The Secret Wish List Preeti Shenoy,2022-07-01 Does true love really exist or is it just a cliché Can a single kiss really change your life At sixteen Diksha like any girl her age finds her life revolving around school boys and endless hours of fun with her best friend But one day all that changes What starts as an innocent crush explodes into something far beyond her control Eighteen years later she finds herself at the crossroads of life Urged by a twist of events a wish list is born But can a wish list help her piece back her life together Will she succumb to the tangled mess of an extramarital relationship Once again Preeti Shenoy brings an extraordinary story that tugs at the heartstrings with insight and wisdom as she explores the delicate matters of the heart

It's All in the Planets Preeti Shenoy,2022-07-01 Meet Aniket Twenty seven techie Mr Average His best friend is Subbu a nerd who breathes thinks and lives code Aniket cannot believe his luck when he starts dating Trish a stunning sexy model who is totally out of his league But Trish has a list of things she wants him to work on beginning with his pot belly and his geekiness Then there's Nidhi thirty two who has quit her corporate job to follow her passion She is engaged to Manoj Mr Perfect except for one aspect Aniket and Nidhi meet on a train a chance encounter and she agrees to become his relationship coach It's a decision that sets into motion a chain of events that will have a profound impact on the lives of all involved One man two women and the trap called Destiny Some things they say are all in the planets

A Hundred Little Flames Preeti Shenoy,2022-12-23 Sometimes a journey back is a step forward When 26 year old Ayan is sent to live with his grumpy old grandfather Gopal Shanker in a tiny village in Kerala he is understandably devastated What can a sleepy idyllic village without even Internet connectivity offer a young man To make matters worse Jairaj Ayan's domineering father has his own plans and is determined to have his way Soon Ayan has to come to terms with the hard realities of life and the blindness of greed as he and Gopal Shanker learn that life can sometimes unravel in unanticipated ways A young man whose life lies ahead of him An old man whose life is all in the past And a few months that change everything *A Hundred Little Flames* is a charming account of a relationship across generations and also a meditative look at the issues of old people Preeti Shenoy's foray into new fictional terrain is an absolute triumph

It Happens For A Reason Preeti Shenoy,2023-07-01 My heart hummed a happy tune as I got into the car with Ankush and directed him towards Suchi's home Of course I had no idea about the strange games that the gods were playing that day Sometimes things happen for a reason though they are not obvious at that moment and there is nothing you

can do to control them When Vipasha Vee to friends eighteen and single makes the decision to have her baby she does more than give up her promising modelling career She ends up cutting ties with her family and with Ankush the man she thought she was in love with Fast forward sixteen years and she now has two unusual careers she runs a dog boarding facility and is a gym instructor Her son Aryan thinks she is the coolest mom in the world and hopes she will one day find her Prince Charming exactly what her best friend Suchi has in mind for her But Vee secretly has a thing for Saurabh the quirky vet Then out of the blue Ankush comes back into their lives But can a decision that was taken at eighteen more in the throes of lust than love be the basis of a life long relationship Is there a future for Ankush and Vee Vee Aryan and Ankush are in for the ride of their lives No seat belts full speed and a very bumpy road ahead It Happens for a Reason is an enthralling story about love strong friendships and unusual choices made along paths never travelled before **Tea for Two and a Piece of Cake** Preeti Shenoy,2012-02-22 What if life threw you a magnificent opportunity only to knock you down later and laugh at you Would you fight back or let it pass Nisha s life is far from perfect At twenty six she is plump plain looking and without a boyfriend A chance date and a bizarre twist of events lead her to the altar with suave Samir Sharma only to be abandoned eight years later As she struggles to stand on her own feet Akash a younger guy enters her life Can Nisha find love a second time Tea for Two and a Piece of Cake is an unusual a heart warming and gripping love story between two people who have so much to lose by getting into a relationship with each other yet so much to gain **Life Is What You Make It** Peter Buffett,2011-05-03 From composer musician and philanthropist Peter Buffett comes a warm wise and inspirational book that asks Which will you choose the path of least resistance or the path of potentially greatest satisfaction You may think that with a last name like his Buffett has enjoyed a life of endless privilege But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy Forge your own path in life It is a creed that has allowed him to follow his own passions establish his own identity and reap his own successes In Life Is What You Make It Buffett expounds on the strong set of values given to him by his trusting and broadminded mother his industrious and talented father and the many life teachers he has met along the way Today s society Buffett posits has begun to replace a work ethic relishing what you do with a wealth ethic honoring the payoff instead of the process We confuse privilege with material accumulation character with external validation Yet by focusing more on substance and less on reward we can open doors of opportunity and strive toward a greater sense of fulfillment In clear and concise terms Buffett reveals a great truth Life is random neither fair nor unfair From there it becomes easy to recognize the equal dignity and value of every human life our circumstances may vary but our essences do not We see that our journey in life rarely follows a straight line but is often met with false starts crises and blunders How we push through and persevere in these challenging moments is where we begin to create the life of our dreams from discovering our vocations to living out our bliss to giving back to others Personal and revealing instructive and intuitive Life Is What You Make It is about transcending your circumstances taking up the reins
