Jim Ife, Karen Soldatić, Linda Briskman

Social Work And Human Rights A Foundation For Policy And Practice

Social Work and Human Rights Elisabeth Reichert, 2011-09-13 Social Work and Human Rights has become a standard text highlighting the role of social work in protecting the rights of vulnerable populations Through rigorous analysis classroom exercises and a frank discussion of the implications for practice both within and outside of the United States the volume effectively acquaints readers with the political economic and social dimensions of rights issues and the documents that guarantee them New material covers international events such as the United Nations Millennium Declaration 2000 and its effort to reduce the poverty and suffering of billions worldwide The volume now emphasizes cultural rights and includes a probing lesson in cultural relativism It turns a critical eye toward the failure in the United States to address social welfare issues and its reluctance to rectify policies favoring one group over another Praise for the first edition A human rights compass a preliminary guide for the translation of human rights for social workers It is to be welcomed European Journal of Social Work Foundation documents provide an essential tool for understanding the issues and applying the understanding to concrete social policy advocacy and action Canadian Association of Social Workers Bulletin This is a text which is overdue for social work students and faculty Rosemary Link coauthor of Human Behavior in a Just World Reaching for Common Ground Reichert makes human rights concepts come alive Practice case examples and human rights analysis of the National Association of Social Worker s Code of Ethics are particularly valuable in orienting the reader to the domestic practice applications of the global human rights movement Lynne M Healy author of International Social Work Professional Action in an Interdependent World

Social Work And Human Rights: A Foundation For Policy And Practice Elisabeth Reicher, 2003

Social Work and Social Welfare Katherine S. Van Wormer, Rosemary J. Link, 2018 Infused with relevant personal narratives and photographs Social Work and Social Welfare provides a global human rights perspective on social welfare policies that are at the forefront of controversy in today s world e g immigration policies environmental sustainability health care housing food insecurity and income wealth inequality

Handbook of International Social Work Lynne M. Healy, Rosemary J. Link, 2012 Global knowledge is increasingly essential for all aspects of social work Today s professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today

Human Rights and Social Work Jim Ife, Karen Soldatić, Linda Briskman, 2022-07-12 *Human Rights and Social Work Towards Rights Based Practice* helps students and practitioners understand how human rights concepts underpin the social work profession and inform their practice This book examines the three generations of human rights and the systems of oppression that prevent citizens from participating in society as equals It explores a range of topics from ethics and ethical social work practice to deductive and inductive approaches to human rights and global and local human rights discourses The language processes structures and theories of social work that are fundamental to the profession are also discussed This edition features case studies exploring current events movements and human rights crises including the Black Lives Matter movement the Northern Territory Emergency Response and homelessness among LGBTIQ young people This edition is accompanied by online resources for both students and instructors *Human Rights and Social Work* is an indispensable guide for social work students and practitioners

Social Work and Social Welfare Katherine van Wormer, Rosemary J. Link, 2018-03-28 Unique in its use of a human rights framework *Social Work and Social Welfare* goes beyond American borders to examine U S government policies including child welfare social services health care and criminal justice within a global context Guided by the belief that forces from the global market and predominant political ideologies affect all social workers in their practice the book addresses a wide range of relevant topics including the refugee journey the impact of new technologies war trauma environmental justice and restorative justice As a general textbook the content is organized to follow outlines for basic introductory and more advanced courses examining social welfare programs policies and issues

Understanding Human Rights Elisabeth Reichert, 2006-05-16 *Understanding Human Rights An Exercise Book* provides a concise hands on roadmap for learning about human rights within a social work context By illustrating the importance of human rights to the social work profession with understandable explanations and exercises author Elisabeth Reichert highlights why social workers need to embrace the concept of human rights

Human Rights and Social Justice Joseph Wronka, 2016-07-19 Offering a unique perspective that views human rights as the foundation of social justice Joseph Wronka's groundbreaking text outlines human rights and social justice concerns as a powerful conceptual framework for policy and practice interventions for the helping and health professions This highly accessible interdisciplinary text urges the creation of a human rights culture as a lived awareness of human rights principles including human dignity nondiscrimination civil and political rights economic social and cultural rights and solidarity rights The Second Edition includes numerous social action activities and questions for discussion to help scholars activists and practitioners promote a human rights culture and the overall well being of populations across the globe Intended Audience This text is applicable for courses in social work psychology sociology public health law medicine philosophy political science as well as newer disciplines like peace studies world citizenship and environmental sustainability Scholars activists and practitioners will find it a valuable reference for years to come

Foundations of Social Work Practice Mark A. Mattaini, Christine T. Lowery, 2007 This fourth edition of the *Foundations of Social Work Practice* is the best current scholarship that challenges the conventional wisdom of social work practice across all system levels individual family group organization and community The framework for this edition offers a coherent approach to integrating four critical perspectives on practice ecosystems social justice and human rights evidence based practice and shared power These perspectives are interwoven throughout the text and offer a teaching strategy on how to achieve the integration of perspectives *Foundations of Social Work Practice* is written at a level that adequately challenges graduate students and fosters their intellectual development from the very beginnings of their graduate experience The editors intent is to promote the concept that although many social work practice functions can be performed effectively by paraprofessionals and bachelors level staff the primary function of the graduate level social worker is not so much to simply act as to think to understand the perplexing intricacies of each clients unique dilemma and to develop interventive strategies that are based on that understanding **SPECIAL FEATURES** Organized into two major sections **Foundation Knowledge and Foundations of Social Work Practice** Builds a bridge between social policy and social work practice Emphasizes the use of appropriate practices especially when working with at risk communities Includes three appendices NASW Code of Ethics Universal Declaration of Human Rights and a refined set of skills exercises Amazon com

Handbook of Health Social Work Sarah Gehlert, Teri Browne, 2006-03-20 The *Handbook of Health Social Work* provides a comprehensive and evidence based overview of contemporary social work practice in health care Written from a wellness perspective the chapters cover the spectrum of health social work settings with contributions from a wide range of experts The resulting resource offers both a foundation for social work practice in health care and a guide for strategy policy and program development in proactive and actionable terms Three sections present the material The *Foundations of Social Work in Health Care* provides information that is basic and central to the operations of social workers in health care including conceptual underpinnings the development of the profession the wide array of roles performed by social workers in health care settings ethical issues and decision making in a variety of arenas public health and social work health policy and social work and the understanding of community factors in health social work *Health Social Work Practice A Spectrum of Critical Considerations* delves into critical practice issues such as theories of health behavior assessment effective communication with both clients and other members of health care teams intersections between health and mental health the effects of religion and spirituality on health care family and health sexuality in health care and substance abuse *Health Social Work Selected Areas of Practice* presents a range of examples of social work practice including settings that involve older adults nephrology oncology chronic diseases such as diabetes heart disease and HIV AIDS genetics end of life care pain management and palliative care and alternative treatments and traditional healers The first book of its kind to unite the entire body of health social work knowledge the *Handbook of Health Social Work* is a must read for social work educators administrators students and practitioners

Human Rights and Social Work Jim Ife, 2012-06-07 Now in its third edition *Human Rights and Social Work* explores how the principles of human rights inform contemporary social work practice Jim Ife considers the implications of social work s traditional Enlightenment heritage and the possibilities of post Enlightenment practice in a way that is accessible direct and engaging The world has changed significantly since the publication of the first edition in 2000 and this book is situated firmly within the context of present day debates concerns and crises Ife covers the importance of relating human rights to the non human world as well as the consequences of political and ecological uncertainty Featuring examples further readings and a glossary readers are able to identify and investigate the important issues and questions arising from human rights and social work Now more than ever *Human Rights and Social Work* is an indispensable resource for students scholars and practitioners alike

Health Equity, Social Justice and Human Rights Fiona H McKay, Ann Taket, 2020-04-28 Important links between health and human rights are increasingly recognised and human rights can be viewed as one of the social determinants of health A human rights framework provides an excellent foundation for advocacy on health inequalities a value based alternative to views of health as a commodity and an opportunity to move away from public health action being based on charity This text demystifies systems set up for the protection and promotion of human rights globally regionally and nationally It explores the use and usefulness of rights based approaches as an important part of the toolbox available to health and welfare professionals and community members working in a variety of settings to improve health and reduce health inequities Global in its scope Health Equity Social Justice and Human Rights presents examples from all over the world to illustrate the successful use of human rights approaches in fields such as HIV AIDS improving access to essential drugs reproductive health women s health and improving the health of marginalised and disadvantaged groups Understanding human rights and their interrelationships with health and health equity is essential for public health and health promotion practitioners as well as being important for a wide range of other health and social welfare professionals This text is valuable reading for students practitioners and researchers concerned with combating health inequalities and promoting social justice

Trauma and Human Rights Lisa D. Butler, Filomena M. Critelli, Janice Carello, 2019-07-17 Human rights violations and traumatic events often come together in victims experiences however the human rights framework and trauma theory are rarely deployed together to illuminate such experiences This edited volume explores the intersection of trauma and human rights by presenting the development and current status of each of these frameworks examining traumatic experiences and human rights violations across a range of populations and describing efforts to remediate them Individual chapters address these topics among Native Americans African Americans children women lesbian gay bisexual transgender individuals those with mental disabilities refugees and asylees and older adults and also in the context of social policy and truth and reconciliation commissions The authors demonstrate that the trauma and human rights frameworks each contribute invaluable and complementary insights and that their integration can help us fully appreciate and address human suffering at both individual and collective levels

The Handbook of Community Practice Marie Weil, Michael S. Reisch, Mary L. Ohmer, 2013 Encompassing community development organizing planning social change as well as globalisation this book is grounded in participatory empowerment practice The 36 chapters assess practice theory research methods

Practicing Rights David Androff, 2015-07-03 Social work Codes of Ethics of professional organizations around the world appeal to the concept of people having rights that social workers need to respect and advocate for. However, it isn't always clear how social workers can actually incorporate human rights based approaches in their practice, whether domestic or international. This book fills this gap by advancing rights based approaches to social work. The first part gives an overview of the relationship between human rights and social work and outlines a model for how rights based approaches can be integrated into social work practice. The second part introduces the rights based framework across five mainstream areas of practice: poverty, child welfare, older adults, health, and mental health. Each of these substantive chapters introduces the area of practice and traditional social welfare interventions associated with it, outlines relevant human rights frameworks, explores case studies showcasing rights based approaches, presents practical implications for implementing rights based social work practice. The book ends with a discussion of the limitations and criticisms of rights based approaches and lays out some future directions for practice. This accessible text is designed for all those interested in learning how to introduce human rights based interventions into their practice. It will be of particular use to social work students taking direct practice, macro practice, social policy, international social work, and human rights courses as part of their program.

Foundations of Global Health and Human Rights Lawrence O. Gostin, University Professor, Founding Linda D & Timothy J. O'Neill, Professor of Global Health Law, Lawrence O. Gostin, Associate Professor of Global Health Policy, Zachary Taylor Smith, Distinguished Professor of Public Policy, Benjamin Mason Meier, Benjamin Mason Meier, 2020-07-23 Human rights are essential to global health, yet rising threats in an increasingly divided world are challenging the progressive evolution of health related human rights. It is necessary to empower a new generation of scholars, advocates, and practitioners to sustain the global commitment to universal rights in public health. Looking to the next generation to face the struggles ahead, this book provides a detailed understanding of the evolving relationship between global health and human rights, laying a human rights foundation for the advancement of transformative health policies, programs, and practices. International human rights law has been repeatedly shown to advance health and wellbeing, empowering communities and fostering accountability for realizing the highest attainable standard of health. This book provides a compelling examination of international human rights as essential for advancing public health. It demonstrates how human rights strengthens human autonomy and dignity while placing clear responsibilities on government to safeguard the public's health and safety. Bringing together leading academics in the field of health and human rights, this volume: 1. explains the norms and principles that define the field; 2. examines the methods and tools for implementing human rights to promote health; 3. applies essential human rights to leading public health threats; and 4. analyzes rising human rights challenges in a rapidly globalizing world. This foundational text shows why interdisciplinary scholarship and action are essential for health related human rights, placing human rights at the center of public health and securing a future of global health with justice.

Human Rights and Social Justice in a Global Perspective Susan C. Mapp, 2020 *Human Rights and Social Justice in a Global Perspective* An introduction to international social work provides an updated introduction to a variety of social issues in the Global South including AIDS human trafficking as well as refugees and asylum seekers The Universal Declaration of Human Rights as well as other UN human rights documents is used as a framework to examine examples of social injustice and human rights violations The issues are examined in their cultural contexts to help the reader understand how they developed and why they persist Each chapter for a particular issue ends in a Culture Box which offers an in depth look at the issue in a particular country enabling the reader to gain a deeper understanding of how culture impacts the development of social issues Interventions based on the human rights based approach are integrated throughout the book Suggestions for effecting change both in one s personal as well as professional life are listed for each chapter and an Appendix offers a variety of resources for engaging in international social work

International Social Work Lynne Healy, 2008-03-28 Written by the director of the countrys first center for international social work studies the original edition of this book set the stage for recent years exponential increase of interest in international issues for social workers This second edition is a thorough revision of that definitive text and it expands on the sections most valuable to teachers adds evocative photos from the authors own collection and provides a wealth of new information to bring the book up to the minute in usefulness A comprehensive treatment of international social work the book emphasizes global interdependence and professional action themes that provide the context for an engaging examination of social work issues in a global perspective The books four sections introduce major concepts and issues in international social work review the global history of the social work profession as a whole discuss global ethics practice and policy and values and look ahead to the bright future of international exchange and development From direct service to policy and administration *International Social Work* provides a thorough overview of the international dimensions of social work practice and is sure to remain the essential text for all social work students and practitioners providing a sound foundation for future academic and career exploration

Human Rights and Social Justice Joseph Wronka, 2017 Offering a unique perspective that views human rights as the foundation of social justice Joseph Wronka s groundbreaking text outlines human rights and social justice concerns as a powerful conceptual framework for policy and practice interventions for the helping and health professions This highly accessible interdisciplinary text urges the creation of a human rights culture as a lived awareness of human rights principles including human dignity nondiscrimination civil and political rights economic social and cultural rights and solidarity rights The Second Edition includes numerous social action activities and questions for discussion to help scholars activists and practitioners promote a human rights culture and the overall well being of populations across the globe Intended Audience This text is applicable for courses in social work psychology sociology public health law medicine philosophy political science as well as newer disciplines like peace studies world citizenship and environmental sustainability Scholars activists and practitioners will find it a valuable reference for years to come Cited as one of the great books for Social Workers

Social Work Practice Jonathan Parker, 2017-04-10 This bestselling book will take you step by step through the four main aspects of social work practice Assessment Planning Intervention and Review giving you a complete foundation in each It will introduce you to each process in a clear and accessible way supporting you to both reflect on and apply what you have learnt in practice across settings and service user groups The book will provide you with a theoretical foundation from which you can explore other aspects of social work New to the fifth edition an ethnographic approach to social work focus on relationship and resilience revised exploration of the political context of social work updated emphasis on social justice and human rights

Social Work And Human Rights A Foundation For Policy And Practice Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work And Human Rights A Foundation For Policy And Practice has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work And Human Rights A Foundation For Policy And Practice has opened up a world of possibilities. Downloading Social Work And Human Rights A Foundation For Policy And Practice provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work And Human Rights A Foundation For Policy And Practice has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work And Human Rights A Foundation For Policy And Practice. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work And Human Rights A Foundation For Policy And Practice. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work And Human Rights A Foundation For Policy And Practice, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work And Human Rights A Foundation For Policy And Practice has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Work And Human Rights A Foundation For Policy And Practice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
