For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is "an honest, devoted woman; loving intelligence and happiness." How should you interpret this? But with *Tarot Made Easy*, the Queen of Cups Romance category tells you that "someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door." This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need. In the fourth

Book jacket. Tarot cards have been used to foretell the future for centuries. Once the domain of the esoteric and mystical, tarot today has many practical applications in the modern world. Jane Stern, a fourth generation tarot reader perhaps best known for Roadfood, has given the art of the tarot a very modern spin. Using the twenty-two major arcana cards (the "heart of the tarot") as chapters, she has gleaned all she has learned over the years and presents Confessions of a Tarot Reader as a witty, readable, and useful self-help book. In her own words, the author likes to think of herself as a "psychic Dear Abby," and by drawing on the wisdom of the tarot deck, to give practical advice in every life situation and lift

the veil between this world and the unseen beyond. This is the definitive guide to learning and mastering Tarot quickly and easily.
