You Play the Girl Carina Chocano,2017-08-08 National Book Critics Circle Award Winner With dazzling clarity Chocano s commentary exposes the subliminal sexism on our pages and screens O The Oprah Magazine As a kid in the 1970s and 80s Carina Chocano was confused by the mixed messages all around her that told her who she could be and who she couldn t She grappled with sexed up sidekicks princesses waiting to be saved and morally infallible angels who seemed to have no opinions of their own It wasn t until she spent five years as a movie critic and was laid off just after her daughter was born however that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies In You Play the Girl Chocano blends formative personal stories with insightful and emotionally powerful analysis Moving from Bugs Bunny to Playboy Bunnies from Flashdance to Frozen from the progressive 70s through the backlash 80s the glib 90s and the pornified aughts and at stops in

between she explains how growing up in the shadow of the girl taught her to think about herself and the world and what it means to raise a daughter in the face of these contorted reflections In the tradition of Roxane Gay Rebecca Solnit and Susan Sontag Chocano brilliantly shows that our identities are more fluid than we think and certainly more complex than anything we see on any kind of screen If Hollywood s treatment of women leaves you wanting you ll find good heady company in *You Play the Girl Elle* Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg,2019-06-11 Written with all the scathing dark humor that is a hallmark of BoJack Horseman Raphael Bob Waksberg delivers a fabulously off beat collection of short stories about love the best and worst thing in the universe Featuring A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding A pair of lonely commuters who ride the subway in silence forever eternally failing to make that longed for contact A struggling employee at a theme park of U S presidents who discovers that love can t be genetically modified And fifteen more tales of humor romance whimsy cultural commentary and crushing emotional vulnerability *The Poor Man's Guide to an Affordable, Painless Suicide* Schuler Benson,Ryan Murray,Patrick Traylor,Alternating Current,Leah Angstman,2014-07-26 Twelve stories fraught with an unapologetic voice of firsthand experience that pry the lock off of the addiction fanaticism violence and fear of characters whose lives are mired in the darkness of isolation and the horror and the hilarity of the mundane This is the Deep South the dark territory of brine pine gravel and red clay where pavement still fears to tread Contains interior illustrations by Ryan Murray and Patrick Traylor Schuler Benson writes like the spawn of Chuck Palahniuk and Barry Hannah While approaching his subjects with empathy humor and a keen eye for detail he creates a world of snake charming preachers meth heads and spurned lovers This collection will make you laugh make you anxious and keep you turning the pages Read this damn book Kody Ford *The Idle Class* Magazine A Breece D J Pancake of the plains Benson writes with a hell of a knack for dialect His characters are dirty flawed and all too familiar There are no heroes here Yet in these stories Benson manages to lift his people to another plane someplace where they might achieve a little redemption Eric Shonkwiler author of *Above All Men* Schuler Benson has a playwright s ear for dialogue a poet s eye for scene and a comic s sense for when the sane is actually crazy the crazy actually sane *The Poor Man s Guide to an Affordable Painless Suicide* announces Benson s place in the tradition of Wells Tower Barry Hannah and Mark Twain here comes another great documentarian of the agonized and hilarious souls who inhabit Rural America Brian Ted Jones *Electric Literature* Find out more about Alternating Current Press at <http://www.press.alternatingcurrentarts.com> **Being Extreme** Bill Gutman,2014-04-01 As fast paced as a freefall from a roaring airplane as thrilling as a towering jump off a ski slope *Being Extreme* is a fascinating examination of the adrenaline rush of extreme sports Here is a world where living life on the edge is the only option where you are only as good as your last jump and where one false move can take you out of the game permanently From mountain climbing and freestyle motocross to skydiving and snowboarding and beyond in the past decade the world of extreme sports has exploded

onto the scene with daredevils attempting acts of athleticism that leave spectators awed and fearful Being Extreme explores the motivations and societal impulses behind these high risk lifestyles through interviews with professional athletes and recreational enthusiasts as well as with psychiatrists who seek to understand the motivation behind these Big T personalities Authors Gutman and Frederick also explore what heart stopping sports are around the next curve because in a world where the rush is everything everyone is always upping their game

Her Country Marissa R. Moss,2022-05-10

In country music the men might dominate the radio waves But it s women like Maren Morris Mickey Guyton and Kacey Musgraves who are making history This is the full and unbridled story of the past twenty years of country music seen through the lens of these trailblazers careers their paths to stardom and their battles against a deeply embedded boys club as well as their efforts to transform the genre into a more inclusive place as told by award winning Nashville journalist Marissa R Moss For the women of country music 1999 was an entirely different universe a brief blip in time when women like Shania Twain and the Chicks topped every chart and made country music a woman s world But the industry which prefers its stars to be neutral be obedient and never rock the boat had other plans It wanted its women to shut up and sing or else In 2021 women are played on country radio as little as 10 percent of the time but they re still selling out arenas as Kacey Musgraves does and becoming infinitely bigger live draws than most of their male counterparts creating massive pop crossover hits like Maren Morris s The Middle pushing the industry to confront its racial biases with Mickey Guyton s Black Like Me and winning heaps of Grammy nominations Her Country is the story of how in the past two decades country s women fought back against systems designed to keep them down and created entirely new pathways to success It s the behind the scenes story of how women like Kacey Mickey Maren Miranda Lambert Rissi Palmer Brandi Carlile and many more have reinvented their place in an industry stacked against them When the rules stopped working for these women they threw them out made their own and took control changing the genre forever and for the better
