, it is a reminder that self-acceptance does not come ready-made with a manual and spare parts. Rather, some assembly is always required. About *Rethinking Normal: A Memoir in Transition*: Have you ever worried that you'd never be able to live up to your parents' expectations? Have you ever imagined that life would be better if you were just invisible? Have you ever thought you would do anything—anything—to make the teasing stop? Katie Hill had, and it nearly tore her apart. Katie realized very young that

serious mistake had been made: she was a girl who had been born in the body of a boy. In this first-person account, Katie reflects on her pain-filled childhood and the events leading to the life-changing decision to undergo gender reassignment as a teenager. She reveals the unique challenges she faced while unlearning how to be a boy and shares what it was like to navigate the dating world and experience heartbreak for the first time in a body that matched her gender identity. Told in an unwaveringly honest voice, *Rethinking Normal* is a coming-of-age story about transcending physical appearance and redefining the parameters of "normalcy" to embody one's true self.

New historical series set in frontier Montana from a best-selling author; three sisters run a boarding house and find love in the midst of tragedy. *The Brides of Gallatin County* book 1. During a summer in New York, Hope falls in love with another girl and must decide whether she is gay.

A gripping book for teenage readers by award-winning writer. Fast-paced, punchy and much loved Mel is short, stropky and never knows when to keep her mouth shut. When she interferes with her best friend Wai's interaction with none other than the Minister of Education, and the interference isn't appreciated, Mel storms out. Out of school and out of home – and heads north. At first she sees it as an escape from a past and present too messy to deal with. But standing up for yourself is one thing; facing the consequences is quite another. Mel's return journey from one end of New Zealand to the other turns into a discovery of not only truths about her past but also truths about herself. 'The most nicked book in schools'. Mel is instantly familiar – mixed-up, smart, and

sassy. Can scholarly journal articles and other scholarly works be made freely available on the Internet? The open access movement says "yes," and it is having a significant impact on scholarly publishing. There are two major open access strategies: (1) open access journals publish articles (typically peer-reviewed articles) that are free of charge and may be able to be reused under an open license (e.g., a Creative Commons license), and (2) self-archiving of digital prints (typically prepublication versions of articles) by authors in digital repositories, where they can be accessed of charge and sometimes reused. Transforming Scholarly Publishing through Open Access: A Bibliography, which has over 1,100 references, provides in-depth coverage of published journal articles, books, and other works about the open access movement. Many references have links to free available copies of included works. Natural products are sought after by the food, pharmaceutical and cosmetics industries, and research continues into their potential for new applications. Extraction of natural products in an economic and environmentally-friendly way is of high importance to all industries involved. This book presents a holistic and in-depth view of the techniques available for extracting natural products, with modern and more environmentally-benign methods, such as ultrasound and supercritical fluids discussed alongside conventional methods. Examples and case studies are presented, along with the decision-making process needed to determine the most appropriate method. Where appropriate, scale-up and process integration is discussed. Relevant to researchers in academia and industry, and

students aiming for either career path, Natural Product Extraction presents a handy digest of the current trends and latest developments in the field with concepts of Green Chemistry in mind. Polymers have played a critical role in the rational design and application of drug delivery systems that increase the efficacy and reduce the toxicity of new and conventional therapeutics. Beginning with an introduction to the fundamentals of drug delivery, Engineering Polymer Systems for Improved Drug Delivery explores traditional drug delivery techniques as well as emerging advanced drug delivery techniques. By reviewing many types of polymeric drug delivery systems, and including key points, worked examples and homework problems, this book will serve as a guide to for specialists and non-specialists as well as a graduate level text for drug delivery courses.

An edgy, sexy USA TODAY bestseller about falling for the one person you can't have. Maise O'Malley just turned eighteen, but she's felt like a grown-up her entire life. The summer before senior year, she has plans: get into a great film school, convince her mom to go into rehab, and absolutely do not, under any circumstances, screw up her own future. But life has a way of throwing her plans into free-fall. When Maise meets Evan at a carnival one night, their chemistry is immediate, intense, and short-lived. Which is exactly how she likes it: no strings. But afterward, she can't get Evan out of her head. He's taught her that a hookup can be something more. It can be an unexpected connection with someone who truly understands her. Someone who sees beyond her bravado to the scared, strong girl inside. That someone turns out to be her new fi

class teacher, Mr. Evan Wilke. Maise and Evan resolve to keep their hands off each other, but the attraction is too much to bear. Together, they're real and genuine; apart, they're just actors playing their parts for everyone else. And their masks are slipping. People start to notice. Rumors fly. When the truth comes to light in a shocking way, they may learn they were just playing parts for each other, too. Smart, sexy, and provocative, *Unteachable* is about what happens when a love story goes off-script.

Nitric oxide is a highly potent regulatory molecule with great pharmaceutical potential. This handbook fills a real gap in combining the chemistry of nitric oxide releasing substances with their practical applications in biology and drug design. It covers all classes of nitric oxide donors, from organic nitrates to nitroso compounds, guanidines and metal-NO complexes. In addition to a detailed treatment of the chemistry of NO donors, numerous examples of successful diagnostic and pharmacological applications are discussed, as well as further therapeutic targets for these substances.
